"Give my love to Dundee," was Mrs. Cyrene Palmer's message on Sunday as a Dundee caller left her at Chehalem Center. So here it is in the Graphic where it will reach all her friends. HAPPENINGS IN DUNDEE

And some things that ought to be done.

The pastor of our little Community church and his wife are invited to spend two Sabbaths, July 25th and August 1st, at Toledo and Newport. Rev. George F. Round, of Newberg, has kindly promised to preach July 25th, and Miss Edith Minchin at 11 a. m. August 1st. In the absence of Mrs. Gillespie the class in preparatory membership which meets with the Epworth League at 7 p. m. each Sunday will be cared for by Superintendent Bahringer. Bro. White will care for the pastor's Bible class.

Mrs. Bahringer will lead the prayer meeting this Thursday night and Sister Helmena Frankhaue will lead or secure a leader for prayer meeting next week.

The pastor has by the authority given him by Dr. E. E. Gilbert, District Superintendent, and our local trustees, been soliciting funds for purchase, moving and additional repairing of the nice little parsonage which was bought of Mr. Dearborn last December. It now sets up on posts three feet high, and may remind you of a boy with his pants rolled up ready for the "swimming hole" in Indiana, if a sufficient amount of funds can be provided, and it can be done. "I can't never accomplished anything" but "I will try has done wonders."

If, one, the price of just one of those fine automobiles that so frequently glide up and down our hill sides, can be secured, the pastor will not only continue that acting pole that the boys and girls find on the parsonage porch, but will make wondrous changes in the appearance of both parsonage and church property.

To Dundee people, remember the church services and attend them, and I'll be back, Providence permitting, to help the young converts paint the parsonage.

Say, don't expect the Ladies' Aid and Christopher & Young to do all the church work. Gillespie, The Tender Foot in Oregon.

HINTS FOR SWIMMERS

Tom Robinson, veteran swimming coach, presents these rules for swimmers:

Wait at least an hour after eating before swimming.

Do not go in bathing alone.

There is safety in numbers.

Never accept an invitation to ride in a canoe if you cannot swim.

In entering the water keep the hands under so if you step into a hole you can immediately start swimming.

In learning to swim move toward the shore; never swim away from the beach.

Keep out of rough water if you are subject to heart trouble.

Never swim until exhausted.

Don't "show off."

If caught in the undertow, try at once to float.
