

The financial resources of the Federal government are exemplified in New York by the activities within this magnificent building at the head of Wall Street.

In much the same way the financial resources of this community are exemplified by the work and activities of this bank.

Our deposits represent the thrift and prosperity of the people of the community, and they also represent the confidence of the public in the safety and responsibility of this institution.

Our wish is that all of the people of the community may be numbered among those whose savings are growing with us. The saving habit is your best insurance policy for the years to come.

Start a bank account with us today.

DUNDEE

Mr. and Mrs. Clark Noble made a business trip to Portland the last of the week.

Mrs. Newton W. Bailey and children have returned from a visit to Mrs. Bailey's mother in Corvallis.

Mrs. White entertained the members of the Epworth League at a Halloween party Saturday evening.

A largely attended dance was given at community hall on Saturday evening. Every one reports a good time.

Mr. and Mrs. Alex Allen of Vancouver, Washington spent Sunday with the homefolk at Park Hill home.

Mr. and Mrs. Bruno Homberger are fitting up the Clark Smith house and expect to move in the last of the week.

Mr. and Mrs. Walter Bailey and daughter, Virginia, and Mrs. H. E. Mills and son, Harlow, were Sunday guests at Otterbrook.

Miss Belle Leslie and George Leslie from Canada, have been visiting their sister Mrs. F. W. Meyer. Miss Leslie left Monday for China to fill a post as medical missionary.

Word has been received of the arrival of a boy to gladden the hearts of Mr. and Mrs. Keith Flower. Mrs. Flower's parents Mr. and Mrs. Roe Robinson are beaming with happiness at the dignity of being grandfather and grandmother. Mrs. Flower is one of the dearly loved Red Hills girls and all her friends are rejoicing with her over the arrival of her son.

A hurried reporter and an apparently equally hurried proof reader

made a bad looking column of the Dundee items last week. Your correspondent really does know the difference between "poles" and "polls" and begs your pardon for such carelessness. The other mistakes were probably due to poor chirography or else we will blame them to the hapless "typo."

While Dundee turned out a large voting percentage of the residents of the district at the general election, 222 votes being cast, interest in the city election was not very keen. There was but one ticket in the field and 22 votes were the total number recorded. A number of the young men of the community were put into office, Paul Groth heading the list as mayor.

Miss Ida Kay and Francis Keyes surprised their friends by slipping away Tuesday and being quietly married. As soon as the notice of the marriage license was read in the paper congratulations and best wishes began to shower upon the happy pair. A number of their young friends serenaded them on Monday evening. On Saturday evening Mrs. F. T. Keyes entertained for the young couple at the same time honoring the birthday of Miss Bernice Keyes.

The meeting of the Parent-Teachers association at the schoolhouse on Tuesday afternoon was the most largely attended of any meeting of that society for the past year. Election of officers and other business occupied the greater part of the time, after which a social hour was enjoyed. It was decided to hold the next regular meeting in the evening of the first Tuesday in December instead of in the afternoon as has been the custom, it being more convenient

not only for the teachers, but also for most of the parents of the district to attend on evening session.

A wedding of very much interest to the residents of Dundee was that of Miss Laurel Alford and George William Thurlwell which took place at the home of Mrs. Moor, 1110 East Hancock street, Newberg, on Tuesday evening of this week. Only the immediate family and a few friends were invited. It was the eighteenth birthday of the bride, and her former schoolmates from Dundee who were guests were delighted to help her celebrate in such a novel way. Laurel was lovely in a beautiful gown of brown silk velvet, with a corsage bouquet of pink rose buds. She is the only daughter of Rev. J. G. Alford, formerly a resident pastor in Dundee, and has a wide circle of friends here who will be glad to know of her new happiness. The ceremony was performed by Rev. Gibson of Newberg. Delicious refreshments were served and all present enjoyed the happy occasion. The groom is in business in Portland where their new home will be established. Mr. and Mrs. Thurlwell were the recipients of many beautiful gifts.

