

## AUTO ACCIDENT DAMAGES STORE BUILDING

### WALL SHOWN IN BY THE IMPACT

Car Leaves Street Trying to Avoid a Collision at the Corner of First and Main

An auto accident which resulted in quite a property loss, but fortunately injured no one to any extent occurred at the corner of First and Main streets on Thursday of this week. Frank Feeley of 621 Dayton Avenue, was coming south on Main street, and states that he was traveling at twenty miles an hour, although witnesses declare that he was going at least thirty, and C. H. Kimball of McMinnville was coming east on First street at the same time and states that he was going at about eight or ten miles an hour. Kimball had the right of way at the intersection but Feeley states, we are told, that he did not see him at all. The two autos met and Kimball swung his car in Main street headed south, while Feeley tried to avoid the collision by turning into First street headed east. He got his brakes but could not stop and ran into the Wright cash store building on the corner.

The force of the impact drove the wall in, breaking the plastering badly, caving the shelving in and knocking the goods from the shelves. Luckily no one happened to be on that side of the store, or they might have been hurt. It is understood that Mr. Feeley has agreed to pay for the damages and will have the building, which belongs to Orville Westfall, repaired.

Feeley was fined \$25.00 in the recorder's court for speeding, this being his second offense. The car, which was a big Mitchell, was apparently not badly damaged. A young lady who was in the car is said to have suffered some minor cuts on the face.

## CITY COUNCIL HELD ITS REGULAR MONTHLY MEETING

The city council held its regular first of the month meeting last Monday evening at which time the regular monthly bills were allowed.

A resolution was passed calling for the grading of College street from Sixth to Ninth streets and notices have been posted calling for bids for this work.

Several new truck and jitney franchises were granted at this time.

S. E. Winchester made application for a permit to erect a concrete building on a lot adjoining the Duncan building. The council granted the permit.

An ordinance was passed requiring all applications for pool and billiard room licenses to come before the council in the future. In the past these have been granted by the city recorder.

A few citizens were present and two complaints were filed with the council relative to street improvement assessments.

## YOUNG WOMEN'S MISSIONARY SOCIETY HELD AUTO EVENING

On Friday evening, December 2, the young women's home missionary society met in the basement of the M. E. church for their December meeting. A social evening had been planned and a special effort made to get out new girls. There were 27 in attendance which was very pleasing to those who had the affair at heart.

The evening was opened with a short devotional service, consisting of Bible reading and prayer. The president, Miss Mabel Hornbrook, then conducted a short business session. The main subject for discussion was "Fannie," the little black curly-haired Italian girl of one of the Portland settlements whom the society is helping support. They are now planning for some new clothes for her and her annual Christmas box. They also discussed the Christmas candy sale, announcements of which will be given later. After the business session, the meeting was turned over to the social committee, efficiently led by Miss Mabel Rush, assisted by Miss Clara Haymes and Miss Ella Titus.

A very lively and amusing evening followed, the entertainment being an automobile evening. After a lively evening, the automobiles all lined up to have their tanks filled and thus ended a most pleasant occasion.

The January meeting will be with Miss Florence Calkins on the first Friday evening in the month.

## P. E. O. MEETING

Chapter "L," P. E. O., met at the home of Mrs. Minnie W. Cooper on east First street Monday afternoon.

Following the business meeting, several guests called to enjoy the social hour of the chapter, and the dainty two-course luncheon served by Mrs. Cooper and her mother, Mrs. Wood, assisted by Mrs. L. T. Hayward.

The guests included Mrs. E. E. Goff, Mrs. W. W. Anderson, Mrs. Frank Swart, Mrs. Lodeon, and Miss Peterson.

## CIVIC CLUB MET

The civic improvement club meeting of last Friday afternoon was a most pleasant, profitable one, several new members having been received and a social hour following the business session.

Mrs. Babcock sang two numbers, and a Christmas gift guessing game added much to the merriment of the afternoon. Tea and wafers were served by the committee in charge.

