

BERRIAN MINSTRELS WILL BE BIG AFFAIR

CAN GET TICKETS RESERVED FREE

Good Show Is Promised and Our Attendance Will Help to Uniform the Newberg Berrian Band

The Berriap minstrel committee reports that the big entertainment which they are to give at Wood-Mar hall on Monday and Tuesday nights of next week is rapidly rounding into professional form. They say that Newberg will surely be agreeably surprised at the ability and talent that has been slumbering in our very midst. In fact, they say, that they have been obliged to cut out some very good stunts lest the program might become too long. Their aim has been to work in all the local color possible and they feel delighted with the result and say that the show is a scream from beginning to end.

Everyone is cautioned to look out, for there will be laughable, harmless jokes on most everybody in the city and among the lot there are some that will cause you to hold your sides with one hand and wipe your eyes with the other.

The program will be varied and will be given in two parts. The first part will be given over to the minstrels, with John U. Smith in the role of interlocutor, and Joshua Jenkins and Ebony Liverlip as premier end men. The second part of the show will include vaudeville, stunts, etc. Ony Kramien will be seen in some wonderful legerdemain work. The Newberg Whitney boys will appear in popular songs and other features will make up a big evening's entertainment.

The Newberg Berrian band will give demonstrations on the street before the show each night and in view of the fact that these two shows are being given as a benefit for the band, they are naturally very anxious to see it a financial success. Aside from the positive assurance that everyone who buys a ticket will get their money's worth in entertainment, there will be the satisfaction of knowing that we are helping provide new uniforms for our band.

The sale of tickets is most gratifying and those having this in charge report that there is a keen demand for the tickets. There is one feature which has either not been sufficiently explained or is generally misunderstood. This is that all tickets are for reserved seats and that without extra expense the holders may have them reserved at Graham's drug store.

One feature of the entertainment is the large amount of new stuff that will be given. There will be many new songs, some of which were written especially for this show and the score for the opening was written by a member of the troupe. There are also many new jokes and many local hits. No one can afford to miss this entertainment.

The public should bear in mind the fact that this show will be given both Monday and Tuesday nights. It is the hope and aim of the Berrians to have a full house both nights. Everyone who goes the first night is requested to phone their friends and tell them about the show and make sure that there is a good crowd for the second night also.

This entertainment should appeal to both city people and country folks for there are both country people and city people in the east and one number on the program is a country school. Moreover the people in the country should be interested in the financial success of this undertaking also for the Berriap is an organization largely in the interests of the country people.

JACKIE COOGAN IS THE RYDZEWSKI OF CHECKERS

Although he is only six years of age, little Jackie Coogan knows how to play checkers, and can give many pointers on the game to persons much older than he is.

If you doubt that, go to see him in "My Boy," his latest Associated First National release, which will be shown at the Baker Theatre Wednesday and Thursday, March 8 and 9.

Jackie really plays the game; that will be readily admitted, for no director could coach him so thoroughly that he could make the moves he does if he didn't know the game from A to Z.

And ask Claude Dillingwater, who plays the part of the old sea captain in the picture, if Jackie doesn't know the game.

"He's the boy checker wonder," is the actor's tribute to Jackie.

MONDAY MUSIC CLUB

The Monday musical club met Monday evening. The subject for consideration was negro music, and a most interesting program had been prepared. The first number was a paper by Mrs. Gibson on the "Music of the Negro." Mrs. Swart read Joel Chandler Harris' story, "Br'er Rabbit and the Tar Baby." Miss Hadley sang "The Old Ark's Moverin'." Roll call was responded to with quotations from Paul Laurence Dunbar, and was an exceedingly interesting part of the program. Miss Helen Robertson was elected to membership.

THE SMITH FAMILY

The Smith family, who are so well known in Newberg as to need no further introduction, will be at the Nazarene church for a ten days' meeting commencing tonight, Thursday. Meetings will be held each evening commencing at 7:30. The Smiths are all musicians with rare accomplishments and doubtless their meetings will be greeted with a large attendance each evening.

