LEGION WINS EXCITING GAME OF FOOTBALL

GO "OVER TOP" OF FIRE DEPT.

Fire Fighters Put Up a Game Contest But Breaks of Game Are With Legion Team

The football game which was played on Friday afternoon of last week—Armistice Day—was all that any of the spectators could have asked in the way of a football game and in this it proved to be a distinct surprise to the audience. Both teams played real football and the crowd got its moneys worth all of the time. It was a cold cloudy day, but there was plenty of enthusiasm to dissipate the gloomy effects of the weather and the two teams certainly didn't exhibit any signs of being affected by it.

The referee's whistle sounded at about 2:30 p. m. and the game was on. Wells opened hostilities for the legion by booting the ball for about thirty or forty yards to Bartlett, who ran it back quite a distance before he was downed by Crites. Then followed a short period of general scrimmage. The firemen then attempted a forward pass play which was intercepted by Wells, who made a twenty-five yard run for a touchdown. This gave the legion first blood, but they failed to kick their goal, the score being 6 to 0.

Again the legion kicked off, Miller receiving the ball and running it back some distance before he was downed. The firemen then tried a trick play which but for Wells should have been good for a splendid yardage. The ball went to Kramien on a double pass arrangement and nearly all of the legion team went towards the opposite end of the line thinking the ball was going around that way. However, Wells deciphered the play and blocked Kramien for a loss of ground behind his own line. Kramien then punted and the legion recovered the ball. Red Rice made a pretty run at this time netting his side twenty yards. This ended the first quarter.

The second quarter opened with the teams in shifted position and Bert Miller was discovered trying to play safety for the legion team. However, this was probably only a temporary aberration on Bert's part for he soon discovered his mistake and shifted his position. The ball of course went into play just where it was on the closing play of the first quarter. Best got away for a run and it looked as though he was going to make a touchdown of it, but Miller got to him on the seven-yard line, with a beautiful tackle entirely retrieving his former mistake.

The firemen stiffened their defense but could not prevent the legion from making the short distance which remained and they shoved the ball over on the fourth down. Best then kicked the goal, making the score 13 to 0.

The ball then went to the firemen and Kramien kicked to Rice who was downed by Kramien. The firemen soon recovered the ball on a fumble and then lost it again when Faulkner recovered it on another fumble. Wells then kicked and the firemen recovered the ball. Overend then took the ball but for some reason his interference didn't interfere and he was stopped without a gain. From this time on to the end of the first half it was the firemen's ball and they showed a splendid game, which but for the referee's whistle would probably have ended in a touchdown for them.

Kramien took the ball through tackle for a nice gain and Henry followed through center making yardage. Kramien then punted and the firemen recovered the ball on an offside play. On the first play after this Kramien went through the line for three yards. Just at this time the referee's whistle stopped the play with the ball in the firemen's possession on the legion's 17-yard line. This was certainly hard luck for the firemen, for apparently they had just struck their stride, and with the new half the ball had to go back to the center of the field for a new kickoff.

The firemen opened the second half by booting the ball down the field for thirty yards and the legion only returned it about ten before they were downed. Wells then went through the line for about five yards but here the firemen held them for two downs forcing them to kick. Wells had bad luck with his kick it going offside and Kramien recovered it with no gain for the legion.

On the first line-up Kramien took the ball through for a gain of three yards and Overend followed with an end run for about the same gain. Kramien then went through the line again. The firemen then tried a forward pass but did not complete it, the ball striking the ground before being recovered by anyone.

The legion then recovered the ball on their twenty-yard line and made yardage on the plunges. However, the firemen recovered the ball again on a fumble, and Henry made a pretty play hurdling the line for a three yard gain. Overend was blocked on an around end play and Kramien

MONDAY MUSICAL CLUB

The Monday musical club met Monday evening and opened the program with the usual chorus work.

The subject under discussion was "Indian music." Miss Edna Forsyth read an interesting article on Indian music and its composers. Mrs. Babcock followed with a group of Indian songs. Mrs. Bauer and Miss Eva Moore gave a duet by Cadman.

Roll call was responded to with quotations from "Hiawatha."

NEWBERG HAS A BOY CHORUS ORGANIZED

BRANCH OF THE WHITNEY BOYS

Largest Turnout Here of Any Place in State on an Opening Night—Chas. Morris Director

Newberg is to have a branch organization of the famous Whitney boys chorus, which gave such a splendid concert in this city recently. Rev. H. E. K. Whitney who has charge of this boys chorus movement and who has organized branches in many towns and cities throughout the country, was in Newberg on Wednesday and addressed the schools and in the evening concluded arrangements for the local organization.

Moreover, Newberg has the distinction of turning out the largest attendance on the first meeting night of any place in Oregon, there being 134 boys present at the meeting held at the high school Wednesday night. Of this number seventy-seven boys paid their registration fee of fifty cents and became members. Another meeting will be held next Tuesday evening and many of the other boys have expressed their intention of joining at that time.

