**Karakul Fur.**

Karakul, Persian lamb and Astrakhan furs come from the regions about Bokhara, in Turkestan. Before the war almost all of them were dyed and treated at Leipzig, where two houses alone received 750,000 skins, with a yearly value of about \$2,700,000.

The race of sheep known as Karakul is a native of Turkestan, and its special home is in the vast sandy desert plains of Bokhara. The lambs are born covered with an abundant fleece, down to their hoofs and as far as their eyes. This fleece is formed of black strands tightly curled against the skin. If the animal be killed within three days of its birth and skinned at once the fleece remains unchanged. As it grows, however, the curls unwind, and after it once has been sheared the wool grows with scarcely a trace of curl.

**Why Dance Party Is "Ball."**

Ball play in church by the dean and choir boys of Naples was a curious old custom during the "Feast of Fools" at Easter. The boys danced around the dean singing an antiphon. The dean had a ball which he threw to them, and they caught it while dancing. Later at private dancing parties the dancers threw a ball to each other as to the sound of their own voices, they whirled around in sets. The pastime consisted in loosening hands in time to catch the ball. Dancing has long survived this strange game, but a dancing party is still called a ball.

**The World's Largest Tire Factory**  
Building 30x3, 30x3 1/2 and 31x4-inch Tires

Owners of the smaller cars can enjoy the same high relative value in Goodyear Tires that gives utmost satisfaction to owners of big, costly motor carriages.

They can take advantage of that tremendous amount of equipment, skill and care employed by Goodyear to build tires of extraordinary worth in the 30 x 3-, 30 x 3 1/2-, and 31 x 4-inch sizes.

They can secure these tires without waiting, despite the enormous demand, because, in addition to its larger sizes, Goodyear builds an average of 20,000 a day in the world's largest tire factory devoted to the three sizes mentioned.

If you own a Ford, Chevrolet, Dort, Maxwell, or any other car using one of these sizes, go to the nearest Goodyear Service Station Dealer for Goodyear Tires and Goodyear Heavy Tourist Tubes.

30x3 1/2 Goodyear Double-Cure Fabric, All-Weather Tread	\$2350
30x3 1/2 Goodyear Single-Cure Fabric, Anti-Skid Tread	\$2150

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3 1/2 size in water-proof bag \$450
