Ride on Goodyear Tires in That Sturdy Small Car of Yours

It surprises certain users of small cars to find that they can obtain Goodyear Tires at a first cost ordinarily not greater, and sometimes less, than that of other tires.

This initial value, as well as the very low final cost, results from the application of Goodyear experience and care to their manufacture in the world's largest tire factory devoted to 30x3-, 30 x 3 1/2- and 31 x 4-inch sizes.

Such facts explain why more cars, using these sizes, were factory-equipped last year with Goodyear Tires than with any other kind.

If you drive a Ford, Chevrolet, Maxwell, or Dort take advantage of the opportunity to enjoy real Goodyear value and economy; equip your car with Goodyear Tires and Heavy Tourist Tubes at the nearest Service Station.

30x3 1/2 Goodyear Double-Cure Fabric, All-Weather Tread . . . \$23.50
 30x3 1/4 Goodyear Single-Cure Fabric, Anti-Skid Tread . . . \$21.50
 Goodyear Heavy Tourist Tubes cost no more than the price you are asked to pay for tubes of less merit—why risk costly casings when such sure protection is available!
 30x3 1/2 size in waterproof bag . . . \$4.50

GOOD YEAR