## POST AND AUXILIARY NAME NEW OFFICERS

### NEW LEGION BUILDING PLANNED

Meetings Held on Tuesday Evening at Which Important Business Is Transacted

Both the Lester C. Rees Post American Legion and the American Legion Auxiliary met on Tuesday evening of this week and transacted important business. The ladies elected officers for their organization as follows: President, Marie K. Evans; vice president, Dalah Morris; secretary, Hazel Moore; treasurer, Blanch Groth; and members of the executive board, Mrs. Minnie Langton, Mrs. Dean Mills, and Mrs. Carrie Crites.

The legionnaires nominated men for the various post offices at their meeting and will vote on them two weeks from that date. The nominations made were as follows: Commander, Barney Groth, Frank Swart and Paul Overend; vice commander, Chondos Chase, Leonard Gower and Alfred Allen; adjutant, Leonard Gower, P. E. Overend, Joe Nelson and Barney Groth; finance officer, Elmer Warner; chaplain, Archie Abdl, Joe Nelson, Darrell James, and Dr. J. S. Rankin; historian, H. M. Washbond and R. E. Amy; executive committee, three to elect, Bain Morris, Jerry Conner, George Martin, Archie Abdl, George Nichols, Ernest Duncan, Dave Smith, Arthur Parrish, R. L. Parker, John McDonald and Dr. Rankin.

Leonard Gower and Joe Nelson were appointed as a committee on basketball and will look up the securing of a place to play and make arrangements for games.

A building committee composed of Frank Swart, Elmer Warner, Barney Groth, Will Allen, Paul Overend and Leonard Gower, was appointed and authorized to go ahead with the construction of the new building. A new plan has been devised for the financing of this project. Ten dollar certificates will be issued which will be returnable in entertainment admissions to the various affairs given by the legion from time to time.

Tentative plans were presented and met the sanction of the committee with the exception of a few minor changes. These plans include a big auditorium 50x80 feet with a stage and balcony. There will also be a banquet room with kitchen, etc. The matter of putting up a legion building seems to be taking much more tangible form than heretofore and the committee are investigating the matter of securing a suitable site.

## ATTENTION LADIES!

Beginning Saturday, December 10, Mrs. Welter will again offer a fine stock of plain and art handiwork for the Christmas trade. A good place to secure your holiday gifts. Between W. E. White's real estate office and the Lee millinery. 1011\*

## SCHOOL ELECTIONS WILL BE HELD ON 10TH AND 12TH

With school elections coming on next Saturday and Monday several questions have arisen in the minds of the voters regarding these elections. The Graphic has been asked if there was not some mistake in the advertisements published by us relative to these elections, the two coming so close being confusing. No, there is no mistake. The election on Saturday, December 10, will be held at the grade school building and is for the purpose of voting to allow the board to increase the tax more than six per cent. The clerk of the district informs us that this increase will in reality not exceed four-tenths of one mill, but the law requires the election and the percentage is not based upon last year's tax levy.

The election to be held on Monday, December 12, will be at the city hall. This election is for the purpose of voting on the school budget as published in the Graphic. A few school districts have voted down the budget this year, but we do not believe they were wise in so doing. Voting down the budget will necessitate the closing of the schools and to our minds would result in great loss to the city and district. For example, contracts have already been signed with the teachers for the year and should the schools be closed the teachers could sue the district for the year's wages under the contracts.

Everyone is feeling most keenly the high costs of everything municipal, county, state and national and the tendency is to vote down anything and everything which adds to the tax expense, but surely we cannot afford to be without schools and we believe the school budget should pass. However, unless those who feel this same way, go to the polls on

## NEWBERG MEAT COMPANY CHANGE MADE

### T. R. HOWETT HEADS COMPANY

Local Packing Plant Will Now Be Operated to Its Full Capacity

The Newberg meat company, which has been operated by Ed Crede at the corner of First and College streets since 1919, has been sold to a corporation and will be operated on a much larger scale than it has in the past. Mr. Crede came to Newberg in 1907 from Portland and engaged in the meat business in a small building on the site of his present fine packing house. Later it was decided to build this packing plant and a corporation was formed for this purpose and while the building was being erected, Mr. Crede occupied temporary quarters elsewhere.