Mr. Whitney's plan is to organize these branches in the various towns and cities and have a local man direct the chorus in their practice work. Charles A. Morris has taken the position of director for the Newberg branch and everything got off to a flying start on Wednesday evening with lots of enthusiasm and a well balanced showing on the four parts. Mr. Whitney states that there are no age limits and they will be glad to have any boys come in who wish.

Similar branches have already been organized at Salem, Albany, Cottage Grove, Oregon City, Willamette, Gladstone, Jennings Lodge, Oak Grove, Milwaukie, Oswego and Vancouver and there are nine branches in Portland. Mr. Whitney expects also to organize throughout a number of other states and in this way build up a total organization of 20,000 boys which will sing at the 1925 exposition. There are now organized 1500 boys in this state exclusive of the Newberg branch. A big concert will be given in the Auditorium in Portland in the spring, and Mr. Whitney expects to have 2,000 boys in this concert. He wants the local branch to get under way so they will be able to take part in this concert.

OLDER BOYS' CONFERENCE AT CORVALLIS NOV. 25, 26, 27

The third annual conference for older boys of the Willamette valley will be held in Corvallis, Friday, Saturday and Sunday, November 25, 26 and 27. The purpose of the conference is to bring together the older boys from the different communities and cities to discuss some of the vital questions pertaining to boys life today. The theme of the conference is "The Price of Leadership." There will be some fine addresses by strong speakers and leaders besides plenty of time given for discussion, and papers by older boys on other subjects.

The good people of the entertaining city are providing full entertainment for all delegates, besides a splendid banquet at 6:15 p. m. Saturday. The only expense to boys attending is the carfare and \$1 registration fee, which is used to help defray the expense of the program. The conference opens Friday afternoon at four o'clock. It is expected that between 350 and 400 boys will be registered at the conference.

Five artists of recognized standing comprise the quintet which is headed by Ada Fisher, whose training has been gained among many of the best known American instructors and included coaching by Vittorio Trevison of the Chicago opera company. She has a soprano voice of exquisite quality which is used with discrimination and technical skill. Ella Fleck, of Chicago, is contralto of the organization and is well known on the lyceum and chautauqua platform, where her lovely voice and distinguished use of it have won many admirers. James Westbrook, tenor, was for some seasons soloist in one of Chicago's

leading churches and is widely known as an artist and director of community singing both in this country and Europe. Earl Anderson was last season leading baritone with the Alcott light opera company and is possessed of a voice of delightful quality and remarkable dramatic power. The program is given in costume and consists of selections from both grand and standard light opera. Many old favorites will be heard again, interspersed by readings by Miss Rowena Smith, accompanist and leader, who is also a pianist of remarkable talent.

NEWBERG-MC MINNVILLE FOOT BALL GAME THANKSGIVING

Newberg high school will play McMinnville high school at McMinnville on Thanksgiving Day, and many local people are planning to go to Mac to see this annual contest between the two rivals. On the basis of comparative scores with other teams Newberg would appear to have the best of the possibilities, but comparisons of this sort often fail and certainly the Newberg boys will need all of the support which a good crowd from the home town can give them. The game will be played in the afternoon and as it is only a very short drive to the county seat now that the pavement is all completed between the two places, this game should prove to be quite a drawing card.

An attempt was made to have a double header staged, the second contest to be between the American legion teams of the two cities, but this failed when the McMinnville boys refused to play. However, the high school game should be well worth going to see and every Newberg person who can possibly do so should make it a point to go and root with all his or her might for the local team.

Newberg plays a game with Hood River on the local field Friday afternoon of this week. This should be, a good game and a hard one as Hood River has defeated some mighty good teams.

The program's opening number was a solo by Mrs. Frost, who also responded to an encore.

Mrs. Silver gave a paper on "Modern literature," and Mrs. Mueller followed with extracts from "My Son," by Carl Hiaas.

The roll call was a pleasant number, the members responding with the names of books suitable for Christmas gifts.

LEGION CELEBRATED ON ARMISTICE DAY DINNER, PROGRAM AND DANCE

Anniversary of the Day When Armistice Was Signed Is Observed by the Ex-Service Men

Lester C. Rees Post American legion celebrated Armistice day last Friday by a dinner, program and dance, all of which were very well attended and proved to be most enjoyable affairs. The dinner was served at 6:30 p. m. by the ladies auxiliary of the legion and was attended by about 110 people, being the legionaires and their relatives.

Following the sumptuous dinner which the ladies served, the crowd adjourned to the auditorium of the legion hall where a very interesting program was arranged and given. This program was given under the direction of Paul Overend and it is certainly due to Mr. Overend to say that he put it over in splendid shape in spite of many handicaps. The program was given as follows:

Bugle call, "Assembly and Revellie," played by Lloyd Killin of Carlton, who is a member of Lester C. Rees Post.