STATE ORATORY CONTEST AT P. C. MAR. 10

EIGHT COLLEGES WILL COMPETE

C. F. Hinshaw Will Represent Pacific College in the State Oratorical Contest to Be Held Here

Nine Institutions to Take Part
Pacific College will entertain the inter-collegiate oratorical association of Oregon on March 10. The annual oratorical contest will be held at Wood-Mar hall on the evening of that day. Willamette University, University of Oregon, Eugene Bible University, Oregon Agricultural College, Oregon State Normal, Linfield College, Albany College, Pacific University and Pacific College will have representatives in the contest.

C. F. Hinshaw to Represent Pacific
Cecil F. Hinshaw will represent Pacific in the contest and will give his oration, "The Star of Peace," which in its original form won the local contest. Mr. Hinshaw is a speaker of some experience; he has represented the College in debate two succeeding years and was a member of the winning team here on the 18th of February when Pacific met Albany College.

The program director, Eva Miles, has arranged to vary the program with some especially good musical numbers to be given by members of the student body, and the auditorium decorating committee has plans well under way for making the chapel a very charming place in which to listen to the orators.

At Least 100 Guests Expected

Since each school is entitled to send numerous delegates the executive staff is preparing for the entertainment of not fewer than one-hundred guests. Thanks to the careful and early work done by Harriett Hodgins, president of the oratorical association, in organizing her workers, visiting students can expect to be well taken care of. Hubert Armstrong is general manager of the following committees: The Information committee, headed by Clara Calkins, which will arrange for the entertainment of the visitors in various Newberg homes; the Town committee, with Cassius Carter as chairman, which will meet guests at the city station; and the College committee, under the supervision of Ellis Beals, to meet the guests at the college station. Lucille Clough, the chairman of the tourist committee will attend to showing the visitors over the buildings; Walter Cook is head of the General Service committee and will do all the last minute rushing.

Anna Mills is the manager of the banquet and decorations. Flora Campbell, Beth Paulson, Cecil Goodrich, Richard Haworth and Mary Elliott are the under officials. Daisee Lefler has charge of the printing and advertising.

Banquet Will be Held in Legion Hall

The contest will be held in the auditorium of Wood-Mar at 7:30, March 10. After the contest proper, which will close quite late, there will be a banquet held in the Legion hall, for the delegates and college students. The Ladies Auxiliary of Pacific College have been engaged to prepare the food. There will be at least 150 at the banquet.

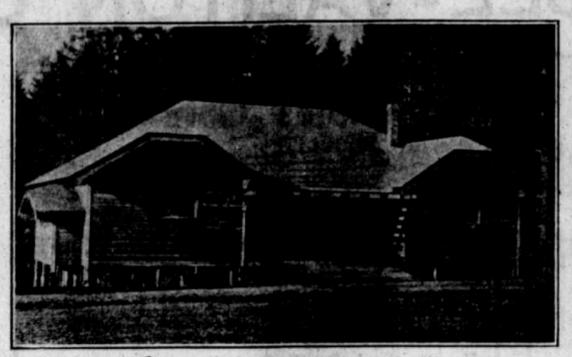

Prize Will be Gold Medal

The winner of the contest will be awarded a gold medal, valued at \$25. This is the sum of money agreed on by the association. The medal will be awarded at the close of the contest by the president. The design of the medal has been made hitherto by the college which entertained the delegates. It is hoped that a satisfactory design will be made some time that will be suitable for all time.—Crescent.

BASEBALL OUTLOOK AT P. C.

Pacific College expects to start training for the baseball season about the middle of this month. Prospects this year are quite bright for the local collegians. They have eight letter men from which to draw a line-up and also a number of likely looking prospects among the new members. The eight letter men who will appear on the diamond for Pacific this year are: Zenas Perisheo, last year's captain, third base; Herman Elliott, shortstop; Horac Terrell, center field; Eldon Everest, left field; Cassius Carter, second base; Walter Cook, third base; Hubert Armstrong, catcher; and C. S. Pil, pitcher and captain of this year's team. Professor Perisheo expects to assist the boys by coaching them and it is probable that with so many old players in their line-up they should win the greater part of their games this year. Games will be played with Pacific University and with Linfield College, and probably two games with Chemawa.

