CITY HONORS MEMORY OF DR. LITTLEFIELD FUNERAL SERVICES HELD TODAY

Newberg Lodge A. F. & A. M. Cooperate With American Legion in Ceremonies—Stores Close.

All Newberg was shocked and saddened last week to learn of the death of Dr. Harry Littlefield, which occurred at Tucson, Arizona, on Friday, April 15. Dr. Littlefield had gone to that place last September to get relief from a consumptive condition brought on as a result of being gassed in the Argonne and although at first his condition seemed to improve, it soon was apparent to those who knew that he could not overcome the handicap of the disease.

Dr. Littlefield was born at Lafayette, Oregon, April 11, 1875. He graduated from the University of Oregon Medical college in 1897 and soon after enlisted for service in the Spanish-American war, being sent to the Philippines, where he was stationed for the duration of the hostilities. He came to Newberg in 1903 and took over the practice of his brother, Dr. Horace Littlefield, who passed away shortly after this. From that time up to the time of his going to Arizona last fall, he followed his profession here in Newberg continuously with the exception of the time spent in service during the late world war. He was a captain in the medical corps during his service in the Spanish-American war and during the late war was raised to the rank of major.

For many years he was associated with Dr. E. A. Romig in his practice, but upon his return from the late war he became associated with Dr. J. W. Barcroft.

The remains were brought to Newberg on Wednesday and were escorted to the Littlefield home that afternoon by a guard from the American Legion and lay in state at the home up to the time of the funeral.

Dr. Littlefield was one of Newberg's most prominent citizens and in token of this, the city council at its session this week issued a proclamation asking that all business houses close during the hours of the funeral, and this request was largely complied with by the business men.

The funeral was one of the most largely attended of any held in Newberg in many years and was held under the joint supervision of the Masons and American Legion.

Services were conducted at the Presbyterian church at 2 p. m. Thursday afternoon, Rev. Bowersox, pastor of the Portland Evangelical church officiating. Music for the service was furnished by Mrs. Georgia Babcock and Miss Evah Hadley and consisted of a solo by the former, "Face to Face," and two duets, "Beautiful Isle" and "Lead Kindly Light."

A casket was secured from the Vancouver barracks for the occasion and the casket placed on this for transportation, a team of four large horses being used. A bugler from the Vancouver barracks was also present. Six active pall bearers were furnished by the American Legion and eight honorary pall bearers by Masons. The active pall bearers were: A. P. Fessler, George Nichols, A. W. Heater, W. E. Thomas, V. M. Groff and C. A. Evans. The honorary pall bearers were: Dr. E. H. Tucker, Dr. Cornelius and Dr. Yenn, all of Portland, and Dr. John W. Barcroft, George Lutz, Lynn B. Ferguson, R. J. Moore and Walter Mills of Newberg. The casket was draped with the American flag and a color guard was appointed by the Legion, as follows: J. R. McDonald, sergeant; E. Duncan, J. C. Nelson and Walter Zurick.

Interment took place in the local cemetery and here the Masons had charge of the service, using their impressive burial service. A firing squad from the Legion gave a salute. The squad was composed of B. J. Groth, lieutenant in charge; Ray Russell, corporal; E. S. Moore, C. J. Zumwalt, W. C. Newman, D. C. Morris, J. J. Morris, H. H. Rockwell, R. E. Wanless and A. S. Livengood. Taps were then sounded as the close of the service.

A brother, Judge E. V. Littlefield, of Portland; a step-mother, Mrs. H. R. Littlefield, of Portland, and the following nieces and nephews, Robert Bradshaw of The Dalles, Hobart Littlefield of Oregon City, Mrs. Lella Eldredge of Newberg, and Mrs. Hazel Davidson of St. Paul and Forest Littlefield of Portland were all expected to be in attendance at the funeral.

Dr. Littlefield was too well known in Newberg to call for any eulogistic remarks from us. He always was active in civic affairs and was considered to be one of the very best physicians and surgeons in the state. His genial disposition and general good nature won for him the friendship of a very large number of people who will feel keenly his being taken away.

