Money he earned and saved while a village youth he spent on an education. As a bank

clerk, later, he was studious and thrifty. At middle age a great financier, Knox lectured and wrote about banking topics and as Comptroller of the Currency he helped refinance the government after the Civil war.

Are you preparing for future prosperity and comfort by saving regularly a part of your earnings? Will you be able to take advantage of opportunity for profitable investment when it comes? Could you weather a sick spell without going heavily in debt?

Be able to say YES to these questions a few months hence by starting a savings account with us with a part of your pay this week. Watching that account grow will stimulate your energies.

Multiply your money in our care.

DUNDEE No. 2

One of the nicest little social events of the season was a dinner party given in honor of Emil Sander and Miss Frances Eddens, by Mr. and Mrs. A. Wolskey at their home which was beautifully decorated with evergreen, and now and then a bunch of mistletoe could be found hanging from a doorway or chandelier. Real dainty little place cards told each guest where he or she was to sit in order to enjoy the delicious dinner that was served. Besides the guests of honor those present were: Lee Eddens, H. B. Powell, Miss Carrie Allen, Miss Vera Jones, Miss Pauline Powell, Miss Isabella Allan, Miss Avis Eddens, Miss Selma Wolskey, Roy Eddens, Elmo Shannahan, David Marr, Uel Marr, Allen Baker and Fred Hutchinson. A wonderfully pleasant evening was spent by every one.

An interesting program is in store for all who attend the church on Christmas eve. All are urged to be present.

Mrs. E. S. Greer is home from her extended visit at Spokane, Washington.

Mr. and Mrs. J. D. Gordon, of Newberg, are to be entertained at the W. J. Gordon home Christmas.

A bunch of the old time basket ball players clubed together, called themselves "Prune Packers" and packed off a real victory from the Y. M. P. C. last Friday night. Two of the better Y. M. players were unable to enter the game and this added to the victory of the "Packers." The lineups and individual score was as follows:

| | |
|----------------------|------------------|
| Y. M. P. C.—(5) | 'Packers'—(36) |
| Leland (2) | F (14) Livengood |
| Neiderberger, P. F. | (8) Billieh |
| Neiderberger, A. (4) | (6) Parrett |
| Marr | G Vestal |
| Buckley | G (8) Groth |
| Robertson, H. G | |
| Robertson, M. C | |

The Young Men's Progressive club is planning something for a big time on New Year's eve. Believe us it pays to take notice when this organization plans something.

David Marr and Elmo Shannahan came home Saturday and will be with us until after the holidays.

Revival meetings will be held during the holidays, with a different minister each evening.

JAPANESE SCHOOL BOY TELLS OF 1920 WORLD EVENTS

A chronology of the principal world happenings in 1920 is a feature of Hashimura Togo's monthly letter to the editor of Sunset, for the January issue (as interpreted by Wallace Irwin.) Says Togo:

During those 12 mos. Folling calamities, amidst much more, collapsed for the human race:

Peace—That continue all over Europe with Gen. Wrangle in Russia and Gen. Quarrel in Germany. Balshaviki defeat Poland by leaving 100,000 prisoners there.

Wall Street—Exploded by a bum of unknown nationality.

Leg of Nations—Adopted by Republican party with 14 points missing.

Prohibition Movement—Several celebrated crimes committed by men too sober to know what they are doing. Last Wedsdy 11 bottles self-made wine was robbed away from backside of my fruit-store establishment. Mexican gentleman found dead next morning beside one (1) empty bottle. Will he be punished in next world for his wickedness or shall I have him arrested?

Japanese Problem—It is being settled by Congress while California is being settled by Japanese.

Railroads—They were upset by Government then turned over.

Express—You can tell it from freight by the label on the box. This joke would sound delicious in Japanese.

Wireless Telephone—By this marvelous invention San Frisco (Cal) can call up New York and get the wrong number.

Income Tax—This make wealth so expensive that only the very poor can afford it. Hon Sir Tax are a pretty mean bookkeeper, thank you.

And so on onwards, Mr. Editor and liberatine.

HELP ENFORCE THE LAW.

"Let reverence for the laws be breathed by every American mother to the lapping babe that prattles on her lap; let it be taught in schools, in seminaries and in colleges; let it be written in primers, in spelling books, and in almanacs; let it be preached from the pulpits, proclaimed in legislative halls and enforced in courts of justice; in short, let it become the political religion of the nation, and let the old and the young, the rich and the poor, the grave and the gay, of all sexes and tongues and colors and conditions sacrifice unceasingly upon its altars."—Abraham Lincoln.

DUNDEE CHURCH

The Dundee, Sunday school, will give an entertainment Friday the 24th, at 8:00 p. m. in the M. E. church. Santa Claus will arrive in due time to present the children a gift. The public is invited.

Revival meetings will commence Sunday, the 26th, and continue for ten days or more. Rev. Tabor, the pastor, has asked a number of the neighboring pastors to fill the pulpit during this series of meetings. Not only Methodist ministers, but pastors of different denominations. These meetings will be interesting from the very beginning. Do not fail to hear these men.

Best Grade Lard and Cooking Oils

There are many grades of lard and the price usually governs the quality. However, we can supply you with a high grade at a moderate price.

We can also give you some very good values in imported olive oils and all the various cooking oils that you might need, for cooking and salads.

Our oils comply with all the requirements of the pure food laws, so you can be sure their quality is right. —And so are the prices.
