 ings. The 2:30 meetings on each
 fourth Sunday will interest you and
 will be to your profit.

METHODIST CHURCH

 On last Sunday morning, Dr. Gib-
 son was voted whatever vacation he
 might see fit.
 On last Friday evening the Van-
 guards were most royally entertain-
 ed by the King's workers class at
 the home of Mrs. Z. L. Chamberlain.
 A part of the evening was spent on
 the well lighted lawn around a bon
 fire and the customary "hot dogs"
 were much enjoyed by over sixty
 guests.

CHRISTIAN CHURCH

Bible school, 10 a. m. Know the
 Book.
 Worship and praise, 11 a. m. A
 good sermon also.
 Junior C. E., 5 p. m. A live con-
 cern.
 Senior C. E., 7 p. m. Room for
 all.
 Sermon and song, 8 p. m. You'll
 enjoy this.

The large number of visiting
 friends at the evening service last
 Sunday was particularly gratifying
 to all the members. The church of
 Christ can never be a selfish insti-
 tution but must be prepared to make
 her service acceptable to the com-
 munity; the congregation which
 ceases to be a community asset
 ceases to merit any right to exist.
 It is the aim of this congregation to
 help make Newberg an even cleaner
 and more acceptable town in which
 to live than it is by the advancement
 of the principles of Jesus in the
 hearts and lives of the citizens. Our
 services are conducted to this end
 and all who are interested in His
 kingdom are cordially invited to be
 with us at all the services of the
 church.

Two sermons of particular inter-
 est are promised for next Lord's day.
 In the morning Mr. Phillips will
 speak on "Campbellism Exposed."
 All interested in religious matters
 should hear this. In the evening
 the topic will be, "Is The World
 Really Getting Worse?" No one
 should miss this sermon.

The C. E. hour is always well at-
 tended by the young people and is a
 fine way to spend an hour in pre-
 paration for the service which fol-
 lows.

The Bible school is still maintain-
 ing a splendid average and although
 there are a number of children away
 and some older members not always
 present, there is no great falling off
 in attendance. Get the habit of
 being with us at 10 a. m.

The grounds of the church now

have a more acceptable appearance
 and with a few other alterations
 and improvements it is hoped will
 become more attractive as time
 passes.

C. H. Phillips, Pastor.

FRIENDS CHURCH

The morning meeting for worship
 will begin at eleven o'clock. The
 evening service at eight. "Blessed
 is the Man Whose Watch Keeps the
 Church Time as Well as Business
 Time." Come.
 Fred E. Carter, Pastor.

BAPTIST CHURCH

9:45, Sunday school, R. E. Gray,
 superintendent. The Sunday school
 is the child of the church. The re-
 sponsibility rests with each member.
 Preaching by W. R. Jewell morn-
 ing and evening.
 Wednesday evening at 8, prayer
 meeting.
 Friday at 2:30, Adelpian society
 will meet at the church. It is very
 important, for the success of all
 these meetings, that you come.

YAMHILL COUNTY COMMUNITY FEDERATION TO MEET JULY 19

On July 19, 1921 at 8 p. m. at the
 Commercial Club rooms of McMinn-
 ville, Oregon, the Yamhill County
 Community Federation will hold its
 next meeting which will be for the
 purpose of a more close coordination
 opened for the interest in general
 of Yamhill County.

The new organization which
 found its birth at the Yamhill County
 forum, which now is entirely re-
 placed by it. The Yamhill County
 Community Federation has a con-
 stitution and by-laws that are elas-
 tic and progressive enough to do
 things, yet concrete enough for safety.

If you are completely satisfied
 with your every detail in County,
 State and Nation then you should
 stay in your little rut at home and
 continue kicking which will soon
 deepen into your last resting place,
 your grave. Which then, it can be
 well and fittingly said, "He con-
 tinues sleeping but kicketh no
 more."

This organization will be what
 you make it; there is much to do so
 remember the date and come. The
 program committee has arranged for
 a fitting entertainment for the night
 which in conjunction with the busi-
 ness, will make the evening well
 spent.

The Yamhill Community Federation,
 L. L. Thornton, Sec.

ROYAL ANNES SHIPPED EAST

Nearly 300 tons of Royal Anne
 cherries have been shipped to eastern
 points by the Oregon Growers Co-
 operative Association. Due to the
 perishability of this variety of cher-
 ry it is not usually shipped to far
 eastern points in large quantities,
 but all early reports indicate that
 the cherries went through in un-
 usually good shape. In addition to
 these, over 100 tons of black cherries
 have been shipped.

One of Ford's Nuts

A young man applying for work
 in a Wichita motor repair shop the
 other day said that he had worked
 for three years in the Ford manu-
 facturing plant.
 "What department were you in?"
 asked the prospective boss.
 "I was the man who tightened the
 twenty-third bolt," replied the
 young man.—Kansas City Star.

**MODERN
 CRANKCASE
 CLEANING
 SERVICE**

**How often
 should your crankcase
 be CLEANED?**

Automobile manufacturers carefully recommend, in their Books of
 Instruction, regular draining and cleaning of the crankcase.

This is necessary because engine operation causes road dust, carbon,
 fine metal particles and other impurities to accumulate in your crank-
 case oil. This gritty oil circulates through your engine, impairs its per-
 formance and ultimately leads to rapid depreciation and repairs.

To meet this need, Modern Crankcase
 Cleaning Service has been established by
 first-class garages and other dealers, co-
 operating with the Standard Oil Company.
 These garages and dealers use Calol Flush-
 ing Oil, the scientific agent that cleans
 out old oil, dirt, grit and other impurities,

and does not impair the lubricating effi-
 ciency of fresh oil used. The cleaned crank-
 case is refilled with the correct grade of
 Zerolene.

Look for the garage or dealer displaying
 the sign shown above—it means "Better
 operation and longer engine life."
