The Sunday morning preaching hour last Sunday was devoted to a Children's Day program by the Sunday School. Several pleasing numbers were rendered by the children. The choir sang a children's anthem which was beautifully adapted to the occasion.

In the evening the service was devoted to Flag Day. Dr. Gibson preached an unusually fine sermon encouraging a finer sense of patriotism, and a better appreciation of the significance of our flag. The men's chorus sang "Flag, Beautiful Flag," and the choir presented the anthem, "Stars and Stripes Forever," by John Philip Sousa.

We urge the Baptist Sunday school teachers and those who expect to be, to take advantage of this opportunity to train themselves for the most important work in life.

### CHRISTIAN CHURCH

Special mention should be made of the services of last Sunday. The morning service was well attended and the forty-five minute discourse on the Sabbath question was handled carefully and without any show of antagonism and it must be admitted that it was a clear presentation as was possible. Many requests have been made for a copy of the notes or a printing of the entire sermon for reference in discussing this question. The subject next week at 11 is the companion sermon entitled, "Why We Do Keep Sunday." The evening hour was splendid and great praise is due the children and especially the girls from the Fernwood Bible school for the ably presented program. The house was packed, even the aisles being filled and some having to stand. Taking all into consideration this is one of the most successful children's day exercises this church has witnessed. The offering was fine and with other contributions will amount to over \$30.

The summer is here but we are preparing for that bug known as old "summer slump." The Bible school shows no sign of decrease but we are anxious that it shall grow. Our classes are all standard and offer a splendid chance for Bible study for all ages.

Sermon topics for next Sunday. At 11 a. m. "Why We as Christians Keep Sunday." At 8 a. m. "Why one should join the Church of Christ." These will both prove worth while and should not be missed. A cordial

## LIVE STOCK NEWS

### IMPORTANCE OF BEST STOCK

Good Care and Right Kind of Feed Are Best Means of Preventing Underized Animals.

(Prepared by the United States Department of Agriculture.)

The importance of good breeding in the growth of live stock, and especially in the prevention of runts, is illustrated by the experience of an Indiana swine grower. "I started with stock," he remarks in a letter to the United States Department of Agriculture "direct from the foundation stock of the breed, and the results were satisfactory. When I had time to read of the work of other men, the results of feed composition and experimental feed trials, I took from these experiences what I thought practical for me to follow, and the results, though not exceptional, have been the natural results of good blood and good feed. One of my boars, farrowed in April several years ago, weighed 165 pounds the following September. At sixteen months he weighed 600 pounds, at twenty-eight months 850 pounds, and the following fall 1,015 pounds. This boar was one in a lot of 15, as uniform a bunch as I ever saw. Others grew into 600 and 800 pound hogs under farmers' care."

"In addition to good lines," he adds, "care and the right kind of feed are important means of preventing underized animals, but the most important of all is the man with the feed basket, for it is the eye of the master that fatteneth his cattle." So far as runts

are concerned, I have never found it profitable to raise them under any treatment. I have seen lots of before and after taking illustrations on paper, but not in the feed lot."

### Peace Pledge.

(Contributed.)

Evidence of the growth of sentiment opposed to all war under whatever pretext, is to be found in various directions but none is perhaps more striking than the adoption by the American Branch of the Women's National League for Peace and Freedom, of a pledge, which each member is urged, though not required to sign, reading as follows: "Believing that true peace can be secured only through reconciliation and good will and that no cause justifies the organized destruction of human life, I urge immediate and universal disarmament, and promise never to aid in any way the prosecution of war."

## A Message for the Man of the Family

Stay at home some Monday morning and get acquainted with wash-day. Rub and scrub and wring and lift scores of heavy, steaming pieces.

Wrestle with wash boilers filled with boiling water. Stoop and stretch and bend until back and arms are breaking.

Then, perhaps, you'll understand why mother is not looking so well this summer.

And you'll be glad to know that you can relieve mother of all this toil by having us do your family washing.

We'll wash everything so carefully that even the most critical can't complain, and we'll return your bundle with only a few light pieces left for mother to iron.

Try it this week. She'll feel ever so much better, and you will too. Just phone for our driver.
