VOL. XXXIII

NEWBERG, YAMHILL COUNTY, OREGON, THURSDAY, OCTOBER 13, 1921

No. 2

NEWBERG WINS STATE FIRE RECORD TROPHY

SILK FLAG WILL BE PRESENTED

Governor Olcott Will Make Presentation At a Celebration to Be Held Here Later.

Newberg may well be proud of her volunteer fire department for it is rated as one of the best in the state of Oregon. Evidence of the excellent work accomplished by the department was to be had at the recent fire which destroyed the Palmer garage and other buildings. Further confirmation is contained in the news that the local department was awarded the silk flag which is given by the state to the city maintaining the best fire record in the state for the past year. This trophy will be awarded by Governor Olcott at a celebration to be held here at some future date, which has not yet been set.

The local department have been the guests at two banquets during the past week. One was given by the Duncan brothers on Monday evening at the J. H. Sherlock restaurant. This was a very pleasant occasion at which time talks were made by different ones, and a fine banquet was spread. On Tuesday evening the department and the band were guests of the Ladies auxiliary of the American legion, when about forty-five persons were seated around tables at the legion hall. Following this banquet a social dance was enjoyed.

The local department is celebrating Fire Prevention Week this week and are endeavoring to educate the public along fire prevention lines in various ways. Announcement of the matter was made in the various churches last Sunday and drills and talks have been made in the schools this week. In addition to this, signs were stencilled upon the store windows about town calling attention to the matter.

Subscriptions were taken around town recently for the benefit of the department and quite a sum of money was contributed. This money will be used for the purchase of firemen's coats and Chief Sherlock informs the Graphic that the sum was sufficient to secure a coat for every fireman. The local firemen work without salary and also without any other form of compensation and the public should appreciate what they are doing for them. It is no easy matter to crawl out on a cold rainy night and go in answer to a fire call. Maybe it hasn't been your house yet, but you never can tell when it will be, and so every citizen should feel a keen sense of appreciation for what the department is doing for the city.

M. E. ANNUAL CONFERENCE

The annual conference of the M. E. church was held at Forest Grove last week, closing on Monday of this week. Assignments of pastors for the coming year was made by Bishop Sheppard on Monday. Local people will be pleased to know that Rev. Chas. E. Gibson, who has been pastor here for the past two years, was returned to Newberg for another year. Rev. Gibson has made a host of friends in Newberg with his winning personality and genial disposition and he is a very able preacher as well as a good pastor.

Other appointments of interest to Newberg people were Rev. M. T. Wire transferred from Oregon City to Astoria, Rev. Walton Skipworth from Hillsboro to Woodstock church in Portland, Rev. K. K. Clark to Dayton; Rev. Earl McAbee, supply for Dundee; Rev. M. A. Marcy returned to McMinnville; Rev. L. E. Taber from Dundee to Nehalem and Wheeler; Rev. P. M. Blinkinsop to Sherwood; Rev. R. E. Myers returned to Woodburn.

W. C. T. U. CONVENTION

The state convention of the Oregon W. C. T. U. was held at Oregon City on October 12. The reports from the convention indicate that there has been a net gain in this organization during the past year of 1479 members. The membership now totals 3442 in Oregon. The convention was well attended, the sessions being held in the Baptist church. President L. T. Pennington of Pacific College made an excellent address at the banquet on the subject, "Peace and Arbitration."

REVIVAL MEETINGS

The revival meetings at the Friends church under the leadership of Rev. Lindley A. Wells of Greenleaf, Idaho, commenced last Sunday. Mr. Wells was unable to be present at the Sunday services but arrived in time for the meeting on Monday evening. Mr. Wells will here in a revival service about eight years ago and at that time established a reputation which has caused the present meeting to start off most auspiciously.

The attendance at the meetings this year has been excellent and there is a splendid spirit manifest, which bespeaks a most successful series of meetings.

NEWBERG HIGH SCHOOL WILL PLAY SILVERTON HERE FRIDAY

The Newberg high school is looking forward to a successful year in football this season. E. J. Nofstinger, who has come to the N. H. S. this year from McMinnville will coach the boys and Mr. Nofstinger is very much pleased with the outlook. Between twenty and thirty boys have been turning out for scrimmage each night and with any luck at all they should be able to turn out a winning team this year. For example there are about ten letter men on the team and it is highly probable that the entire back field will be composed of letter men. This is a big advantage to any team.

However, luck sometimes does prove to be a factor in a team's success or failure. If luck is to be a factor in this year's football aggregation, it would appear that the N. H. S. team is out of it, for already five of the players have met with injuries.

