The doctor states that every Oregonian should visit this lake as it is one of the beauty spots of the world and is easily accessible during the summer months.

Newberg is to have an exhibit at the state exhibit in Portland. This exhibit is a permanent one being maintained by the state and being situated where thousands of visitors from other states call and see it frequently. There has never been any exhibit from Yamhill county and those having the exhibits in charge appealed to local people to secure exhibits from here for them. The matter has been left in the hands of F. A. Morris who will take care of the securing and sending in of various fruit and grain exhibits. An exhibit of berries was sent in on Wednesday.

The school board met on the 6th of July and organized for the ensuing year. W. H. Woodworth was elected chairman of the board. The work of the board will be handled a little differently during the coming year than heretofore. For the purpose of centralizing responsibility and making it possible for persons to know where to go with matters pertaining to the different parts of the school board's duties, four committees have been appointed as follows: finance committee, W. W. Silver and George H. Lee, building and grounds committee, V. A. Vincent and Harlan Smith; teachers and salaries committee, George H. Lee and W. W. Silver; janitors, supplies and transportation committee, V. A. Vincent and Harlan Smith.

In the June 30 issue of The Road Runner, a national publication of the Standard Oil Co. which deals with asphalt paving, appears an article entitled "Facts Have Proven Asphaltic Concrete Pavements Durable, Economical, Impervious to Water," and which deals entirely with results of pavement in use in Newberg. This article occupies more than two pages of the issue and is accompanied by three views of Newberg street scenes, one of First street, one of Main street and the other of College street. Through the circulation of this trade journal Newberg will get a great deal of wide spread publicity.

The council had a meeting last Monday evening at which time the assessments covering sidewalk work on Dayton Ave. and street work on Howard, School, Eighth and Fourth street were considered. The council voted to accept the offer of P. E. Overend to act as both day and night man at the fire hall. Mr. Overend realizes that it would be impossible for the city to keep and pay two men to work shifts on this and yet it is very desirable that the city be protected by the having of a man there at all hours and so he has consented to take this position. The plans of the engineer regarding the paving of River street were accepted by the city and a notice of the intention to improve this street appears elsewhere in this paper.

What Electricity Can Do

It would be a task to enumerate all the things Electricity can do in your home, your store, your factory.

With Electricity the family ironing can be done for 50c per month.

With Electricity the family washing can be done for 25c per month.

You can run your sewing machine 2 hours for 1 cent.

You can run your vacuum cleaner 1 hour for six teeth of one cent.

You can pump water from an average well for an average family for 50 cents per month.

You can cook a meal for an average family with an Electric range for 4 1/2 cents or \$4.00 per month.

You can grind a ton of feed for 40c a month.

You can make a pot of coffee for less than one cent.

You can make the breakfast toast for less than one cent.

Electricity is indispensable in the home. No store or factory can afford to be without it. It is a cheap and reliable service.

HOUSEHOLD HINTS

Whip one cup cream stiff, add vinegar and mix. Season cabbage with salt and paprika and mix with dressing.

Take the discarded felt of men's hose and sew on the tops of ladies' hose and you will have a good pair of ladies' hose.

To remove stains of fruit from linen moisten the cloth in water and hold it over a piece of burning sulphur. Then wash thoroughly.

The fats which accumulate from boiling beef are quite hard, as is the nature of tallow generally. If mixed with a portion of salad oil to the consistency of lard it is an excellent substitute for lard in making pie crust and for cake shortening.
