THE BERRIAN COUNCIL LAID PLANS FOR YEAR COMMITTEES WERE APPOINTED

Prize Offered in Contest to Be Held For Float Plans—To Give Benefit Show

The Berrian, council of the patch, met Monday at 4:30 p. m. and appointed the various permanent Berrian committees.

Entertainment committee—Dr. George H. Lee, chairman; Prof. Kilham, V. V. Gould, C. C. Ferguson, Miss Jennie D. Miller.

Membership committee—Herbert See, chairman; M. Calkins, W. H. Woodworth, C. A. Morris, W. H. Vernon, R. A. Butt, V. V. Gould, Wm. V. Dolph.

Finance committee—W. H. Woodworth, E. C. Baird, S. L. Parrett.

Various plans were discussed relative to entering a float in the Portland Rose Festival parade again this year, and the following float contest committee was appointed: R. J. Moore, chairman, W. W. Silver, Chester A. Dimond. It was suggested that this contest be worked out through the different school districts and that a prize of \$10.00 be given to the person whose float design is adopted by the council of the patch. It was also decided that the float contest committee should have charge of a Berrian song contest, and that \$5.00 should be given to the person presenting the best Berrian song.

Volunteer assistance relative to suggestions as to the kind of flowers to be used on the float, and volunteers who will agree to grow the flowers decided on, will certainly be appreciated. If you will closely watch the Graphic during the next two or three weeks you will know what flowers have been decided on. Then a unique idea would be for the entire city and community to not only cooperate to make our float a success by growing these flowers, but to grow these flowers in every parking and space possible, for the sake of beautifying our city and community. Those willing to show such cooperation should report as soon as possible to the float contest committee or any official of the Berrians. Above all else, feel free to make any suggestions that might be helpful, because "in numbers there is strength."

The following "general show committee" was appointed with authority to appoint such other committees as they may see fit: Dr. R. W. Van Vain, S. P. Timberlake, and C. E. Dawson. This committee already have plans well under way. The purpose of this committee is to stage a big entertainment consisting of local talent for the purpose of raising money for uniforms for the Berrian band. Dialogues, minstrels, quartets, legerdemain acts, etc., will probably make up part of the program. Anyway, it will be one of the best entertainments Newberg has ever given.

An informal invitation has already been extended to the Whitney chorus of Newberg so ably instructed and managed by Mr. Whitney, C. A. Morris, Herbert See and others, to become "The Whitney Junior Berrians of Newberg." However, it was thought advisable to send them a formal written invitation as well, and chief scribe Logan was instructed to act accordingly. V. Delbert Miller, chief scribe Logan.

Pitt Parker, the noted Boston cartoonist, crayon wizard, clay modeler and philosopher, who is to appear here on Friday evening, February 3, at Wood-Mar Hall, is not only one of the most unique figures of the platform, but is also one of the best cartoonists of the day.

He gives a great lecture—in itself—and for good measure he throws in some mighty clever cartoon work. His cartoons are not simply "funny pictures," they are everything a cartoon should be, an up-to-the-minute sketch portraying some phase of current life or opinion. And then comes Parker's clay modeling, a diversion from the usual cartoon program and a feature which is always thoroughly enjoyed. Critics have said that Parker excels in his colored landscape work. He has been spoken of as the "picturizing philosopher" and some of his quaint epigrams have been widely quoted. There is a purpose in his work—it is much more than entertainment—and each of his programs is closely correlated to some philosophical theme pertaining to the present or future.

Parker says he loves his work. He should—for the public certainly likes him. His coming lecture and chalk talk here is already arousing much interest in local circles.

Admission 35 and 50 cents. Seats on sale at Kienle's.

MISSIONARY ADDRESS
At the Methodist church, Sunday evening, February 5, Mrs. May Cominsky Bliss will give a lecture on Alaska.

Mrs. Bliss is field worker for the woman's home missionary society, and recently returned from a trip to Alaska. She has a fine collection of pictures of that northland which she will show with the lecture. Everyone is invited.

