There was a dance at Cady's hall Saturday night, but have not heard the particulars, only that there will be another one two weeks from that time.

Ethel McCormick and children and Mrs. McCormick's father were at Grandpa McCormick's Sunday. E. L. McCormick was also a visitor there Sunday.

Wednesday was a very cold day on the mountain. The temperature was down to 16 degrees above, and with no snow on the ground it will be bad for the grain.

Mr. and Mrs. Philip Booth are the proud parents of a baby girl, Geraldine Phoebe, who arrived Friday.

January 13. Mrs. Booth is a daughter of Mr. and Mrs. Henry Edwards. Mrs. Date Hutchens, who had her teeth extracted Friday and Saturday has been quite sick ever since. She is staying with her son, Monroe Hutchens, at West Chehalis, for a few days.

Hugh Bryon of Portland, brother of Myron Bryon, came out with his two sons, James and Kenneth, Sunday, to visit at the J. P. Jones home. Mr. Bryon returned to Portland Monday, but the boys will remain for a longer visit.

Our mail carrier, Mr. Frost, had some bad luck Tuesday with his Ford, which refused to go any further. Mr. Hult of Motor Inn came up with the intention of towing the machine in, but a machine does pretty well to pull its own weight over these hills in winter, so they had to give that up.

Sunday when Mr. and Mrs. Will Davis were going to visit John Davis the horses became frightened at a snowball which had been rolled out to the side of the road, and ran away. They upset the wagon, broke the harness and threw the occupants out of the wagon. Fortunately neither one was hurt beyond being shook up.

I am sorry I made so many mistakes last week in giving an account of Mr. McCormick's sickness and death, but I was so shocked to hear of it that I'll offer that as an excuse; and as you read another account in the Graphic, I'll not try to right them, but will tell a little of the funeral, which was held at the little church at Laurel on Thursday at 2 p. m. There were many floral offerings and a large crowd gathered to show their love and respect for both the living and dead. The family have our heartfelt sympathy.

MONDAY MUSICAL CLUB

The Monday musical club had a very interesting time at their meeting on Monday evening. Miss Britt conducted the program, the subject of which was, "How music got its name." Gluck was the composer who was chosen to demonstrate certain angles of the subject. Mrs. Goff gave a paper telling of his compositions and studies, and Miss Parrish and Miss Haskley sang arias from his works. Records were also used to give an idea of his musical genius.

W. S. Pyle of Coquiam, B. C., arrived here Thursday for a visit of several days with his uncle, C. B. Pyle.