"A STRENUOUS LIFE" PROVES A GOOD PLAY

HIGH SCHOOL ACTORS MAKE HIT

A Full House Greeted High School Play at Wood-Mar Hall—Cast Goes to Sherwood Saturday.

"A Strenuous Life" proved to be one of those highly humorous plays which always take so well, and as put on by the local high school students at Wood-Mar hall last Friday evening it was a decided success. Fully four hundred persons were in attendance and pronounced the work of the high school amateurs as excellent.

The play was staged in a college environment and centered around the duplicity of one Tom Harrington, a football captain. Harrington's deeds provided humorous complications, which proved highly ludicrous to the audience although decidedly embarrassing to himself. Of course there is an element of love in the play as well as a character part, which is furnished by the Japanese boy. The work was all good and the students were so greatly encouraged by their local success that it has been decided to give a repeat performance at Sherwood next Saturday night.

The cast is as follows:
Tom Harrington, football captain
Reginald Black, his chum
Chester Newlin
James Roberts, a Freshman
Frank Lutz
Prof. James, Prof. of Math
Ferris White
Byron Harrington, Tom's father
Gus Hankie
Dan Davenport, a rich miser
Edward Kirkpatrick
Dawley, a bill collector
Prof. Magee, "Gym" director
Harold Edwards
Nagata, Japanese servant
Edgar Washbond
Marian Davenport, daughter of Dan Davenport
Le Verne Hodson
Ruth Thornton, Mrs. Wiggins' niece
Mona Timberlake
Dulcie Harrington, Tom's sister
Blanche Freedman
Mrs. Wiggins, the landlady
Agatha Potter
Widow Maguire, proprietor of a small store
Frances Nye
The Freshmen
Henry Fitzpatrick, Perry Babcock
Lynn Switzer, George Wellinger
Property Man, Richard Joyce
Music was rendered by Mae Waterman and Mary Harmon.

AN IMPORTANT MEETING OF THE NEWBERG FARMERS CLUB

A meeting is to be held in the cannery auditorium Saturday, April 23, at 2 p. m., to discuss the possibilities of growing broccoli in this section. A number of growers plan on putting out considerable acreage. The idea is to get enough acreage lined up to make it worth while for the cannery to handle, or to enable growers to ship out in fresh state. O. A. C. advises this crop can be grown here to excellent advantage.

Another matter that will be taken up will be that of working out plans for getting behind and helping to push "The Berrians" idea. The Farmers' Club should take a very active part in materializing this splendid idea.

We want every person interested in either one of these things to come to the meeting. It does not matter whether you are a grower or not.

Now is the time to start! Come Saturday!

Pres. Newberg Farmers' Club.

CELEBRATES 88TH BIRTHDAY

On Tuesday, April 19th, there were four generations present to help celebrate the 88th birthday of Mrs. Martha Rorabaugh at her home at 315 Blaine street. Mrs. Rorabaugh prepared most of the dinner for the twelve guests, even killing and dressing the chicken. After a bounteous dinner, which everyone enjoyed, the afternoon was spent visiting and listening to stories of Mrs. Rorabaugh's early life, which was very interesting. Besides the hostess the following guests were present: Two daughters, Mrs. Cora De Camp of Santa Monica, California, and Mrs. D. E. Fortune, of this city; Mr. and Mrs. E. H. Burns, Mr. and Mrs. Roy Fortune and little daughter, Elaine, all of Newberg. The out-of-town guests were Mr. and Mrs. J. C. Thompson and daughter, Beatrice, of "Thompson Villa," Troutdale, Oregon; Mrs. J. M. C. Miller of Sandy, and Mrs. Vivian Gordy of Graham. About 4:30 the guests departed wishing the hostess many happy returns of the day.

WOMEN'S WEDNESDAY CLUB WOULD SAVE THE TREES

The Wednesday Club are very much concerned over the cutting down of so many of our beautiful trees and have appointed a committee to see what could be done to control this spoliation of our natural beauties. In line with this we publish the following poem at their request:

I think that I shall never see
A poem lovely as a tree,
A tree whose hungry mouth is pressed
Against the earth's sweet flowing breast;
A tree that looks at God all day,
And lifts her leafy arms to pray
A tree, that may in summer wear
A nest of robins in her hair;
Upon whose bosom snow has lain,
Who intimately lives with rain,
Poems are made by fools like me,
But only God can make a tree.