LESTER C. REES POST HELD A VERY UNIQUE SOCIAL AFFAIR

Lester C. Rees post American Legion held a very unique affair on last Friday evening, at the local legion hall. A squad from the army and one from the navy were detailed to go out and issue court martial summons to quite a number of the local business men and equipped with guns and awe-inspiring weapons they sallied forth and proceeded to drag in the luckless business men, many of whom had settled themselves down for a quiet evening at home.

As the various representatives of the city's commercial life were assembled at headquarters they were brought before the commanding officers and charged with various grievous offenses against the military laws and given sentence in keeping with the offense. The trials proved interesting and not a few of the victims developed a good deal of the knees at the dire threats and sentences imposed.

Of course the whole affair was a joke and after this part of the program was over the guests and legion men proceeded to make merry. Bert Miller and Charles Frick donned the gloves and gave an exhibition (?) of heavy weight slugging. Most of the slugs were misses, however, we are informed. At any rate the bout was declared a draw, which only goes to show that it certainly was a talking match or Charles would never have got started.

Brownie Newman and Bain Morris staged a barrel boxing match which was highly entertaining. Following these bouts old familiar army songs were sung and a peanut race in which it is said the wind got behind Overend's peanut, giving him an unfair advantage, was staged.

A feed consisting of navy beans, buns, coffee, polar cake, cookies and cigars rounded out a most enjoyable evening for all who were able to enjoy the legion's excellent hospitality.

WILL GIVE ENTERTAINMENT WASHINGTON'S BIRTHDAY

Further details will be given in the next issue of the Graphic. A splendid program is promised at popular prices.

The program committee are Miss Anderson, Mr. Ross, Hal Campbell and Mr. Moores.

WHITNEY BOYS' CONCERT

Whitney boys first public concert, Friday evening, February 17, at Friends church. Save this date.

The chorus met for its regular practice Tuesday evening. Nearly every member was present and each one entered heartily into the work before them.

A LEGION MEMORIAL COMMUNITY BUILDING WILL COST ABOUT \$20,000.00

Auditorium to Seat Twelve Hundred Will Provide A Real Need for This Community

Can anything be more fitting to those men who never returned from the world war than a memorial building devoted to the community? It is with this view in mind that the Legion of Newberg are sponsoring this proposed edifice. Surely those men deserve that what America says in her memorial shall speak of reconstruction, wholesome and fruitful activities and the progress of that civilization they have spent themselves for. We wish this memorial building to be a structure that shall help the living while it shall commemorate the dead.

The committee entrusted with the responsibility of this building are endeavoring to see that it is adequately equipped with facilities for all community interests and that these facilities shall take care of the future growth of Newberg.

The auditorium will seat approximately 1200 persons and the stage shall be as near standard as possible. It is fully realized that the revenue from the building will come from this source and the expenditure of money on this part of the building will not be spared.

A room designed for a banquet room and assembly room is also in the plans. This room to be in the front of the building facing on First street.

The financing of this building has been decided on with a few exceptions as to final details. It is proposed to sell shares of \$10.00, \$25.00 and \$50.00 denominations, these shares to be redeemable in admissions to any entertainments or events given by the Legion in their new quarters.

The purchaser of one of these shares is really buying a season ticket to these entertainments rather than making a donation from which he will receive no return. As to civic organizations, they can redeem their shares in rental on the auditorium or banquet room, the only ruling being that one half this rental be paid in cash.

We firmly believe that this finance scheme is one that is fair and that it will be successful.

Newberg is in need of such a community building, and to make it memorial also, is only fitting.

LIKE A LETTER FROM HOME

Topeka, Kas., Jan. 23, 1922.

Dear Sirs:—I am enclosing a check for \$2.00 to be applied on my subscription to your paper for the year 1922. We cannot do without the Graphic, for it is like a letter from home, and every issue makes us more homesick for good old Oregon. You will note the change in our address from Scottsville, Kansas, to Topeka, Kansas. We are hoping to not miss any issues. I remain, Yours truly, E. D. Brouillette, 19th and Oakley Ave, Topeka, Kansas.