The first game of the season will be played on the local field and will be with Silvertown high school. This game will be played on Friday of this week. Newberg has been handicapped through getting started so late in the year. Most of the high schools had a few weeks earlier opening than did Newberg.

Mr. Nofstinger states that at this writing he has not been able to definitely line up the team for tomorrow's game and it may be possible that different men will be given an opportunity to work out for positions that day. However, there seems to be no dearth of players and there is apparently plenty of weight for the line as well as old players for the backs.

The public should turn out in numbers to encourage the local high school boys to put up a stiff fight for the winning of this opening game. Newberg will probably play games with Forest Grove, Dallas and Oregon City and the Thanksgiving game will be between Newberg and McMinnville.

SMITH-COFFEE NUPTIALS

A beautiful home wedding occurred here last Saturday, October 8th, at 8:00 p. m., when Nina Coffee of this place was given in marriage to Leslie P. Smith of Portland. The bride was gowned in ivory satin, and wore a full veil of silk net. Her wreath was of orange blossoms and fern. She was attended by Miss Maurine Youngs, who wore a charming gown of old rose satin. Mr. Donald Steves of Portland was best man. The wedding hymn was sung by Mr. and Mrs. Donald McPhee. The bridal party led by Master Wilbur Foster and little Miss Eunice MacPhee of Portland, came down a winding stairway, while Miss Olive Reed played "The Grande Nuptiale" march, and took their places under an arch of cedar and woodbine, combined with asters. Rev. W. N. Coffey, father of the bride, read the ceremony. A reception was held for about one hundred guests, including friends from Hood River, Salem, St. Helens, Monmouth, and Portland.

Assisting with the serving and ushering were Misses Lucy Smith, sister of the groom, Pearl Cole, Hazel Youngs, Martha Ehret, and Lulu Youngs. During the reception piano solos were rendered by Mrs. Herbert Weatherly and Miss Maurine Youngs. Readings were given by Mrs. C. F. Childs of this place, and Miss Mildred Hayne of Portland.

The couple left for a honeymoon at the coast, after which they will make their home in Portland, where Mr. Smith is engaged as shipping clerk with the Oregon News company. Many very beautiful presents were received.

OBITUARY

William T. Dailey, son of J. W. and Martha Dailey, was born in McDonough county, Illinois, March 19, 1849, and departed this life October 10, 1921.

He was married at about the age of twenty-five, his wife living only about two years.

He lived in Illinois until he was about thirty years of age when he moved to Colorado, where he lived for about ten years, and from there he went to Idaho where he remained for three or four years. About fifteen years ago he came to Rosedale, Oregon, and about five years ago he moved to Fernwood and then moved to Newberg last April.

He was converted about ten years ago at the Rosedale Friends church and joined the Friends at that time and remained a member of the church and a consistent Christian until the day of his death.

He leaves two brothers and two sisters to mourn their loss. They are J. H. Dailey of Newberg; Mrs. L. M. Hobson of Fernwood; L. C. Dailey of Kansas, and Mrs. Bell Evans of California.

GIANTS WIN SERIES

The New York Giants clinched the world series today by winning their fifth game by the close score of 1-0. Hoyt pitched in the final game but was unable to stave off defeat for Huggins' men. This game gave the Giants five games to three for the New York Yankees.

FARMERS DISCUSS THE MARKETING OF FRUIT

MEETING HELD AT SPRINGBROOK

Marketing of Fresh Fruit and Berries May Be Undertaken On a Large Scale.

Last Saturday the farmers of the community held a very interesting meeting at Springbrook under the auspices of the Newberg Farmers' club. A very enjoyable program was rendered by the school children of Springbrook.

The object of the meeting was then outlined by the president of the club, W. H. Dean. He gave as the main object of the meeting the getting together of the berry and fruit growers, that better marketing conditions may be brought about. It seemed to be the opinion of all present that if the fruit industry is to continue to expand and grow as it should, this very vital part must be given very serious consideration. Mr. Dean called on Mr. Newhouse to state conditions as they had been the past year with the Springbrook growers.

Mr. Newhouse said that the organization as carried on at Springbrook is of a loose nature, depending more upon the loyalty of members, which has always proven to be the best method, there being from 40 to 50 growers. In selling the strawberry crop it has been done entirely among the retail dealers. He has found doing business by telephone or telegraph a very cheap and efficient method, with 95 per cent of the business men perfectly honest. This year's losses on collections—ten thousand dollars worth of strawberries sold—was only fifty dollars, or one-half of one per cent. The only thing that kills the business is failure on the part of the association to fill orders as promised. Most all collections are made from 30 to 35 days after shipments are made. He believes there is no reason why the sales of all fresh fruits could not be increased very materially. All that would be necessary would be a business of the same nature on a large scale.