LADD HILL COMMERCIAL CLUB BUILDING IS SPLENDID TYPE FOR A RURAL COMMUNITY—BUILDING OPENED NEW YEARS

The above is the picture of the new Ladd Hill Commercial club building which was dedicated on New Years eve of this year. Several of the communities around Newberg have their community buildings aside from their school houses and churches and others we understand are contemplating the erection of similar structures. Rex, Fernwood and Dundee have community buildings which have proved of great value to their communities. We give herewith a short history of the Ladd Hill club and its activities, and of their building.

The Ladd Hill people commenced by organizing a literary society in the spring of 1914 and met in their school house. In the fall of that year they organized the Ladd Hill Commercial club which was at first for men only. Later they took in the ladies of the community as members. Not long after organizing, they perceived the need of a community building and commenced the erection of their first club house. This was completed and dedicated on February 27, 1915.

The aim of the club was the betterment of their community and they took up such matters as good roads, community problems, etc. Social affairs were held from time to time and the club proved to be an excellent thing for these people. Their club house is located about eight miles east of Newberg in the Ladd Hill section.

On July 16, 1921, their club house was destroyed by fire, but they had insurance to the amount of \$1080 and realizing the value of the club and the club house to the community they immediately set to work to replace the building. Actual work on the new hall was commenced on November 15, 1921, and the hall was finished and dedicated on the following New Years eve. The new hall cost \$2600. Its over all dimensions are 46x64, while the main floor is 30x50. There is a stage across one end which is 14x30, and a promenade 8x52. The ladies' cloak room is 14x16 and the gentlemen's coat room is 8x14, while the kitchen is 8x20 and the music room 8x12.

The building is lighted with electric lights and is ceiled throughout and is painted in three colors. The club has a piano, benches, and dishes enough to accommodate 100 persons. The club numbers 45 members at present and its officers are as follows: President C. A. Allen, vice-president, S. S. Parrett, secretary C. C. Loucks, treasurer J. A. Parrett, sergeant at arms R. H. Walls and board of directors C. H. Ives, Mrs. J. A. Parrett, William Russell, C. M. Kiser and George W. Smith.

We are informed that it is planned to hold Sunday school and services at the club house this coming summer and in all public gatherings of the club to be held in this building.

NEWBERG AND SPRINGBROOK CANNERIES TO RUN STRONGER

S. L. Parrett attended a meeting of the stockholders of the local cannery in Portland on Wednesday at which several important matters were taken up. Arrangements were practically completed for the running of the canneries at Newberg and Lebanon this coming summer and Mr. Parrett says that the outlook is that they will be operated to a much larger extent than last year. Mr. Parrett and M. F. Corrikan of McMinnville were elected directors of the Oregon Canning company at this meeting. The Springbrook Packing company have purchased the cannery at Springbrook and are increasing their capital with a view to operating their plant this summer. They will pack the fruit of the stockholders of their company. This is all good news to the fruit growers of this district as it means a certain market for their fruit this year. Last year everything was up in the air right up until picking time was at hand. The growers will be greatly pleased to know that they will know what to count on this year in advance.

WILL GIVE BIG SUPPER AND SHOW AT REX HALL

The Advance club of Rex will give a supper and show at the club hall at Rex on Wednesday evening, March 8. Smoked sausage will be the feature of the supper, while the show promises to be a good one. The price of admission to both show and supper has been set at 50c and certainly everyone should be able to get their money's worth at such a nominal price. Having eaten one of the Rex people's dinners we are ready to testify to their ability to make your mouth water, and advise the people of Newberg to attend this affair if they don't want to miss a good evening's entertainment and supper.

WHITNEY BOYS MET

The Whitney boys met last Monday evening in a fine practice. Several men of the town met and enlisted their services, which was much appreciated. Also Mrs. Dimond assisted with the alto part. Every man in town who likes music and enjoys singing is urged to come.

The boys have already started on three very fine new songs for their next concert.