Oldest Existing Fiction

The oldest existing piece of fiction, so far as anyone knows, is "The Tale of Two Brothers," written 32 centuries ago by Enana, a Theban scribe, who was librarian in the palace of King Meneptah, identified by some as the Pharaoh who held the Israelites in bondage.

The tale, which is written on 19 sheets of papyrus, appears to have been invented to entertain the crown prince, who subsequently ascended the Egyptian throne as Seti II. The manuscript reposes in the British museum in London, where it is known as the D'Orbigny papyrus.

COUNTY W. C. T. U. CONFERENCE HELD HERE

"OREGON FOR THE CONSTITUTION"

Sessions Held at Local Baptist Church Prove to Be Very Helpful and Interesting

With "Oregon for the Constitution" as its slogan, the Yamhill county W. C. T. U. held six conferences last week in six different communities of this county. These were conducted by the county president, Mrs. Lottie Hannon of Newberg, who was ably assisted by the state president, Mrs. Mary Mallet and Mrs. Ada Jolley, superintendent of the children's work, both of Portland. The object was to create a stronger sentiment in favor of the enforcement of the Eighteenth Amendment and the anti-cigarette law. "It is time that the citizen, upon whom we depend to uphold our Americanism, awakens to the realization that bootlegging is not a mere pastime but is a nefarious and traitorous business. The bootlegger, whether he be in the highest or lowest walks of life, is in the last analysis a law violator and a criminal." A loyal citizen of America will favor the enforcement of the Eighteenth Amendment not because he favors prohibition, but because he is in favor of the Constitution. To say that it is impossible to enforce this law is to do violence to American traditions and to underestimate the American spirit.

The conferences were all well attended and much renewed zeal was manifested. In five of the meetings a children's organization of the L. T. L. was perfected. The result of this will be far reaching, as the training will tend toward reverence for law. The children of today will safe-guard the future.

The Newberg conference was held in the Baptist church on Tuesday afternoon, at which time Mrs. Mallet president of the Oregon W. C. T. U., gave some of the experiences as an officer of the juvenile court of Multnomah county.

Around the banquet table in the evening was a conference with the city officials, the ministers of the town and a committee from each church appointed by the respective pastors, the president of the civic club and parent-teachers' association, with the state superintendent of the anti-saloon league, W. J. Herwig of Portland, who made a strong plea for a closer cooperation between the citizens and their officials. The final meeting was held later in the evening in the auditorium of the church, when Mr. Herwig spoke on "Law Enforcement."

The ladies of the local W. C. T. U. furnished the banquet table with chicken pie, plum pudding and all the rest that goes to make a bountiful feast.

Several fine posters from the young folks of the public and high schools were on display as a result of a poster contest in the interest of the anti-cigarette law.

WHEN YOU MAKE YOUR WIFE LAUGH, YOU'RE GOOD

It was during the filming of one of the scenes in "The Mark of Zorro" that afforded Miss Mary Pickford, in private life, Mrs. Douglas Fairbanks, no end of amusement and that her laughter, as well as those present, appeared almost uncontrollable. It all occurred one afternoon when she was at leisure and decided to view friends and her husband cut his capers before the camera and thereupon chanced to see Doug as "Don Diego Vega," one of the characters in the story. As "Don Diego" he made a slow exit from a palatial hacienda in an extremely lazy, indolent manner gaily arrayed and assisted by two servants in mounting a small harmless burro adorned with a silver bridle. And as one of the servants unfolds a parasol and hands it to him, the weary uninterested Doug ambled away. Here was a strong contrast to those antics always undergone by the strenuous Doug. This scene furnishes many a laugh in "The Mark of Zorro" coming to the Baker theatre, Wednesday and Thursday.

CLUB WILL SERVE DINNER AND GIVE ENTERTAINMENT

The civic improvement club will serve a six o'clock dinner at the Legion hall next Wednesday, February 8, followed at eight o'clock by an entertainment, the program consisting of minstrels, sleight of hand, fashion show and musical numbers in costume.

