CHRISTIAN CHURCH

Bible school 9:45. We want 100 out.

Communion hour 11:00. Jesus bids you.

Intermediate C. E. 5:00 p. m. A real treat.

Senior C. E. 6:30. Always good. Special sermon 7:30. "Evolution."

Prayer meeting 7:30 every Wednesday.

This church enjoyed the fellowship of many visitors from other churches at the morning service. This was greatly appreciated, as this congregation is always anxious to worship with all who love the Lord and the members of some other body. At the evening service the singing was exceptionally cheerful and the program was made more attractive by a quartet number in which we were helped by Mr. Reitz of Pendleton, who is visiting in town with his parents. The sermon, entitled "Knowledge," emphasized the necessity of right knowledge, honest character, and strict obedience as necessary to personal salvation.

Mr. Phillips announces a very special subject for the evening service next Lord's day at 7:30. The topic is entitled "Is the Evolution Theory True?" Feeling that this theory is before the public in every walk of life, even finding a place in the various curricula of the public schools indirectly, it is right that it should receive close attention and

should be carefully weighed in the balance of each mind. A fair and thorough handling of the question is promised and everyone is invited to attend, especially those who have a doubt regarding the subject.

Another unique social was spent on Friday evening of last week by the C. E. society. All who were invited were promised a complete education in two hours and they were not disappointed. Each girl took a lunch for two in a tin pail and the school opened with "Miss I. M. Wise" (Della Parrish) as principal. The three R's were mastered, although some of the problems were of a very unusual nature. A further item of interest was the splendid singing of the national anthem by the "school" led by the principal. Altogether it was most original and enjoyable.

PRESBYTERIAN CHURCH

Services as usual next Sabbath. Sunday school at 9:45. Morning worship at 11:00. Y. P. S. C. E. at 6:30. Evening worship at 7:30. At each service topics of infinite importance and blessings of boundless reach presented. At Sabbath school the famous 13th chapter of I. Corinthians; in the men's class the last half of Rev. 14th. Topic of the pastor's morning message, "Confession." Evening: "Is there a true church?" The utmost care is expended upon these services, and all who attend nowhere else are urged to seek the Master here. He will be found of them that seek.

On this Friday at two o'clock there is to be a special meeting of the Ladies' Aid society, and shower for the purpose of replenishing our china closet. Kitchen or dining room dishes, plates and cups especially. Cash may be brought for silverware or table linen. Light refreshments. Good time.

Any who wish to send on for the Sunday School Times now, and get advantage of club rate, see Llewellyn Sanderman. Regular subscription \$2.00, club rate \$1.50. It is a publication that ought to be in every home, and loved and studied there.

Our Sunday school secretary, Mrs. Sanderman has brought in a model report for the past quarter, ending September 30th, showing new pupils enrolled, 5; now enrolled 120; visitors, 100; average attendance, 91; offerings, \$95.11.

Our Loyal Daughters class is to have a candy sale this Saturday at Crede's market, half of proceeds to go to Syrian relief. This fine class deserves any help we can render. Mrs. Reid is teacher; Erma Hess, class president.

Mr. Sanderman will represent this church at the state conference of the Near East Relief at the Benson hotel this Saturday from ten in the morning to three in afternoon. Governor Olcott is to be present and speak. An agonizing disappointment seems to continue on those destitute people.

The Newberg ministerial association had a fine meeting Monday morning in the office of the Presbyterian church. They elected Rev. Charles E. Gibson president, and Rev. H. E. Kreider secretary and treasurer. A program including a large prayer period was adopted for the next meeting, Monday, November 14th at 10:30 at the same place. The topic, "Aims and best methods for the association" was opened by Rev. W. H. Cox. Some arrangements for the Thanksgiving service November 24th were considered. All evangelical ministers of Newberg and vicinity are considered members of this association and urgently requested to make their presence felt in its meetings. This includes Dundee, West Chehalis, Chehalis Center, Springbrook, Rex, Fernwood, etc.

QUARTERLY MEETING

Rev. W. N. Coffey, district elder, will hold regular quarterly meeting in the Free Methodist church October 14-16. Preaching service each evening at 7:30 o'clock, and on Sunday morning at 11 o'clock. An opportunity to hear the Gospel message. All are welcome.

My Reasons for Advertising Facts About the Care of the Teeth

Progress In our profession is evidence of leadership and can best be judged by the willingness of individuals to break away from old traditions and to adjust their service to meet new ideas and new conditions.

IS THERE ANY GOOD REASON WHY YOU SHOULD NEGLECT THE CARE OF YOUR TEETH WHEN THE DENTAL PROFESSION IS AT YOUR SERVICE, BACKED BY MANY YEARS OF SCIENTIFIC RESEARCH PLUS PRACTICAL EXPERIENCE?

A NEGLECTED MOUTH BREEDS DISEASE WHICH MOVES IN A VICIOUS CIRCLE THROUGH MANY ILLS. MANY DISEASES FROM WHICH BOTH OLD AND YOUNG SUFFER ARE DIRECTLY OR INDIRECTLY CAUSED BY DECAYED TEETH AND DISEASED GUMS. WITHOUT GOOD TEETH, FOOD CANNOT BE PROPERLY MASTICATED, AND IS THEREFORE NOT PROPERLY DIGESTED. INDIGESTION, DYSPEPSIA, CONSTIPATION, RHEUMATISM, INSANITY AND OTHER TROUBLES ARE OFTEN CAUSED BY BAD TEETH.

TO EFFECT A CURE, THERE MUST BE TWO CO-ORDINATING FORCES—THE DENTIST AND THE PATIENT. THE DENTIST MUST CORRECT ALL UNHYGIENIC CONDITIONS OF THE TEETH, MOUTH AND GUMS. THE PATIENT MUST MAINTAIN THESE CONDITIONS BY KEEPING THE TEETH AND MOUTH CLEAN.

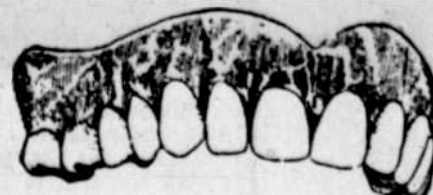

LET IT BE FIRMLY IMPRESSED UPON YOUR MIND THAT SOUND TEETH ARE A REQUISITE TO GOOD HEALTH. ORAL HYGIENE SHOULD ORIGINATE IN OUR HOMES AND IN OUR SCHOOLS. SAFEGUARD YOUR HEALTH AND OTHER MEMBERS OF YOUR FAMILY BY HAVING YOUR TEETH EXAMINED AND ADVICE GIVEN AT LEAST TWICE A YEAR. THE WATCHWORD OF MODERN DENTISTRY IS PREVENTION.