Mr. Rees, as one of the members of the Springbrook association, gave a short talk. He said that the best work of the association was that there were very few overhead expenses, thus giving the grower all the profit possible.

Mr. Earl Peary of the Oregon Growers association was present and was invited to say a few words. He said that the attitude of the Growers association was, that the sentiment of the community be crystallized and then if help was desired from them they would be glad to help in any way possible. They are shipping fresh fruit and vegetables very successfully from The Dalles now.

A motion was made that a committee, with a member from each of the various communities, be elected to canvass the districts and learn the sentiments of the growers. The committee as elected were: Charles K. Hubbard, S. T. Birler, F. A. Carlisle, F. B. Scherf, N. L. Wiley, A. S. Mellinger, Joe Hollingsworth, John Schmelzer, A. H. Boyd, George Smith and Henry Amoth. This committee is to learn the feeling and sentiment of the growers and report their findings at a meeting to be held in the near future.

CELEBRATED TWO BIRTHDAYS

Mrs. Alonzo Hadley was quite agreeably surprised Sunday, October 9th, when a number of her friends arrived at about 11:30 with well filled baskets, it being her 55th birthday. It was also the 63rd birthday of A. J. Wise, who was among the guests.

The weather being ideal for an outdoor picnic, the men constructed a table out under the large maple trees in the front yard and all the good things to eat the ladies could think of were placed on it and about twenty sat around the festal board to enjoy the feast, to which all did ample justice. The chicken and other good things disappeared speedily, especially the pumpkin pies prepared by Mrs. Wise and Mrs. Hadley. Mrs. Ramie baked the birthday cake, which was cut by Mrs. Hadley and Mrs. Wise.

Those present were: A. J. Wise and wife and two daughters, Bertha and Elsie; Mr. and Mrs. Harold Miller and son, Monroe; Mr. and Mrs. Wright Ramie and son, Weldon; Mr. and Mrs. Elsa Hadley; Mr. and Mrs. F. M. McCollough; F. E. Wise and son, Lyle; Mrs. Zella Linton and daughter, Helen; and Mrs. John Carlson and son, Bert.

After spending a very enjoyable day, all left at 5 p. m., wishing Mrs. Hadley and Mr. Wise many more happy birthdays.

One Among 'Em.

The city council met on Wednesday evening and commenced work on the matter of granting franchises in the city for public conveyances. The matter was not completed and will be taken up again this (Thursday) evening. The list will be given in next week.

APPLE PACKING NOW UNDER FULL HEADWAY

APPLES FROM WEST CHEHALEM

Sullivan Packing House Is Turning Out Carloads of Apples—Many Varieties Being Packed.

Apple packing is the order of the day in Newberg at this season and the packers are making things count. At the "Home Plate" packing house there are about ten persons employed and these are packing about 300 boxes a day. This is the "Billy" Sullivan packing house and the apples from both the "Home Plate" and "White Sox" orchards are being handled here. The apples are hauled in from the orchard by truck and piled on the ground floor of the building. They are then taken from this pile and placed at the head of the automatic grading machine where four women sort them as to quality and place them upon different endless chains. These chains carry them down and drop them in bins according to their size. The size grading is accomplished by balance sack containing one apple of the size which is supposed to be deposited in this bin. As the apples come down the chain, they automatically trip whenever they pass a bin of their weight and drop into the bin below. Four packers work from these bins, wrapping the apples in paper and packing them in boxes.

Mr. Sullivan informed the Graphic representative that the "White Sox" orchard would have seven or eight thousand boxes of apples and the "Home Plate" orchard, which is his own private orchard, would have nearly as many. These apples are being shipped out on consignment and are scheduled to go pretty well all over the country. Three cars of apples were shipped to Indianapolis this week and one to New York. Many kinds of apples are grown and handled by Mr. Sullivan. Among them are Spitzenbergs, Winter Banana, Newtowns, Jonathans, Wagners, Grimes Golden and Arkansas Black.

These apples are being sold through an English firm and are being labeled under three grades. The best grade are called Blue Heart, the second grade Red Heart and the third grade White Heart. When the apples are sorted, graded and packed each box is stamped with the variety, size and quality, and then they are elevated to the upper floor where they are labeled and piled according to their grade. From here they are loaded into cars by means of a roller conveyor which carries them directly from the warehouse into the cars.