So wrote Joyce Kilmer, he who died on the battlefields of tree-dead France.

ODD FELLOWS GIVE RECEPTION ON LAST THURSDAY EVENING

Members of Willamette Lodge No. 96 I. O. O. F., tendered a reception to Vesta No. 76 last Thursday evening, and a splendid time was enjoyed by all present.

A large delegation of visitors was present from Yamhill No. 20 and the Rebekahs of Dayton. After a short business session the evening was passed in a social way, enlivened by talks by new members, readings and music. The violin selections by Bro. Livengood, accompanied by Bro. Van Wormer at the piano, were highly appreciated. The readings given by Miss Helen Stanbrough, a talented young elocutionist of our city, were gems, excellently rendered. Sister Clark from Dayton was present with pupils from her class, five in number, who entertained the company with Hawaiian selections for the guitar, artistically executed. After an excellent supper, served in the dining room, followed by an hour of friendly exchange of best wishes for the future welfare of the loved order, the dignified participants "wended their ways homeward."

W. C. T. U. WILL HOLD AN INSTITUTE HERE WEDNESDAY

Wednesday, April 27, the W. C. T. U. will hold an "all day" institute in the M. E. church, beginning promptly at 10:20.

Dinner will be served at noon. All the ladies who wish to spend the day with us are cordially invited to come and bring well filled baskets, "and their husbands," and enjoy the noon hour, at which time we will have a "speaker" come and spend the day if possible.

A good program has been arranged for the afternoon. We expect to have Mrs. Swope with us and there will be other speakers and good music. Everyone interested in good work is urged to come and join with us.

This meeting is in cooperation with all the local missionary societies.

MOON IN ECLIPSE

The moon will go into total eclipse tonight when the earth comes between the night's luminary and the sun. The eclipse is scheduled to commence at 8:57 and to be total at 11:23, remaining so until 12:05. At 2:32 a. m. the moon will be entirely out of the shadow. Owing to the cloudy weather prevailing it is doubtful if this phenomena will be visible here.

NOTES OF INTEREST ON THE COUNTY SCHOOLS

The county school superintendent has spent the last month among the country school districts located in the hills. The roads in the hills are in such a condition that it is impossible to get over them in a car, so it has been necessary to drive as far as possible, then resort to walking to reach the schools. Every school in the county has been reached, however, and we can truthfully say we have found them in good condition generally, if hill roads are bad, but bad roads do not seem to affect the schools of the county.

The Lewis school, No. 6, is to have a new play apparatus.

Cloy Sloat of No. 8 will hold a basket social and entertainment in the near future. Watch for his announcement.

Miss Morin, of Broadmead, No. 95, will hold a parent-teachers' meeting on April 29th. We understand that both Miss Moran and Mr. Sloat have been offered their positions for the coming year.

Prof. A. B. Teats of Amity, and Prof. John Blough of Lafayette have been reengaged at increased salaries. This is a tribute to their worth that both men deserve.

Mrs. Mabel Washbond and Miss Gila Roberts, who have charge of the school in No. 10, have been retained

THIRTY RELATIVES PRESENT AT A BIRTHDAY ANNIVERSARY

On Thursday of last week Mrs. Nancy Pemberton, the mother of Mrs. W. E. Crozer, celebrated her 80th birthday anniversary at the Crozer home, out on Villa Road. All of her children and grandchildren living in the northwest came to help her celebrate, making a very happy reunion. Those present, besides Mrs. Pemberton and the Crozer family, were Mrs. I. A. Bates, the oldest daughter, her husband and three sons, Roy H., Clinton F., with their families, and Floyd E. and wife, all from Salem, and her daughter, Mrs. C. B. Coppock, and Mr. Coppock and their little son, from Turner, Oregon. From Vancouver, Washington, came Mr. and Mrs. G. H. Wilde and family, Mrs. Wilde being Mrs. Crozer's twin sister. Altogether thirty persons sat down to the birthday cake and other good things.

