FRIENDS CHURCH

Revival meetings begin next Sunday morning. Rev. Lindley Wells, pastor of Friends church of Greenleaf, Idaho, will be the evangelist. Rev. Wells is a great preacher and we are sure the people of Newberg will want to hear him. Come and help us in this special effort. Fred E. Carter, pastor.

Friends church monthly meeting at the Friends church was conducted in a unique way on Wednesday evening. The different committees of the church met at the church at 6 p. m., where they ate their supper together, after which the committees got together and made plans for their future work. At 7:30 p. m. they gathered in the church auditorium for 45 minutes of prayer, after which the regular business of the monthly meeting was transacted. It is the plan that the committees will meet in this manner each month. The idea is to bring the work of this church up to a more efficient and systematic standard.

METHODIST CHURCH

The pastor being absent to attend the annual conference at Forest Grove, the preaching services will be omitted on next Sunday. The Sunday school and Epworth league services will be held as usual at 9:45 a. m. and 6:30 p. m., respectively.

The Woman's Foreign Missionary society met at the church Tuesday afternoon, at which time the annual election of officers was held, resulting in the election of the following: President, Mrs. William Clemmens; vice president, Mrs. A. A. Post; secretary, Mrs. R. M. Thurston; corresponding secretary, Mrs. W. J. Notage; mite box secretary, Mrs. John Hornbrook; treasurer, Mrs. Chester A. Dimond. This was tea day and

consequently refreshments were in order.

The annual Oregon conference is being held at Forest Grove this week and many of the Methodists from Newberg are in attendance. S. L. Parrett was elected as a lay delegate to the conference, with C. E. Newhouse as alternate, but Mr. Parrett was unable to attend and Mr. Newhouse will probably attend the sessions the latter part of the week. Rev. Hiram Gould of this place is one of those on the program at the conference.

All departments are taking on new life and vigor. The last year was one of success and blessing and we are looking for much more this year.

PRESBYTERIAN CHURCH

Rally day at the Sabbath school at 9:45 a. m. October 9th. Preparations this week, such as lists of members looked up, absentees noted and sought, new friends enrolled and special Rally day exercises to show the real meaning of rallying to the banner of Christ. All should be students of God's message in the Bible school. Classes for all.
Morning worship at 11:00—"Bargaining with God." Mat. 20:1-15. A precious and inspiring hour of service.

Y. P. S. C. E. at 6:30—"Improving Our Meetings." Mat. 18:19, 20; Jno. 4:23. Leader, Florence Lee. No one more readily receives Christ than the young. When we are young is the time to begin aright. It may be harder later.

Evening worship at 7:30—"What are the fundamentals of Christianity?" Delightful evening hour of seeking God, the only thing needed

to find Him. Good music and welcome for all who are of Presbyterian inclination.

Wednesday at 8:00—Midweek service and meditation on 1 Cor. xiii, the psalm of Christian love. Greatest profit in this use of the hour.

Thursday at 7:30—Choir rehearsal.

If really it is the Master that invites, if really there is even one true church of Christ in this town, where His word and ordinances are kept and where men are brought into saved relations to Him, it is of infinite importance to find it out—worth all our toil. If messages from heaven, messages from God's saving word are a reality, it is awful blindness and death for any one never to get them. Our Maker has sent us His word as we have needed; every page shows it is from Him; it means life to hear it.

An interesting function of the young people was held on Tuesday evening at the home of Miss Olive Reid, consisting mostly of out of door games, camp fire, and roast weenies. Among those present were the Misses Edith Sanderman, La Verne Hodson, Helen Evans, Helen Crabtree, Florence Lee, Archibald, Say, Short, Crew, Wilma Evans, Marjorie Coggins, and Emil Nelson, Clarence Fitcher, Ralph Irwin, Lee Ryan, Frank Coggins, Lester Coggins, Howard Best, Ernest Reid, Hillis Hanning, Wallace Larkin, Lynn Switzer, Bud Ware, Phillip Hodson and Ridenour.

