

U.S. NATIONAL BANK, WALL ST., ON SITE OF OLD CITY HALL WHERE WASHINGTON TOOK THE OATH OF OFFICE AS FIRST PRESIDENT.

- ☛ The financial resources of the Federal government are exemplified in New York by the activities within this magnificent building at the head of Wall Street.
- ☛ In much the same way the financial resources of this community are exemplified by the work and activities of this bank.
- ☛ Our deposits represent the thrift and prosperity of the people of the community, and they also represent the confidence of the public in the safety and responsibility of this institution.
- ☛ Our wish is that all of the people of the community may be numbered among those whose savings are growing with us. The saving habit is your best insurance policy for the years to come.

Slicing hard-boiled eggs will be easy and successful if the knife is held in hot water before using it. Do not wipe the water from the knife.

Broken umbrella ribs are often caused by rust. Occasionally apply a drop of machine oil to each point of the umbrella frame and raise and lower the umbrella several times. This treatment will double the life-time of the frame.

Save the best parts of silk or fine shirtwaists and make into handkerchiefs. Crochet a border of short stitches near together, about seven, then a picot of four chains, all around.

Nice for sandwiches—A small can of Spanish pimentoes, one cream cheese, 1/4 pound walnuts, salt and pepper. Grind pimentoes and nuts together and mash in the cheese; pack in a jelly tumbler. It will keep a long time.

The cover of a lard pail is very convenient to place over the burner of a gas stove when heating something in a small dish or cup.

Onions may be boiled down until there is very little water, then thicken with butter, flour and milk; season and serve.

Use the water in which vegetables are boiled to add to soup stock. If you have no stock simply thicken any vegetable with a sauce made of milk, butter and flour and salt and pepper and serve this as a soup.

If lemons are placed in cold water and allowed to stand a little while they can be grated more easily and in much less time than when dry.

An easy way to sprinkle clothes is to dip a whisk broom in water and shake over article to be sprinkled. Use hot water to sprinkle with when in haste to iron, as it penetrates and dampens more quickly.

From time to time there have appeared in this column suggestions for allaying dust in carpet sweeping, in which the writers invariably urged the use of salt. Recently the editor of this column received a communication from a reputable carpet cleaning concern relative to those suggestions.

Always heat an aluminum cooking utensil before putting your food to cook; as aluminum heats slowly, this hastens the actual cooking period.

After roast or boiled meat has become cold cover with cloth wrung out of cold water, to prevent the outside becoming dry.

When you have frosted a cake and it does not look smooth try dipping a knife in hot water, then smoothing the frosting with it.

Scald milk that you wish to be sure of keeping with its souring. A double boiler is good to use. If milk is just on the point of souring add one teaspoon cooking soda to a quart, and it may be used for either baked or cornstarch puddings.

When using marshmallow cream heat the spoon and the cream will come out without trouble.

**NEWBERG PEOPLE SEEING THINGS AWAY FROM HOME**

That the Los Angeles Chamber of Commerce never loses an opportunity to advertise is evidenced from the note given below which was mailed to the Graphic:

J. W. Arnett and Mrs. Mary Arnett, from Newberg, were visitors on December 2, at the big exhibit of Southern California products maintained free to the public in the Los Angeles Chamber of Commerce. They also attended the lectures and motion pictures that are a part of the daily program. The exhibit is the largest of any in the country maintained by a commercial organization. Before returning home, they expect to visit several of the many other places of interest in the Southland.

**DR. VAN VALIN ELECTED PRESIDENT OF DENTAL SOCIETY**

Thirteen dentists representing the Marion-Polk Yamhill county society banqueted at the Imperial Hotel Saturday night, after which a clinic, in the office of Dr. E. H. Utter, depicting the various phases of cast gold inlay work, was participated in by all the members present, under the direction of Dr. Fred Ellis of Salem.

The above counties have a live wire organization the purpose of which is to keep abreast of the latest advances in the dental profession and to perfect technique for various operations in the mouth.

Dr. Ralph W. Van Valin was elected president of the society for the ensuing year. Dr. Burton of Salem, Vice President and Dr. Johnson of Salem, secretary and treasurer.

The next monthly meeting will be held in Woodburn. The subject for discussion will be "Business Methods in a Modern Dental Office," presented by Dr. Appleby of Mt. Agel.

reader of Capper's Weekly, points out that every fourth President since Lincoln has been assassinated, and that President-elect Harding will be number four in the fatal succession. Here is the list as he gives it: Lincoln Johnson Grant Hayes Garfield Arthur Cleveland Harrison McKinley Roosevelt Taft Wilson Harding

This does not account for the attempt made on Roosevelt's life while he was President. Fate, certainly, can find something better to do than inspiring lunatics to weave a homicidal pattern in our line of Presidents.