After a pleasant time spent in visiting and taking snap shots, the guests "wended their ways homeward," many happy returns of the day.

PACIFIC COLLEGE DEFEATED BY THE CHEMAWA INDIANS

Pacific College played the Chemawa Indians on the college diamond at this place last Friday afternoon what would have been a close and exciting game had it not been for errors in the third and eighth innings, which cost the local boys the game. The final score gave the Indians 9 to Pacific's 4, but, as stated above, this was hardly an indication of the quality of the game played. Chi Sing Pil for Pacific College held the visitors down to seven hits, while Bittler, for the red skins, allowed the college boys but four bingles.

In the third inning, after putting out his second man, Pil, thinking it was the third out, laid down the ball and started for the bench. However, the Indians did not have the same idea and before Pil could recover the ball and get it into play, two of the Chemawa boys had scored. Another error on the part of one of Pacific's outfielders in the eighth inning cost the collegians three more tallies and thus Chemawa secured the long end of a score which otherwise would have been 4 to 4.

Pacific College plays Pacific University at Forest Grove here tomorrow (Friday) and another good game is anticipated. McMinnville College defeated Pacific University at Forest Grove on April 8th, and the local boys expect to do the same thing.

CANNERY RECEIVER NAMED

Gilbert H. Charters, trust officer of the Title & Trust company, has been appointed temporary receiver of the affairs of the A. Rupert company, a packing concern, by A. M. Cannon, referee in bankruptcy, and will take charge at once. His appointment Wednesday followed the transfer of bankruptcy proceedings from the state to the federal court, and the filing of a \$10,000 bond, furnished by the Oregon office of the Fidelity & Deposit company of Maryland.

FIREMEN TO GIVE BIG SHOW NEXT WEEK

CHARLIE CHAPLIN IN "THE KID"

Also "The Toonerville Fire Brigade"—A Big Ten-Reel Show at the Star Theatre Three Nights

The Newberg Volunteer Fire department has made arrangements to give a big ten-reel movie show at the Star theatre next Monday, Tuesday and Wednesday, when the special feature will be Charlie Chaplin in "The Kid." This film was featured in Portland recently and is pronounced by those who saw it as Chaplin's best picture. In addition to this feature film, there will be another two-reel comedy entitled "The Toonerville Fire Brigade," and two other reels.

"The Kid" is the most striking venture of Charlie Chaplin into the field of six-reel attractions. The production is about three times the length of the comedian's previous pictures and is considerably more than three times funnier than anything he has done. The story has a real plot and the humor is caused by situations in a real story and is doubly laughable because of the comical antics Chaplin can always be counted upon in any situation.

The story carries so much delicious humor that in the hands of an ordinary actor it would be a comedy hit, but with Chaplin in the role of the foster father of "The Kid" the production is the fastest laugh-sustainer that has ever been issued in the form of a motion picture. It is deservedly designated as First National's six reels of joy.

The Fire Department is giving this show to help raise funds for the purchase of a new electric siren. This will be for the protection of every citizen of Newberg and everyone is invited to attend this show. There will be only one show given each night, owing to its great length. The show will start at 8 p. m. sharp. In addition to the three night shows there will be a matinee on Wednesday afternoon. This will be one of the biggest shows ever put on in Newberg and will be well worth the admission price.

D. L. Leton, who is connected with the general offices of the S. P. railroad at Portland, will resign his position with the company because of ill health and has accepted a position on a farm. Mr. Leton formerly lived in Newberg and is well known here.

YAMHILL COUNTY GRANGE TO BACK THE WOOL GROWERS

SHERIDAN, Or., April 19.—(Special.)—The Yamhill County Pomona Grange has endorsed the plan and organization of the Oregon Wool and Mohair Growers' association as presented by R. A. Ward, organization manager. A committee was appointed after the interests of the wool growers' association in Yamhill county, Henry Starr of Dayton, I. B. Shirley of McMinnville, J. B. and Holt Stockton of Sheridan and B. A. Smith of Carlton were named. All wool growers present took growers' contracts for themselves and neighbors and will assemble their wool for shipment to the association in carload lots.

