BERRIANS ELECT OFFI-CERS FOR THIS YEAR R. A. BUTT RE-ELECTED CHIEF Chas. K. Hubbard Elected Assistant

Secretary-Other Old Officers All Re-Elected.

About one hundred Berrians turned out to the meeting which was held at the American legion hall on Wednesday evening and a very pleasant meeting was held. This was the annual meeting of the organization and the election of officers was taken up as the principal order of busi-

Chief Blackcap Butt opened the meeting and following a selection from the Berrian band, chief scribe logan V. D. Miller gave the secretary's report, covering the accomplishments of the past year as well as a brief history of the organization of the Berrians,

Mr. Butt then read the by-laws of the Berrians and proceeded to ap-point a nominating committee in accordance with the constitution. Prof. H. C. Ross, W. E. Paxson, Dr. R. W. VanValin, John U. Smith and Prof. S. F. WALLACE COMMENCES O. F. Kilham were appointed on this committee. During the interim, while the committee deliberated upon the selection of candidates for the various offices, the band played a selection and Mrs. Babcock sang two numbers, "Pale Moon" and "Oregon." Mr. Butt then called upon Mayor S. M. Calkins and R. J. Moore to make speeches which they did. Both gen-tlemen asserted that they believed that the present officers of the organization should be retained for another year.

The nominating committee returned with the suggestion that each officer be ballotted upon separately and Mr. Ross proceeded to read the names of the nominees for president or Chief Blackcap. The committee placed the names of R. A. Butt, H. G. See and Dr. R. W. VanValin before the meeting. Mr. See and Mr. Van Valin both withdrew their names and upon motion Mr. Butt

was unanimously elected. The committee proposed only one

giving of some programs by the boys in the near future and now that the holidays are over, it is expected that practices will be held regularly again.

The aim of the local organization is to get 200 boys, and while that looked utterly impossible at first,

now with only 27 to get to complete this number, it looks as though they would reach it very soon. Any boys who are not now in the chorus and who wish to join, should get in at once so that they will get the benefit of these early practices.

iliary and Daddies Are Guests of Honor.

Lester C. Rees Post American Legion gave a very pleasant dinner affair at the Legion hall last Saturday evening when the post members en-tertained in honor of the Ladies Auxiliary and the daddies of the ex-service men. About one hundred persons were in attendance and to say that it was a splendid success is but a mild expression of the facts.

The men of the navy acted as chefs and the way everyone "fell to" was better evidence than mere words of the quality of the feed. There was a delicious fruit salad, roast meat, mashed potatoes, gravy, but we would not attempt to name all of the delicious viands for we were really too busy stowing them away to be able to tell what all there was. Any how everyone went away fully satisfied with the very excellent dinner which was cooked by the navy men and served by the army men.

At the close of the dinner a short program was rendered. The Imperial orchestra rendered several excellent numbers and Paul Overend sang New Year's Day at the home of Mr. a couple of good songs. Mrs. Marie and Mrs. M. W. Gumm, when their K. Evans gave a short speech in daughter, Goldie Marie, was united which she expressed the appreciation of the auxiliary for the splendid feed and assured the boys of the hearty cooperation of the auxiliary. Hadley, cousin of the bride, sang "At Dawning" by Cadman, accom-panied by Mrs. M. C. Hunt, sister-in short speech in which he urged the organization of a daddies auxiliary to the Legion.

This concluded the formal program and the guests were dismissed with a Happy New Year from the tron of honor and Miss Geraldine hosts.

Mr. Dimond placed the name of Dr. VanValin in nomination from the floor and tellers were appointed to prepare ballots. and canvass the vote. Mr. Dimond was elected owing to a prevailing sentiment to re-elect all of the former officers again.

Attorney C. R. Chapin then arose and made a motion that the election of the rest of the officers be held over until 1923, but although this motion was carried on the spur of the moment, it was later called up on the suggestion of some of the members of the nominating committee and was voted down. Then upon motion of Rev. George H. Lee, the two offices where only one candidate was named, were filled by acclamation. These offices were chief scribe logan V. D. Miller and Gold Dollar keeper of the patch W. H. Woodworth. The nominating committee placed the names of W. V. Dolph and Chas. K. Hubbard before the meeting for assistant scribe and Mr. Hubbard was elected.

Following this the secretary read the names of the officers for the coming year as they were elected, all being the same as before -with exception of assistant scribe to which office Mr. Hubbard was elected.

John U. Smith then addressed the meeting and requested that a committee be appointed to represent the Berrians to appear before the county SPRINGBROOK MAN ELECTED court and ask that a member of the Berrians be placed upon the board which is to have charge of a county fair which will be held at McMinnville. Chester A. Dimond arose to request further information regarding this proposed fair, which Mr. Smith gave. Mr. R. J. Moore suggested the possibility that a county fair would necessitate the expenditure of county funds and thought it inadvisable at this time on that account. A lively discussion was precipitated on the subject but the motion prevailed.

The chair requested opinions on the matter of giving our moral support of the exposition. A motion was called for and the meeting voted to back the exposition to a member.

A mixed quartet composed of Mrs. Babcock, Miss Evah Hadley, R. P. Gill and Henry Craw rendered a selection and then the meeting adjourned to the anteroom where refreshments were served.

The Berrians made a splendid showing last year and it is hoped and expected that they will do as well again this coming year. However, this can only be true through the complete cooperation of the people of Newberg and the surrounding country. The Berrians have done much for the townspeople and farmers and they plan to do more. They can do it, if everyone helps, but they will be unable to reach their goal in proportion as the people fail to support them. It is unthinkable that there should be any failure upon such conditions. With the experience of

This basis of representation adopted at the time the association was organized was found to be unsatisfactory and an amendment was to the 19255 exposition movement passed at the election last January and Mr. Smith made a speech in favor providing for representation by districts and changing the annual election to April. This means that beginning with the April election the Newberg district will be entitled to