Mr. Crede is an expert packer and meat man and has an enviable reputation for the quality of his meats, this being especially true of his hams and bacon. It will be good news to Mr. Crede's friends to know that he is to maintain an interest in the new firm and will continue with them, acting as packer. Miss Crede, who has kept the books for them in the past will also remain and continue with these duties.

Under the new ownership, T. R. Howett, will be the active head of the business. Mr. Howett is an experienced man in this business, having been engaged in the meat packing business for the past 25 years. Mr. Howett's connections in the past have been at Gresham and Portland, and he came to Newberg a few months ago, when he with James Burns took over the May Motor company business and have since operated it under the name of the Newberg Motor company. Mr. Howett's experience, coupled with the added capital which has been brought in to the business, and with Mr. Crede's experience and reputation as a packer, should make this enterprise a decided success.

The name of the new organization will be the Newberg Packing and Produce Company, and it is the aim of the company to push the plant to its utmost capacity in every respect. This will include the wholesale packing of meats; the operation of the ice plant and sale of ice; the installation of a sausage kitchen where all kinds of sausages will be manufactured. All of the present force will be maintained and in addition new men will be added and it is expected that about fifteen people will be employed at the plant.

The business to be entirely repainted at once and everything will be done to insure sanitary conditions. All meats will be both state and government inspected. The present slaughter house is to be eliminated and all the meats will be killed and butchered by the Union Meat Co. of Portland under government supervision with the exception of meats purchased locally. The packing business will of course be the principal business and it is expected that they will pack several cars of hogs every week. In fact they expect to use all of the hogs which they can get locally.

Among other things which the company are doing is to lower all meats at their shop. The prices, they state, have been cut on everything and on some to below actual cost. This applies especially to sausage and lard which as by-products to their packing, they expect to have in large quantities and which they will feature to the local trade.

In reply to a query as to whether they would make any changes in the plant or equipment Mr. Howett replied that it would not be necessary as he considered them as good as any in the northwest. It is certainly gratifying to the people of Newberg as well as to Mr. Crede to have this splendid plant so financed as to be able to operate to full capacity and its operation will no doubt prove a real asset to the community.

## PEOPLE FROM WISCONSIN AND NEBRASKA WILL MEET

The next gathering of Wisconsin and Nebraska people will be held in Duncan's hall, Dec. 20. Any person, who has lived in either of these named states, is welcome to attend any of these gatherings. The hall will be warm by 10 a. m. and a committee will be there to receive all who come.

Be on hand early, bring well filled lunch baskets. Coffee and dishes will be furnished by the committee.

A short program will be given in the afternoon, but the main object of these gatherings is to get acquainted with our neighbors. Come and make this the most enjoyable day of the year. Smiles and hearty greetings is the keynote.

S. P. VanDyke, president  
Mrs. L. A. Moore, secretary

## MARRIAGE LICENSES

Anna Marie Thomsen, McMinnville, to Elvin Leonard Houck, McMinnville.

Monday and vote, the opponents will turn out and defeat the budget.

## WILLIE McVEY PASSED AWAY LAST SUNDAY

### LONG SUFFERING FINALLY ENDED

Largely Attended Funeral Was Held From the M. E. Church Tuesday Afternoon

William H. McVey, son of Mr. and Mrs. Sam McVey, passed away at the home of his parents on Sunday afternoon at 2:30, December 4, 1921. He was born at Newberg July 4, 1902, being at the time of his death, 19 years and 5 months old. Last spring, May 29, while with a group of his young friends, swimming in the Willamette river, he met with a very serious accident, injuring his spine, which left him paralyzed from his hips down.

