Mr. Ross, of McMinnville, president of the association and Casey Jones, secretary of the state association were present. The dealers decided to adopt a cash basis after January. The next meeting will be held at Sheridan.

John F. Pettingill is home from Portland where he has been in the employ of the Union Meat Co. for the past two years. He is one among an army of employees who are being laid off by the various firms in Portland, awaiting the period of normalcy we have been hearing about. The hope is being held out that soon after the ushering in of the new year the situation may begin to clear up to some extent.

C. R. Wilson, county clerk, was down from McMinnville Tuesday evening in company with Walter Hembree, postmaster, who is buying some of the lock-box sections that have been made vacant in the Newberg office, owing to the inauguration of free delivery.

It seems a bit early for making weather forecasts for next season, but Charley Jones, while standing on the street in the rainstorm a few days ago, was heard to remark that he looked forward to a very hot dry spell next summer. Just what he was reasoning from deponent sayeth not, but it must be admitted that Charley, as a philosopher, must be reckoned with.

The Gift Season Is On

Many persons wonder what to buy to give to those near and dear to them.

**A Vacuum Cleaner An Electrical Washing Machine
An Electric Iron An Electric Toaster
An Electric Grill A Headlight Heater**

Something useful, handy, that lightens the household duties and affords pleasure and comfort in the home are the gifts that are appreciated.

There are many electrical devices that offer the highest value of service, and render practical and beneficial results. Here are a few of them.

The more expensive devices we arrange terms to suit the convenience of the purchaser.

Call at our office and inspect these articles.

We sell strictly first class, high grade, electric merchandise at prices within the reach of everybody.