March, "Over There," played by the orchestra pianist.

Song, "Recessional," sung by Alexander Hull, accompanied by Mrs. Emma Hummer Hull.

Recitation, "November Eleventh," Paul Overend.

Song, "America" by the audience, led by Prof. Hull.

Greetings "The American Legion," Dr. J. S. Rankin, post commander.

A little sketch, "The Eats" a la Francis, Yank, Bain Morris; Marie, Barbara Morris.

Our Allies: Belgium, Helen Evans; England, D. R. Smith; France, Barbara Morris; Rose of No Man's Land, Hazel Moore; Joan d'Arc, Iris Mills; Mother Machree, Mrs. Towers. Address, Judge Clarence Butt.

Ceremonial of the Flag, "Columbia," Ella Titus.

Tableau, "America," Jack MacDonald and Earl Pinney, color bearers.

Song, "The Star Spangled Banner" by the audience, led by Prof. Hull.

Benediction, Rev. Chas. E. Gibson, Bugle Call, "Taps," by Lloyd Killin.

During the tableaux, under the heading "Our Allies," Paul Overend sang the following songs in connection with the various tableaux: "My Belgian Rose," "Joan of Arc," "Rose of No Man's Land," and "Mother Machree."

Following the program a very pleasant social dance was enjoyed by the public in general, music being furnished by the Imperial orchestra.

LOCAL CONFECTIONER DIED VERY SUDDENLY

C. C. FRICK SUCCUMBS TO STROKE

Lodges Pay Honors—Large Crowd Attended Funeral at Church Sunday Afternoon

C. C. Frick, proprietor of the Palm confectionery at this place for the past two years, passed away at the Newberg hospital on last Thursday evening at 10:45 o'clock. Mr. Frick came to Newberg from Hillsboro about two years ago, having been engaged in the confectionery business at that place for a number of years prior to his coming to Newberg.

On July 23rd of this year Mr. Frick was in attendance at an Elks' convention at Victoria, B. C., and while there he suffered a stroke of paralysis which left him absolutely helpless. He was taken to a hospital at that place and while in the hospital had two other light strokes. Six weeks later he was brought back to Newberg by his son, Charles Frick, and has been here most of the time since. He seemed to be getting along nicely and his friends were in great hopes of his continued recovery, but on last Thursday afternoon at about 5 p. m. he had another stroke which, in the confectionery store and although he was immediately rushed to the local hospital and several physicians called in consultation, he passed away without ever regaining consciousness.

Funeral services were held from the M. E. church on Sunday afternoon, Nov. 14, 1921, at 2 o'clock, Rev. Chas. E. Gibson, pastor of that church, officiating. The church was packed with a large crowd of Mr. Frick's friends and lodge brothers, who came out to do the last honors to his remains. Services at the cemetery were conducted by the local I. O. O. F. lodge and the Maccabee lodge and Newberg fire department paraded at the funeral, the latter organization in honor of the son, who is a member of the department. The pall bearers for the occasion were furnished by the Odd Fellows lodge. Interment took place in the local cemetery. There were very many beautiful floral pieces from the various organizations to which Mr. Frick belonged and some from other places. There were pieces from the Elks' lodge at McMinnville and also from the same order at Flint, Michigan.

Obituary

C. C. Frick was born at Ortonville, Michigan, February 21, 1872, and died at Newberg, Oregon, November 10, 1921, aged 49 years, 8 months and 17 days. He was married to Carrie Cohoon at Gains, Michigan, and to this union one son, Charles Frick, was born.

He came to Oregon in 1910 when he settled in Portland and engaged in the real estate business for a time. He later operated confectionery stores in Rainier, Clatskanie, Portland and Hillsboro, coming to Newberg about two years ago.

The deceased was a member of Elks Lodge No. 122 of Flint, Michigan; of the I. O. O. F. lodge of Flint, Michigan; of the Yeoman lodge of Newberg; of the K. of P. and D. O. K. lodges of Hillsboro and of the Security Benefit Association and the Maccabees of Newberg.

He leaves to mourn their loss, a son, Charles Frick of this place; and two sisters, Mrs. C. S. Bristol of Clatskanie, Oregon, and Mrs. George Budd of Detroit, Michigan. Mrs. Bristol was present at the funeral. Mr. Frick was a jovial man who made friends of all who knew him and there are many in Newberg who will sorely miss him from their midst. His son, Charles Frick, expects to continue the confectionery business.

CARD OF THANKS

We wish to thank all of those who by kindly words and thoughtful deeds sought to lessen our sorrow in the death of our beloved father and brother, C. C. Frick. We would especially remember the various lodges and the fire department and those who gave such beautiful floral offerings.

Mr. and Mrs. Chas. Frick, Mr. and Mrs. C. S. Bristol, Mrs. George Budd.