He was taken to the local hospital and a specialist from Portland was called, who gave the family but very little hope for his recovery.

The following evening at his own request he was taken to his home on Third and Center streets. Here he was cared for by our local doctors, consulting with the best specialists from Portland, hoping that in some way he might be restored to health.

In August it was decided to take him to Portland, where at the Good Samaritan hospital he might have the best medical care, but all in vain. Early in September at his own wish he returned to his home where he has since been tenderly cared for by his loving and devoted parents and friends. Everything that loving hands and skillful medical care were able to do, was done, but it pleased God in his wise providence to take him unto himself, he having prepared himself and given evidence that he was ready to meet his Savior.

Willie was a sophomore in the Newberg high school and was one of the most popular young men in his class. He by his sunny disposition and winning ways, made many friends.

He leaves to mourn his early departure his father and mother, one sister, Margaret, one brother, Lloyd, and many relatives and a host of friends who will miss him.

Funeral services were conducted from the M. E. church on Tuesday afternoon, Rev. Chas. E. Gibson officiating. The high school attended the funeral in a body in honor to their former schoolmate, and beautiful floral tributes were given both by the student body and by the high school letter fraternity of which he was a member. The funeral was very largely attended. Interment followed at the local cemetery.

## AUTO STAGE BURNED

One of the big eight passenger Cadillac stage autos which have been operating between Portland and Tillamook, passing through Newberg, was burned up on Rex hill at about 1:30 Wednesday morning. Carl Moore, the driver of the car, was alone in it at the time it took fire. It is understood that Mr. Moore had come out from Portland to visit his wife and was on his return to Portland. The fire occurred at a point about half way up the Rex hill and near the Whitaker place, and was caused by back-firing of the motor. The car was an entire loss, everything burning which could possibly burn. The car was owned by Ivan Donaldson, it is said.

## COLLEGE MUSIC RECITAL

The college music department will give the first of its pupils' recitals of the year in Wood-Mar Hall on Monday evening, December 12, at 7:45 o'clock. This recital, as usual, will be free to the public. The program will be one of especial interest, owing to the ensemble string numbers to be played. In one of these ten or more violinists will take part in addition to the piano and cello. Solos, vocal, piano and violin, and duets will round out one of the best balanced programs that the department has ever presented. If you are interested in good music, do not miss it.

## W. O. W. SAY THAT COLONEL'S GOAT MADE VERY GOOD FEED

About 140 members of the Newberg Camp No. 113, W. O. W., met at the I. O. O. F. hall on Monday evening, and ate Jones' goat. District Manager J. C. Pate and assistant manager J. Sheehy were present for the occasion and the applications of 34 new members were brought in for acceptance. A very fine feed, consisting of the aforesaid goat, buns, cakes, salads, pickles, doughnuts and coffee, was enjoyed by the large crowd and all report a splendid evening. Community singing was enjoyed and Mr. Sheehy entertained the crowd with some humorous yodel songs.

The following is the list of new candidates: E. G. LaFlemme, A. L. Tangen, W. G. Reid, Scott Livengood, M. E. Blalock, Oren M. Davis, J. R. Scott, G. A. James, L. F. King, C. W. Peterson, R. J. Hadden, R. C. Ames, O. A. Cooper, A. G. Streeter, H. Livengood, J. H. Thorp, E. H. Johnson, C. E. Rasmussen, D. R. Smith, A. Peterson, G. A. Hodges, F. A. Shires, A. C. Wright, Claude Riggs, J. G. Heston, F. Adolph, A. Tumer, C. F. Rasmussen, J. E. Martin, F. E. Parsons, M. R. Stevens, E. Adolph, J. M. Wilson and R. A. Heater.

## FARMERS GET FARE CUT

Farmers attending farmers' week at O. C. C., December 26-31, have been granted a fare and a half for the round trip if they register for work. This action on the part of the railroads was taken in recognition of the value to be derived from the work. Farmers taking advantage of it will pay full fare to Corvallis and take a receipt. They present the receipt for validation, when it will get for them half fare rates home.

