Word of Advice.

"Mr. Jobbles," said the head of the firm, "I notice there's a considerable item for meals in your expense account."

"Er—I was entertaining customers and prospective buyers, sir."

"All right. I'm not complaining, but I hope you will bear in mind that we are selling tractors and no lady of the chorus ever buys a tractor."

Birmingham Age-Herald.

Rifled Oil Pipes.

The principle of the rifled gun is applied to pipes for pumping oil. The crude oil of California is mostly thick, viscous and difficult to pump through long lines. Heating cannot be successfully applied to a long pipe, and mixing with water results in an emulsion from which the oil cannot be readily separated. The best means of dealing with these viscous oils is by means of a pipe rifled on the inside, so that the oil, mixed with about 10 per cent of water, is caused to whirl rapidly. The water, being heavier than the oil, seeks the outside and forms a thin film, which lubricates the pipe for the passage of the oil. The friction is thus so far reduced that the oil has been pumped easily through a line thirty-one miles long. The water and the oil come out entirely separate at the end of the line.

The Next President Asks You To Vote For Bob Stanfield

"All who are earnestly desirous that the Republican party shall take control of national affairs, to the end that we may restore the health of the Republic and insure the good of the country, will wish, as I wish, that the voters of Oregon may find it to their best judgment to support Robert N. Stanfield for United States Senator."

WARREN G. HARDING

The Next Vice President Wants Oregon to Send a Republican Senator:

"The success of the Republican ticket in Oregon is earnestly to be desired. More than that, my own desire to preside over a Republic Senate leads me to hope for and recommend the election of R. N. Stanfield to represent your great state in that honorable body."

CALVIN COOLIDGE

"Young Teddy" Makes the Same Request of You:

"Heartily endorse candidacy of Robert N. Stanfield for Senate. Apart from the fact that a Republican majority in the Senate is of vital importance just now, he is the type of man all the voters of Oregon should be proud to have represent them."

THEODORE ROOSEVELT

Taft Urges that You Vote for Stanfield:

"Election of Harding is assured, but he can do little unless he has a local Republican majority in the Senate and the House. I earnestly urge all who vote for Harding to vote for Stanfield."

WILLIAM H. TAFT

Hughes Believes in Stanfield

"I cordially endorse the candidacy of Robert N. Stanfield for United States Senate. In addition to Mr. Stanfield's qualifications for that office, it is of very great importance that there should be a Republican majority in the Senate to support a Republican President and make possible an efficient and successful administration. I sincerely trust that the people of Oregon will not fail to elect Mr. Stanfield."

Cole's Original Wood Heaters

are the foundation of more than twenty
years of remarkable and satisfactory fuel saving
and stove building. It was Coles who originated the
name "airtight." The service and reputation of these
stoves are as solid as the foundation of a skyscraper.
A million homes pronounce Cole's original Air-Tight
Wood heaters the foundation of their great fuel
economy and positive fuel saving.

The foundation of even steady heat.
The foundation of a strictly air-tight stove. The
foundation of durability.

No imitation stove can approach the
fuel saving, safety, convenience, durability,
artisticness, and the quality value of Cole's original
air-tight.

Place your stove needs on a firm
foundation by purchasing one of these re-
markable heaters. Beware of poor imitations, be
sure you get Cole's. Buy today and
help save fuel.