The ladies of the civic improvement club are giving this dinner and entertainment to start a fund for an undertaking that will mean much for the city of Newberg. If you cannot go to both the supper and entertainment, attend one, and show the ladies you appreciate their efforts.

CARD OF THANKS

We desire to thank our many friends and relatives for their kind thoughtfulness during the last illness, and for the many beautiful floral offerings and kind expressions of sympathy for the death of our beloved wife and mother, Mrs. William H. Galland, Mr. and Mrs. S. E. Watkins and family.

BETSEY ANN DIMOND PASSED AWAY SUDDENLY IN PORTLAND

Betsey Ann Weeks, daughter of James P. and Mary Weeks, was born at Diana, New York, May 8, 1846, and died at Portland, Oregon, January 30, 1922, aged 75 years, 8 months and 22 days.

In 1852 the Weeks family left the old home in New York and moved west to Wisconsin where they settled at Lyons in Waiworth county.

In 1866 they moved to Minnesota, settling first near Long Prairie and on October 11, 1868, Betsey Ann Weeks was united in marriage with Henry A. Dimond at Hartford, Minnesota. To this union seven children were born as follows:

Frances Elizabeth, Wickwire, of Portland, Oregon; Charles Henry Dimond of St. Paul, Minnesota; Samuel Abel Dimond of Portland, Oregon; Leonora Julia Weeks of Portland, Oregon; Leopold Ernest Dimond, deceased in infancy; Katherine Leona Oppen of Prineville, Oregon; and Chester Arthur Dimond of Newberg, Oregon. In September, 1904, the Dimond family came to Newberg, Oregon, where the family home was established and maintained until the death of the father in 1917.

The deceased was the fourth of eight children, four of whom are still living. She was converted at an early age and has lived a consistent Christian life. She was a good wife and mother and her life was all centered in her home, her greatest desire being to raise up a family who would be an honor to their country and true to their God.

Besides the children enumerated above, she leaves two sisters, Mrs. Minnie A. Bohall of Newberg, Oregon, and Mrs. Martha J. Lloyd of Vancouver, Washington, and two brothers, Fremont Weeks of Sauk Centre, Minnesota, and Leroy Weeks, of Minneapolis, Minnesota; besides grandchildren, nieces, nephews and other relatives. The husband, Henry A. Dimond, preceded her to the heavenly home on August 12, 1917.

Mrs. Dimond had been in failing health for months past, having suffered from heart trouble, but death was hastened by a paralytic stroke which occurred at the home of her daughter, Mrs. Frances Wickwire, in Portland on January 26, 1922, and she soon lapsed into an unconsciousness from which she never emerged.

Although the family had known for some time that she was fast falling in health, the loss of "mother" is nevertheless a heavy one to all of them.

Funeral services were conducted from the M. E. church in this city at 2 p. m. Wednesday, February 1, Rev. Chas. E. Gibson officiating. Interment followed in the local cemetery.

WEDDING BELLS IN PROSPECT AT FERNWOOD

An engagement of interest in Fernwood is that of Miss Augusta Niederberger and Vernon Groff, who are to be married soon. Vernon is the only son of Mr. and Mrs. John Groff and was a volunteer in the late war. He is a member of Lester C. Rees Post American Legion. Miss Niederberger is a charming young lady and is the daughter of Mr. and Mrs. S. Niederberger of Dundee.

Mr. and Mrs. William Barnette entertained in their honor on Wednesday evening, January 25. Thirty-three guests enjoyed a delightful program of music by the Fernwood orchestra, Victrola music, and a vocal solo by Master Billy Shaw. The surprise of the evening was for the guests of honor, when little Billy and Aloha Shaw placed before them a large basket of gifts from their many neighbors and friends. It was a pleasure for all to see and admire these articles, as no two were alike. Mrs. Barnette served refreshments of sandwiches, cake and coffee. She was assisted by Mrs. H. E. Powell and Mrs. Wesley Boyes. Before leaving several guests gathered about the piano and sang "When Shall We Meet Again."