After inspecting the apples which are being grown and packed here it is evident that Newberg certainly can raise apples and while there are not so many grown here as at Hood River, time will doubtless see this just as famous an apple section as that around Hood River.

OBITUARY

Medric M. Greer was born in Sacramento county, California, on October 31st, 1895, being a few weeks less than twenty-six years of age at the time of his death.

Since the age of four Medric has made his home most of the time with his grand parents, Rev. and Mrs. George H. Greer, at Dundee, Oregon.

He was educated in the public schools of Oregon, Washington, and Cleveland, Ohio, and had also two years at De Koven Hall, a boys' military school in Tacoma. He was a graduate of the horticultural department of the Oregon Agricultural College.

Medric was a veteran of the world war, serving in the Argonne forest at the time the armistice was signed.

After his return from France he was employed for a year on the home farm, leaving there last fall to take a position in Humboldt county, California.

A month ago he went to Dayton, Washington, to visit relatives, and to take a position as fruit inspector. About two weeks ago the ear that had been defective for so many years gave him acute trouble, undermining his health so that he felt obliged to give up his position and to decline offers of a similar nature. He went to Hood River on Thursday, where he was taken violently ill. His condition became more serious until he became unconscious, dying in the Hood River Hospital Friday evening, October 7, just before midnight.

When first taken ill at Hood River Medric realized his serious condition and begged to be put where he could not inflict injury on any one. He was confined for a time in the city jail and taken from there to the hospital.

His grandfather went to him as soon as possible, but arrived too late for Medric to recognize him. In view of the fact that there is quite a bit of trouble among the horse owners from this malady, Mr. Dean has requested us to publish it:

"Give 1 1/2 pints of raw linseed oil; then give two drams each of nitrate of potash (saltpetre) and tincture of belladonna in 1/2 pint of water three times a day. Dr. Withycombe."

Special clubbing rates with the Oregonian or Telegram are good until October 29.

AMERICAN LEGION ARE PLANNING FOR LEGION BUILDING

Lester C. Rees Post American Legion of Newberg are planning on the erection of a legion building at this place and at their meeting Monday evening they discussed this proposition and raised some funds for it. The legion has the promise of \$5000 towards this enterprise and at the Monday meeting \$2000 additional was raised. It is the plan to make this in the nature of a stock selling proposition in which the legion will sell stock. They hope to raise \$3000 more.

The plans include a building which would house an auditorium which would take care of large public gatherings of various kinds. In addition to this there would be the regular club rooms, dining room, kitchen, etc. The boys have been looking over several locations for their new building and it is understood that one possible site is at the edge of the city's canyon park at the top of the hill and about one block off from First street. This would be an excellent location for such a building.

Newberg certainly needs some large auditorium and this proposed legion building, we understand, would help solve this problem.

COUNTY REALTY ASSOCIATION MET HERE FRIDAY NIGHT

The Yamhill county Realty association met in the Commercial club rooms at Newberg, Friday evening at 7:30 for the purpose of general discussion and to further the perfecting of the organization. The meeting was called to order by the president, Dr. Leroy Lewis of McMinnville; the secretary-treasurer I. L. Venable, took charge of the notes.

Those in attendance were: C. V. Johnson, state insurance and real estate commissioner of Salem; Fred O. Brockman of Portland, secretary northwest realty association; H. J. Nott and J. C. Gilbert of McMinnville; John Arms of Dayton; Tom Tyndall, N. F. Byers, F. A. Morris, W. L. Scott, C. V. Jones, L. E. Arney, Mrs. Enily Gardner, Mrs. Orle H. White and W. E. White of Newberg.

Mr. Johnson gave some very interesting points on the realty law and what the realty laws are doing for the public in general and Fred O. Brockman told of his travels among the various real estate boards and what a great benefit we would derive from organization.

Some of the local dealers could not be present on account of other obligations, but those who were fortunate enough to be present were much elated over the outlook. It was voted that the Yamhill county association make application for membership in the state organization and national real estate board.

It was surely a treat to have C. V. Johnson and Fred O. Brockman with us. At a late hour we voted to meet again in Dayton on October 21st.

From One Who Was Present.

TO THE INTEREST OF EX-SERVICE MEN

Mrs. Stoffer, executive secretary for Yamhill county chapter, American Red Cross, was in Newberg the first two days of this week and while she did establish contact with quite a number of the boys, she was disappointed not to have seen more.

It is to the interest of every ex-service man, who has a claim, to place it before Mrs. Stoffer, as she can help you with it. As she will not be in Newberg again for several weeks she would like to have those of the boys whom she did not see write her at McMinnville.