Copies of the resolution asking that the federal farm loan banks again begin to function were ordered sent to Oregon's senators and representatives in congress, asking that they use their best endeavors to see that adequate relief was given speedily. Resolutions asking the Yamhill county court to adopt a system of financial accounting and record of court actions similar to the system used by some of the most progressive counties were also adopted, along with several other resolutions. The State Grange will be asked to meet at McMinnville in 1922.—Oregonian.

The recent meeting of the Yamhill County Teachers' association, which was held in Sheridan, was a success from every point of view. The weather was ideal, and the splendid paved road induced many teachers to enjoy the meeting.

The proposed annexation of the major portion of District No. 45 to District 48, the Sheridan district. At 1:30 on the same date, they will consider a petition asking for the formation of a new district from a portion of District 29, the Newberg district. Those interested should be present at the meeting.

COUNCIL CALLS FOR BIDS ON SIDEWALKS

LOAN FIREMEN \$500 FOR SIREN

Cemetery Bridge Committee Reports and Are Instructed to Build the Structure at \$250 Expense.

The city council met last Monday evening with the mayor in the chair and the following councilmen present: Bales, Palmer, Ormond, Moore, Zumwalt and Fitzpatrick.

Four resolutions were introduced relating to the paving of four streets as follows: Third street from River to Chehalis; Chehalis street from Third to Fourth; about two blocks at the west end of First street to connect the present paving with the highway, and the widening of the paving on east First street to the highway bridge.

Forty resolutions calling for bids on the various cement sidewalk projects were passed and bids will be received up to the evening of the first Monday in May.

Mr. Overend was present and addressed the council in behalf of the fire department asking that the council grant the department a loan of \$500 for the purpose of purchasing an electric siren. The department agreed to repay this loan within a year and will stand all other expense connected with the siren. The council, after making inquiry as to some of the details of the arrangement, voted to grant the loan.

R. A. Spirey petitioned the council for the privilege of moving a corrugated iron building from east First street to the lot adjoining the Graphic office, which is owned by Mr. Edwards. The matter was discussed and held over pending an investigation.

The committee which was appointed at the last meeting of the council to see about the erection of a bridge across the canyon from Wynooki street to the cemetery, reported that in their opinion it would cost \$250 to build the structure. The committee was continued and instructed to have the work done.

The council voted to issue a proclamation asking business houses to close during the funeral of Dr. Harry Littlefield and instructed the editor of the Graphic to have proclamations printed and scattered about town.

Councilman Palmer brought up the question of moving of cement curbs, which had been previously ordered in by the city and after discussion it was agreed that nothing be done in the matter.

The council adjourned sine die.

WHAT THE PRESS SAY ABOUT US

Nottage & Dimond, new owners of the Newberg Graphic, are getting off to a flying start. First page is dresy and newsy-looking; editorials pay some attention to Newberg's civic needs; city and country news are well covered inside; Newberg high school has its column; state news is summarized, and the advertisers have 33 of the 60 columns.—Oregon Exchanges, published by the School of Journalism, University of Oregon.

The Newberg Graphic came out last week under the management of Nottage & Dimond, two young men who recently purchased it from E. H. Woodward who just closed a thirty-year period as its editor and publisher. Mr. Dimond was at one time editor of the Commonwealth at Harrisburg and is well known in Linn county as a progressive, pushing newspaper man. The first issue bears evidence of good work both editorially and mechanically and indicates success for the boys in their new venture.—Lebanon Critterion.

The first issue of the Newberg Graphic last week under the management of Nottage and Dimond was a rattling good newspaper, and if the new owners maintain the same standard and Newberg responds as it should the outcome is assured.—Hillsboro Independent.

Chester Dimond, who was editor of the Commonwealth at this place six years ago, has just purchased the Graphic at Newberg, his old home town. He has associated with him in the work another Newberg printer-editor.—Harrisburg Bulletin.