## ACTIVITIES OF COLLEGE TOLD IN BRIEF FORM

### BASKETBALL PRACTICE STARTED

Member of the Board Resigns—President Pennington Returns—Oratorical Contest Here

A large per cent of the men in school responded to a call for basketball practice last week, and engaged in the first light scrimmage of the season. It is expected that before the holidays the men will be rounding into good condition. Among the men who have come out for practice are Armstrong and H. Elliott. Last year's regular guard, Cook, Carter and Alfred Terrell have had considerable experience in the game, and F. Hinchaw, C. S. Pil, Warner, Pershio, Woodward and Haworth are among those who are going to crowd for places on the team. A series of intra-mural games is in prospect for the near future.

The league of the independent colleges of Oregon will include Albany College, McMinnville College, Pacific University, Philomath College, and Pacific College. The games so far scheduled by Manager Armstrong with these schools will occur between January 13 and March 3, though games are in prospect with the Chemawa Indians.

Owing to his promotion to the position of assistant general traffic manager and his consequent removal to San Francisco, California, H. A. Hinchaw resigned as a member of the college board at the November meeting. His resignation was reluctantly accepted, with a vote of thanks for his faithful service. Dr. William Rees was appointed to fill the vacancy till the annual meeting of the corporation.

President Pennington attended the meeting of the executive committee of the Five Years Meeting at Richmond, Indiana, November 30 and December 1. He intended to stop at Chicago, Ill., and at Oskaloosa, Ia., on his return. F. W. Pershio has been acting in his place during his absence.

The women's auxiliary to Pacific College is making some substantial improvements to the girls' dormitory. Miss Rebecca Pennington has been elected to her old place as president of this organization since her return to Oregon.

The many friends of Dr. William V. Coffin, who assisted in the recent endowment campaign, have been grieved to learn of the death, on two successive days, of his son and his aged mother.

Preparations have already been begun for the state oratorical contest, which will be entertained this year by Pacific College.

## THE NEWBERG WHITNEY BOYS' CHORUS IS GROWING RAPIDLY

Newberg may well feel proud of the splendid Whitney boys chorus which is being developed here for our local organization is becoming known over the state according to word which was received from Rev. Whitney, by Chas. A. Morris over the phone Tuesday evening after rehearsal. Upon reaching home, Mr. Morris received a long distance call from Rev. Whitney asking how the boys were getting along. Mr. Morris replied that the boys had just got down to business and did just fine—a thousand times better than before.

Rev. Whitney states that he has planned a concert to be given at McMinnville for Friday evening, Dec. 16, at which time it is expected that there will be fifty boys taken from Portland and 150 from Newberg. He was very much pleased to hear of the progress which the boys are making and he will be out next Tuesday evening himself to help line up. Parents are requested to come next Tuesday evening with their boys and see how fine they are doing.

Every person who can take an auto load of boys to McMinnville Friday evening, Dec. 16, please report to H. G. See or C. A. Morris as soon as possible.

The Newberg boys chorus now has enrolled one hundred and fifty boys. There will be an extra rehearsal on next Sunday afternoon at 3 o'clock at the Presbyterian church, but boys will not be expected to bring any money at this time.

McMinnville recently organized a Whitney Boys chorus and we understand that they only have about fifty enrolled and have no director at that place as yet. It is presumed that the concert which Rev. Whitney is arranging at McMinnville on the 16th is for the purpose of showing the

## OREGON PEOPLE HAVE JOINT DINNER IN IOWA

### TWENTY-THREE SURROUND TABLE

Former Newberg People Enjoy a Thanksgiving Feast at Oskaloosa Gymnasium

Newberg, Oregon, at Oskaloosa, Iowa, for Thanksgiving. All the Oregon folks in Oskaloosa send greetings to all the Iowa folks in Oregon.