The Loyal Daughters Sunday school class will have a candy sale at Crede's market October 15th. All wishing to donate fancy work, or cooking, or candy, please see the teacher, Mrs. Reid, or any of class. Proceeds to go, half to Syrian relief. It is reported that the Yamhill county Sunday school convention is to be held this year at Sheridan, November 4-6. All who can ought to be there. Superintendent S. S. Duncan of McMinnville is president, and a good convention is assured.

CHRISTIAN CHURCH

The Bible school contest with Sheridan resulted in a win for them but we are very proud of the average attendance maintained during the two months of the contest. The contest in the school is still going strong and a good increase in membership should result. There are classes for all ages and of particular interest is the class in evangelism conducted by Mr. Phillips. This class is for young men and women.

A splendid audience listened to the sermon of last Sunday morning when Bro. Phillips dealt with the present divided condition of Christians and emphasized the need of ending the sectarian situation as it exists in all the towns of America and returning to the church of the new testament as the only possible church in which all might find agreement. Mr. Phillips stated that the world, as well as Christian people, is demanding that a preacher be definite in his position and that only a biblical reason will meet with any approval or response. This congregation thus holds to "No creed but Christ, no

Wrong Ideas on Paint Economy

THERE'S one way to save on paint. That way is to use the best of paint.

Some think of paint economy as "cost per gallon." That is wrong. Cheap paint doesn't cover as much surface—you need more gallons.

Cheap paint is more difficult to spread, requires more labor, so the best paint costs no more when you've put it on the house than cheap paint does.

More than that, it lasts five or more years longer, if properly applied, while cheap paint on the average begins cracking in twelve months. Good paint is an investment that saves money by preventing deterioration of the house.

"Cheap" paint is the only paint that really costs you anything.

Don't allow surfaces to rot—it costs less to paint them.

We've made paints for western use for 72 years. We use pure PIONEER WHITE LEAD, pure linseed oil, zinc and color, but we mix them in scientific proportions with long-time skill.

Our white lead base must be fine enough to pass through a silk screen with 40,000 meshes to the square inch. That means covering capacity and ease of spreading. We super-purify the lead to make it "whiter," which means clear-toned colors.

The finished product on the house is a beautiful, elastic tough protective coating.

We call these paints "Fuller's Specification House Paints" because they are the very best made for the purpose.

name but the Divine, and no book but the Bible." This platform is broad enough for all who love the Lord to unite in the bond of Christian fellowship.

Some twenty-five members and friends of the church met at the home of Lee Fortune after church and enjoyed a basket dinner prepared in honor of his birthday. Brother Fortune was much surprised but more elated to have such a fine company and so hearty a dinner to discuss.

The women's missionary society meets Tuesday next at 2:30. Place of meeting announced at the services. Two sermons of interest and inspiration next Lord's day. 11:00 a. m. Bro. Phillips will discuss "The Barrier" and in the evening at 7:30 his topic is announced as "Knowbedo." None should fail to hear both of these.

Get acquainted with the Endeavor hours and classes. Five p. m. the juniors have their hour of study and at 6:30 the seniors have a pre-service rally.

THE W. C. T. U. CHILD-REN'S FARM HOME

Many are asking whether or not the plan is still on for such a home. Sure it is. During the hot and busy summer months the campaign for raising money was postponed until after harvest, but the work has again been taken up. The money will be raised and the Home established somewhere—we do not yet know where, but we'll not quarrel over the location, just so the children have a home and proper training.

Let everyone who has given a pledge for this work pay the same into the First National Bank by October 10th if possible, as I will be expected to have a report ready by the 12th.

NOTICE TO SCHOOL CLERKS

I am appealing to you to hurry up your reports as to the amount of your budgets for special school taxes in your respective districts. Please bear in mind that you must send same to the assessor's office, or I cannot extend the same on the roll, and you will be without funds. Please get them in so that we may have them computed and out of the way before the rush comes with the state and county funds. Cities, and road districts are also required to do the same. Please do this at the earliest possible moment.
