

Newberg High School News EDITED BY STUDENTS OF THE ENGLISH DEPARTMENT.

These notes were edited this week by the following students of English VI class. Editor: Eda Cate Assistant editor: Florence Heater Copy Readers: Bernice Bullack, Myrl Allmon. Reporters: Helen Everest, Juanita Atkinson, William Haveman, Stella Peters, Perry Bradley.

PROF. STETSON FROM O. OF O. ADDRESSES STUDENTS

On Friday evening, March 18, Professor Stetson from the University of Oregon, addressed the student body. He urged us to get the greatest benefit possible out of high school and gave three ways in which we could attain it: First, cultivate the ability to speak in public; secondly, cultivate the ability to work hard, and thirdly, try to find your special ability and train for it.

NEWBERG GIRLS DEFEAT SHERIDAN

Last Friday night, March 18, our girls' team defeated the Sheridan girls' team 8 to 7. It was a warmly contested game from start to finish. After the game the Sheridan girls were entertained with a supper and party. The line-up was as follows: Newberg: Hazel Sutherland and Mary Sanders, forwards; Mabel Southerland and Mae Waterman, centers; Reatha Nath and Mary Harmon, guards; Margaret McVey and Grace Colby, subs.

INTERESTING TIMES IN COMMERCIAL LAW CLASS.

Commercial Law is part of the high school curriculum this semester for the first time in three or four years. Mr. Knapp, instructor for this subject, makes the work very interesting for the students. He is especially fitted for this position because of fifteen years' experience as a notary public.

The text book used is Huffcut's "Elements of Business Law," which gives a clear, concise statement of the fundamental principles of commercial law, and simple, concrete examples showing their application to actual business transactions.

The class voted unanimously to continue the custom of a Friday morning law suit where some knotty problem of the week is brought to trial before a judge. The students take great interest in conducting these law suits, the instructor's only duty is to appoint the judge and principals in the case. A case for trial by jury is promised in the near future.

MRS. WATERMAN ENTERTAIN

Mrs. M. B. Waterman delightfully entertained the high school faculty and board of education at a social evening on Tuesday at the high school. The guests were received into the

domestic art room which had been especially decorated with ferns and flowers.

As a part of the evening's entertainment a reading was given by Miss Laird, solos were rendered by Miss Sims, accompanied by Myrl Allmon, and Gus. Hanke, accompanied by Miss Hanke, a violin solo, by Mae Waterman with Mary Harmon as piano accompanist.

Mrs. Waterman was assisted in the decoration and serving by the domestic science girls.

Mrs. Waterman, in behalf of the domestic science department, wishes to thank the Parent-Teacher association for the gift of the bowls.

ERIN GO BRAGH!

Green was the dominant color of Newberg high on St. Patrick's day for the whole school was celebrating the birthday of St. Patrick. When school opened Thursday morning the seniors were arrayed with green ribbons and ties. The other classes appeared with shamrock, green sweaters, and dresses.

THE PROPERTY MAN

The student body play, "Strenuous Life," which will be presented to the public sometime next month, was well named. Now, if some of my readers will want to know why, I shall try to give them a good clear reason for that statement.

Take for instance our property man, Mr. Richard Joyce. One morning the news was slowly broken to him, that he was to become property man for "Strenuous Life." He accepted the position, probably thinking he had a "snap."

Things went along for a week or so very nicely, and nothing disturbed his quiet state of mind. But suddenly the blow fell out of a clear sky. He is besieged now on all sides by actors and play directors, who ask innumerable questions. First it's "What is the scenery going to be?" "Have you got prices yet?" "You ought to put a window there, a table here, a door there or over there."

However, strenuous this might seem, it's only the beginning. For

ENGLISH II CLASSES HAVE SPELLING CONTEST

On last Friday, the three divisions of English II had a spelling contest consisting of fifty words taken from the spelling lessons in the class text book.

The general average of the first division was 80 per cent, of the second, 88 per cent, and of the third, 90 per cent. Edith Hollenbeck was the only one who received 100 per cent.

Other contests will follow and an effort will be made by each student to raise the average of his division.

THE STUDENT COUNCIL

The government of the high school is much the same as that of the city. The principal governing body in the school is the student council. This council exercises numerous powers; all matters of importance arising in the student body and unprovided for in the constitution are presented to the council. The principal duties of the council as outlined in the constitution are: First, the student council shall make and amend rules and by-laws for the government of the student body and the interpretation and execution of the powers of the constitution and, shall exercise all powers granted to the student body by this constitution.

This council is composed of six voting members, a chairman and a recorder. The President of the student body is the chairman of the council and has the right to veto any measure. The treasurer must be a faculty member but may vote in the council. Each class has one delegate in the council to represent it and each delegate has a vote. The presidents of the four classes are honorary members of the council. They may attend the meetings and may at times express their opinion

on subjects before the house but can not vote.

Acting members of the student council of the Newberg high school are, E. H. Ross, principal and Mrs. Mabel Waterman treasurer, Richard Joyce is the president and Mona Timberlake serves as recorder. The seniors are represented by Eda Cate, the juniors by William Haveman, the sophomores by Gus. Hanke, and the freshmen by Walter Cole.

It was noticed that a great many of the high school students worked extra hard during the forepart of the week preparing for the examinations which took place Wednesday and Thursday. It has been observed since that some of them look worried since the examinations, and others look relieved. Many pupils, those having grades above ninety per cent, were exempt. Altogether, it has been a strenuous week for many and it is hoped that no bad results will follow.

NEW SCHOOL DISTRICT BEING PETITIONED FOR

On April 6th, 1921, at the hour of 1:30 p. m., in the county court room in McMinnville Oregon, the District Boundary Board for Yamhill County Oregon, will consider a petition asking to have the western portion of

school district No. 29, the Newberg school district, set off as a separate school district. The Eastern boundary of said proposed district is the Eastern boundary of the Matthew Hall Donation Land Claim. That line is to be the deciding line between the proposed new district and what will be left of the Newberg district, should the change be allowed by the Boundary Board.

S. S. DUNCAN, School Supt.

ANOTHER BASKET BALL GAME

A basketball game will be played next Tuesday evening at 7:30 at the high school gym, between the boys' classes of the Baptist and Presbyterian Sunday schools. Tickets are being sold at 25 cents. Admission for those under high school age, 10 cents. Everyone come and see the great game.

Notice to Potato Growers.

There seems to be a large stock of potatoes in this section. If a sufficient number of replies are received we will call a meeting in the near future to take up the matter of disposing of this stock. All persons interested are requested to communicate with O. F. Kilham, stating the quantity of marketable potatoes you wish to dispose of. President Newberg Farmers Club.