According to newspaper reports the Oregon coast had great cause for Thanksgiving on the day set apart for such services, for a terrific storm that had tied up transportation and played havoc with wire service had abated. Of course, it was the "unusual thing" for Oregon to have such weather.

At Oskaloosa, in that blizzard bound and frigid state of Iowa, from whence so many have fled to escape the perils of ice and snow, the day was very salubrious with ideal weather and conditions.

It is not an uncommon thing to hear of an Iowa picnic in Oregon or California, but whoever heard of an Oregon picnic in Iowa? Well, that is exactly what happened.

It was decided during the dinner hour that a scribe be named whose duty it would be to chronicle the events of the day and forward the account to the Newberg Graphic with the personnel of the group and the Thanksgiving bill of fare.

The company gathered in the spacious rooms on the third floor of the Pent College gymnasium, and here the tables were spread for the feed. It seemed very fitting, indeed, to go to the gymnasium for such a spread as it gave ample opportunity for exercise between courses.

Twenty-three people sat down to dinner, nineteen of whom qualified as former Oregonians. The remaining four were invited guests. Those present were:

Dr. and Mrs. Henry Edwin McGrew of Penn College. Dr. McGrew was formerly president of Pacific College.

Prof. and Mrs. Harvey Wright and two children, Margaret and Russell. Mr. Wright is now principal of Penn Academy. He is a graduate of Pacific and a recent teacher in Newberg high school. Mrs. Wright was Miss Lena Spangle and a former grade teacher at Newberg.

Mr. and Mrs. Sam Terrell, who now live in a comfortable, suburban home near Oskaloosa, but who formerly lived in Newberg and built the house at Fifth and Meridian, now occupied by the Paxons.

Rev. and Mrs. Chas. O. Whitely, pastor of the Methodist church, and Robert W. Chas. O. Whitely is general superintendent of the Friends church in Iowa and will be remembered as a former pastor of the Friends church in Newberg. Mrs. Esther is now a freshman in Penn College, and Master Robert is a second year academy student.

Mr. and Mrs. Henry C. Wassom, parents of Mrs. Whitely, who spent eighteen months with the Whitely family at Newberg, now have charge of the Penn gymnasium building.

Mr. and Mrs. Henry Keeney, well known and popular in Newberg people. Mr. Keeney is a senior in Penn College and is coach of the academy athletics. He has closed the football season with a winning team. He was also unanimously voted the biggest eater in the crowd. Mrs. Keeney is a faculty member in the Penn school of commerce.

Miss Myrtle Mills, daughter of Seth A. Mills, is a teacher in Penn academy.

Miss Mildred Hollingsworth, who taught one year in the school at Springfield, is a senior in Penn.

Miss Esther Terrell who graduated from Pacific last year and is a senior in Penn.

The invited guests were: Emma F. Coffin, the mother of Dr. Homer Coffin of Portland, and sister of Mrs. Henry Allen, formerly matron of Pacific dormitory. Mrs. Coffin is a minister and held evangelistic services at Newberg, Salem and elsewhere in Oregon some years ago.

Mrs. Albert J. Brown and son, Robert. (Albert J. Brown, who is acting as pastor of the Friends church in Oskaloosa during the absence of E. H. Stranahan, was in Indiana on business.)

Oscar Struk of Sawyer, Wisconsin, a student at Penn, and lives in the home of Harvey Wright.

The following qualified but could not attend owing to previous engagements: Lester Pershio, who spent a year at Newberg attending Pacific, also his mother, Mrs. Emma Pershio, and sister, Miss Nora, who visited some months in the home of Professor Floyd Pershio of Pacific College.

And this is what we had to eat: First course—Baked chicken, gravy, oyster dressing, cranberry sauce, mashed potatoes, relish, sweet pickled pears, apple jelly, fruit salad, coffee.

Second course—Pumpkin pie, loganberry pie (genuine Oregon packed fruit).

Third course—Ice cream, fruit cake, coconut cake. —C. W.

people of McMinnville what the boys' chorus really is and thus arousing a greater interest in it there.