"DOUBLE SIX" I. O. O. F. HAS BEEN ORGANIZED

An organization of various lodges of Odd Fellows and Rebekah's has been recently formed whereby the memberships of both branches of this order located in Sherwood, Newberg, Tigard and Wilsonville, Scholls and Tualatin meet together in a social way at least once each month.

The name, "Double Six," indicates the number of branches of the order making up the association, and the results from the first meeting held in Sherwood one month ago and the second meeting in Scholls last Saturday are flattering beyond most sanguine expectation.

The "Double Six I. O. O. F." has a corps of energetic and enthusiastic officers who are doing a good work for the promotion of fraternity and friendship with the membership.

A large delegation from Newberg made the trip to Scholls via the Highway to Tigard.

NOTICE OF SCHOOL MEETING

Notice is hereby given to the legal voters of school district no. 29, of Yamhill county, state of Oregon, that a school meeting of said district will be held at the grade, on the 27 day of November, 1920, at two o'clock in the afternoon to vote on the proposition of levying a special district tax.

The total amount of money needed by the district during the fiscal year beginning on June 21, 1920, and ending on June 30, 1921, is estimated in the following budget and includes the amounts to be received from the county school fund, state school fund, special district tax, and all other moneys of the district:

BUDGET

Estimated Expenditures
Teachers' salaries \$34,800.
Apparatus and supplies, such as maps, chalk, erasers, stoves, curtains, etc. \$400.
Flags \$30.
Repairs of schoolhouses, outbuilding or fences \$1,000.
Improving grounds \$500.
Transportation of pupils \$1,000.
Janitor's wages \$1,700.
Janitor's supplies \$500.
Fuel \$1,500.
Light and power \$600.
Water and telephone \$125.
Clerk's salary \$600.
Postal and stationery \$40.
For the payment of bonded debt and interest thereon, issued under sections 117, 144 to 148, and 422 of the school laws of Oregon, 1917 \$2,600.50.
Interest on money borrowed, \$250.
Insurance \$300.
Incidentals \$500.
Sinking fund \$5,000.
Total estimated amount of money to be expended for all purposes during the year \$51,495.50.

Estimated Receipts
From county school fund during the coming school year \$11,717.34.
From state school fund during the coming school year \$1,720.
Estimated amount to be received from all other sources during the coming school year \$2,500.
Total estimated receipts, not including the money to be received from the tax which it is proposed to vote \$15,937.34.

Recapitulation
Total estimated expenses for the year \$51,495.50.
Total estimated receipts not including the tax to be voted \$15,937.34.
Dated this Third day of November, 1920.
Attest:
W. W. Nelson District Clerk.
V. A. Vincent, Chairman Board of Directors.

Ford

The Universal Car

The Quality Car

You think of the Ford car as the lowest priced car. Did you ever think of it as the real quality car of the world? Its rear axle is only one inch in diameter; its frame weighs only nineteen pounds; the fenders are no larger than your little finger, yet a 200-pound man can stand on the extreme end of one of them without bending it.

The entire chassis weighs only 1080 pounds—the lightest automobile chassis in America—so all parts correspond in lightness with those mentioned above. Yet you know from real experience what that wonderful chassis will stand. Its quality and the quality of every part in it is proved by the loads these featherweight parts carry over all kinds of rough roads. Every part is vanadium or molybdenum Steel—with three to four times the strength of ordinary steel, because of Ford heat treatment methods. If freight cars were made of the same quality material they could weigh one-fourth of their present weight and still carry the same loads safely. "You can pay more, but you cannot buy more" than the sturdy strength and power of the Ford car. The Ford Sedan has all this quality and strength with the beauty of an electric, the comfort of the enclosed body and a price made possible by quantity production. Below you will find listed the prices now in effect on Ford cars

F. O. B. Newberg

Chassis	\$485.20	Touring with starter	\$649.58
Roadster Reg.	\$529.84	Coupe with starter	\$894.28
Roadster with Start.	\$602.73	Sedan with starter	\$946.34
Touring Reg.	\$576.70	Truck, pneumatic	\$674.98