NEWBERG MINISTERIAL ASSOCIATION REORGANIZED

The ministerial association, which comprises the pastors of the various local churches, met at the Presbyterian church study last Monday morning and proceeded to reorganize by electing officers for the coming year. Rev. Charles E. Gibson was elected president and Rev. H. E. Kreider was elected secretary. It was decided to hold the union Thanksgiving service in the M. E. church and Rev. George H. Lee will preach the sermon.

A TREATMENT FOR STAGGERS

W. H. Dean, who lives north of town on Chehalium mountain, has a recipe for treatment for blind staggers, which was given him by former governor Withycombe and which he says he has used with good results a number of times. In view of the fact that there is quite a bit of trouble among the horse owners from this malady, Mr. Dean has requested us to publish it:

"Give 1 1/2 pints of raw linseed oil; then give two drams each of nitrate of potash (saltpetre) and tincture of belladonna in 1/2 pint of water three times a day. Dr. Withycombe."

CITY OFFICIALS RAID A GAMBLING HOUSE

SMASH IN DOORS WITH A RAM

Proprietor Fined \$100, Two Players Fined \$40 Each and Onlookers Taxed \$25 Each.

City officials got into real action last Saturday night and raided a game which was being conducted in a local place of business which had been closed since the fire and was supposed to be opened in a few days. Night marshal Wallace overheard some conversation on the street which interested him and he investigated and found quite a number of men gathered behind the blinds and playing for money. He notified the mayor and with the assistance of the day marshal and young Calkins they proceeded to raid the place.

They secured a heavy timber which they used as a battering ram and forced the doors in and with revolvers leveled upon the group, prevented any from escaping. All were taken to the city bastille. Returning a search was made of the place and a bottle of something said to contain more than 2.75 per cent was located. The place which had formerly been conducted as a restaurant, had recently changed hands, a man named Miller having purchased the place.

All of the parties were hauled before the city recorder on Monday and Miller was fined \$40 for gambling and \$60 for conducting a game. Alen Drury and F. Crawford were each fined \$40 for gambling, while E. Martin and E. W. Cornelius were fined \$25 for simply looking on. It is said that there was about \$7 on the table when the officers broke in. Most of the men paid their fines and were released but Miller is still being held as he claims that he did not have sufficient money to pay the fine.

NEWBERG BOY SENIOR AT OREGON AGRICULTURAL COLLEGE

Kenneth D. Fendall, son of Mr. and Mrs. E. G. Fendall of Newberg, Oregon, is registered as a senior in the school of agriculture with horticulture as a major at the Oregon Agricultural College. Mr. Fendall has been very active in student affairs and he has also made a splendid record as a student. Last year he was elected a member of the Alpha Zeta honorary agricultural fraternity. In addition to being a member of Alpha Zeta he is member of the horticultural club, agricultural club and Sigma Phi Epsilon fraternity.

The course which Mr. Fendall is taking in the horticultural department is along pomological lines. The department offers major work in olericulture, floriculture, pomology, landscape gardening and horticultural products. The pomological work includes a special study of fruit diseases and their control, plant breeding, commercial practice in orchard management, marketing and other essential work in horticulture. In addition to the horticultural work the student is required to take special work in soils, farm management and other agricultural and allied subjects. Mr. Fendall is preparing himself for the Smith-Hughes vocation agricultural teaching work.

U. OF O. NEAR 200 MARK

University of Oregon, Eugene, Oct. 10.—(Special.)—Enrollment on the Eugene campus of the University of Oregon will reach 2000 this fall for the first time in history. At present there is a registration of 1975 on the campus, an increase of 17 per cent over that of last year. Including the medical school students in Portland, who are regular resident students, the total enrollment is 2127.

CARD OF THANKS

We wish to thank our many friends and neighbors for all their kindness and sympathy and help during the sickness and death and burial of our dearly beloved daughter and sister, Lillian, also for the many beautiful floral offerings.

Mr. and Mrs. A. F. Hertig, Mr. and Mrs. Edw. Oberg, Delmer Hertig, Gladys Hertig, Clara L. Hertig.

CARD OF THANKS

To the many friends who have been with us in love and sympathy in our recent bereavement, in the death of Medric M. Greer, and for the many beautiful floral offerings, we express our sincere thanks.

Rev. and Mrs. Geo. H. Greer, Mr. and Mrs. E. S. Greer, Mr. and Mrs. D. A. Nichols.

NOTICE TO THE PUBLIC

I am now located on north Main street one-half block north of First street, and am equipped to take care of all general repair work. Tires, oils and accessories in stock. PALMER'S BUICK GARAGE.