Many were the good wishes left for these young people, and thanks to Mr. and Mrs. Barnette for their warm hospitality.

C. E. CONVENTION TO BE HELD IN SALEM

The Christian Endeavorers of Oregon are making great plans for their 32nd annual convention which is to be held in Salem on February 16, 17, 18 and 19. In the past years two conventions have been held but it was decided to hold one all-state gathering this year and the result has been that an unusual program has been prepared.

The sessions open Thursday evening, the 16th, and a welcome will be extended to all the endevorsers by Governor Olcott and Mayor Holversen of Salem. Dr. Lapsey A. McAfee of Berkeley will give the keynote address.

WEDNESDAY CLUB

The Wednesday club met with Mrs. Britt. Mrs. Gibson read an article on the resources of Oregon. Mrs. Hannon gave her experiences on her visit to Crater Lake, and also to the caves in Josephine county. An unexpected part of the occasion was delicious refreshments served by the hostess.

BERRIANS WON BEAU- TIFUL SILVER TROPHY

BOOSTER YELL TOOK FIRST PRIZE

Cup Received from the Cherrians on Yell Contest at the State Fair Held Last Fall

The Berrians received a beautiful silver cup Saturday evening from the Salem Cherrians as the first prize in the yell competition with other booster organizations of the north-west at the Oregon state fair at Salem last fall. The cup, which stands about ten or twelve inches high, bears the following inscription: "Berrians, Best Yell, Booster Day, Oregon State Fair, 1921." On the side, The Berrians are greatly elated over this splendid trophy which they have thus added to their collection of prizes and esteem it all the more highly because of the very friendly relations which exist between the various booster organizations and the sentiment which it carries with it.

The yell, which the Berrians have used considerably at different times, was slightly changed for the state fair competition and as given at that time was:

"Rasperry, Blackberry, Loganberry, Straw,
Boll'em, Stew'em, Eat'em raw!
Rose Fair, State Fair, Berry Fair,
Hoo!
We'll boost Newberg; Oregon too!"

The spirit of cooperation which has been exhibited by the various booster organizations is certainly a fine thing and has provided one of the best parts of all of the Berrian affairs as well as the most enjoyable part of their participation in affairs elsewhere. The Vancouver Prunarians and the Salem Cherrians have been particularly kindly in their treatment and attitude towards the Berrians and this is greatly appreciated by the local boosters. One thing is certain, the Newberg Berrians stand ready at any time to cooperate with either of these two organizations in any way possible and will be glad to demonstrate their appreciation of the Prunarians and Cherrians support of the Berrians.

HAS BERRIAN WINDOW

V. V. Gould has a very pretty and timely window display arranged at his jewelry store this week. The window is in the nature of a boost for the Berrians. A large sign bearing the words, "Systemize your boosting by joining the Berrians" occupies a prominent position, while the various trophies, such as the float ribbon and the silver cup, as well as pictures of the float and Berry Festival scenes add to the attractiveness of the window. Drums, fezz caps, flares, etc., as reminders of the Salem trip are also displayed, while a kewpie doll in all its modest decorum, wearing principally a fezz cap, is supposed to represent Chief Black Cap R. A. Butt. Coming just before the time for the annual membership drive for the Berrians, it is a very timely display and one which will be greatly appreciated by the Berrians.

OREGON TO GET \$1,875,664 FOR FOREST ROADS

Of a fund of \$15,000,000 for national forest road work, appropriated under the federal highway act passed last fall, Oregon will receive \$1,875,664, according to word received by the local offices of the forest service Saturday.

The total appropriation was divided into two funds, according to the forest service, one of which will apply to highways of primary importance and the other to secondary road and trail work, to be used as the various national forests see fit. Oregon's allotment is drawn from both funds.

Under the legislative act, one appropriation was made for state highways, especially those roads that would be inter-state in character and promote coast-to-coast transportation. Another fund was provided to apply strictly to national forest roads, and to go to only those states where government timber is held. This is the appropriation just announced according to the forest service.

The money will become available at once, but will probably not be put to use until spring.—Telegram.
