### A Bill that Saves Money CREATES NO NEW OFFICES

### Vote 308 Yes

Put all County Officers on same basis by making terms of equal length  
Herbert R. Dewart, Portland, Oregon

**ENDORSEMENTS**  
This amendment is endorsed by Ben W. Olcott, Governor of Oregon, by Geo. M. Brown, Attorney-General, who endorses it in the following words:

"I endorse constitutional amendment fixing term of certain county officials, and especially as it relates to the clerk and sheriff.

"I do so for the reason that it is in the interest of well trained public officials."

Also by Sam A. Kozar, Secretary of State, to the following effect:

"I am heartily in favor of the proposed constitutional amendment extending the terms of county sheriff, county clerks and county treasurers to four years. I believe that the endorsement by the people of this amendment is in the line of progress and will result in more efficient administration of the duties of those officers. The term of office at present is hardly of sufficient duration to enable an official to acquaint himself with the duties thereof before he must seek re-election. A longer term of office, to my mind, tends toward the more efficient per-

formance of the duties of the office by those whom the people may select therefor."

## Oregon Must Have a Port Equal to any Port on the Pacific Coast

Initiative measure No. 310 on the ballot gives to the Port of Portland means to create such a port.

The primary object of this bill is to furnish the means to insure the opening and maintaining of a 30 foot channel from Portland to the sea and of building and establishing port facilities at the City of Portland sufficient to handle the foreign and coastwise shipping of that port.

The cost of this improvement will be met by the people living within the boundaries of the Port of Portland.

When you go to the Polls November second vote 310 YES and give to the Port of Portland the power to maintain its 30 foot channel to the sea and to build adequate port facilities to handle all of the great products of the interior of the state.

The passage of this bill means lower freight rates for the products of Oregon in reaching the markets of the world and a consequent greater profit to the producers.

This is the most important and the most valuable measure that has ever been put-up to the voters of the interior portions of the state.

## What Fordson Owners Say:

During the past year the FORDSON FARM TRACTOR has demonstrated that it is the world's leading Farm Tractor. Over 150,000 users testify to this fact. The FORDSON is revolutionizing farming.

The FORDSON is being used as tractors have never been worked before and for every purpose imaginable—plowing, discing, harrowing, rolling, drilling, haying, harvesting, threshing, filling silos, sawing wood, dragging and grading roads and many other jobs.

### READ WHAT A FEW OF OUR CUSTOMERS SAY

- CHAS. TRUNK, Dundee.  
I consider the FORDSON tractor the best tractor on the market. The FORDSON way is the only way to farm a farm right.
- D. P. SHAW, West Chehalem.  
The FORDSON tractor is just what I need as extra help on the farm. It is doing all that I could ask.
- C. P. JOHNSON, Newberg.  
I would recommend the FORDSON. No farmer should be without one. More work and better work can be done than with horses. Fuel cost is very low.
- MEADOWVALE FARM, Newberg.  
We are very satisfied with our FORDSON outfit.
- J. H. AGEE, Dayton.  
I would not take twice what I paid for my FORDSON tractor if I could not get another. I am perfectly satisfied with the work of the tractor and intend to use it more this fall and next spring than I have in the past.
- WILLIAM FORBES, Dundee.  
To say I am pleased with the FORDSON tractor is putting it mildly. It is the best tractor built.