There will be no Whitney practice on next Tuesday evening, March 7, on account of the Berrian entertainment on Monday and Tuesday evenings, which is to raise money to buy suits for the band boys.

We are all proud of our band, and everyone should show it by being at the minstrel entertainment.

MARRIED

BEATTY-RICE—Celmor H. Beatty, 28, of Newberg, Or., and Fern E. Rice, 18, of Newberg, Or.—Thursday at February 27, 1922; interment at West Chehalum.

ON TO MC MINNVILLE FOR BIG GAME FRIDAY NIGHT IS CALL

Arrangements are being made for a big delegation to go from here to McMinnville Friday night of this week to attend the return basketball game between Newberg high school and McMinnville high, which will be played in the college gymnasium at that place. McMinnville has said that she can beat us on her home floor and one of their number said that she can beat our boys by 20 points up there. A big crowd of rooters and townspeople are going up to watch our boys prove that it can't be said. A call is issued to every person interested in basketball or in our local high school to get out their cars and secure a load of people to go to McMinnville on Friday night. Fifty carloads of people is the aim.

If you have a car and can possibly arrange to go meet at the post office at 6:45 in readiness for the start. If you can, secure a load to go with you, but if you can't get a load yourself, notify either Chester A. Dimond or Mr. Fitzpatrick and they will try to see that you are furnished with a load of passengers. Persons who wish to go and have no car should also get in touch with one of these. By all means make a big effort to go and help the local boys by your presence and your cheering. It will be a hard game and they will need your support. Another thing to be considered is that the local boys will get 40 per cent of the receipts of this game, and thus your financial aid will be a help to them.

The game will be played in the college gymnasium, which has a very large seating capacity. We understand that one whole side of the room will be reserved for the Newberg delegation. This should insure seats for everyone without crowding. It will be well worth your time and expense for it will be a great game. Remember the time, 6:45 p. m. Friday, and the place of meeting in front of the Newberg post office.

AMOS WOOD

Amos Wood, deceased, son of James and Susan Wood, was born in Monroe county, Missouri, July 4, 1847, and crossed the plains with his parents and family by ox teams to Oregon and settled in the Willamette valley in 1864, where he spent the remainder of his life except the last six months, which was spent with his sister at Hood River, Oregon, where he died Feb. 24, 1922.

The deceased was in his early youth united with the Methodist church and remained in the faith until his death at 74 years, seven months and 20 days. He leaves to mourn his loss four brothers and five sisters.

Funeral services were conducted by Rev. John Shires at the Hollingsworth undertaking parlors at 1 o'clock February 27, 1922; interment at West Chehalum.

WEDNESDAY CLUB MET

The Wednesday club met with Mrs. Spaulding at 717 Sheridan street this week. The answers to roll call were names and incidents connected with pioneers of Oregon. Mrs. Chapin read a paper on "History and Traditions of Oregon" which was much enjoyed. The next meeting is to be with Mrs. Terrell at 450 Wynoski street, and the subject of study is "Gold Discoveries of Oregon."

COUNTY FARM BUREAU ORGANIZATION ELECT

MEETING HELD AT MC MINNVILLE

Representatives of the Five Communities Met and Elected County Officers and Made Plans

Last Saturday at 2:30 o'clock in the Commercial club rooms at McMinnville was held a meeting to perfect the organization of the Yamhill county farm bureau federation. Each of the five local districts, Yamhill, Sheridan, Amity, McMinnville and Newberg, was represented by two voting delegates besides some members who attended to watch the proceedings. Newberg was represented by N. P. Nelson and R. F. King as delegates.

Col. Aird was present and explained the plan of electing county officers, presented a constitution and answered questions on various subjects. The election of officers was considered first. Mr. Corbett was elected president; N. P. Nelson vice-president, and Mr. White, secretary. These were elected by the ten delegates representing the five districts as named before.

The matter of finances was taken up. The expenses of the membership campaign were gone over and ways and means of handling outlined. Some questions and discussion as to the uses made of the money paid to the state federation by the local organizations were asked. Col. Aird outlined the different officers, their duties, salaries, etc., and the various other expenses, etc. The expenses of the membership campaign were discussed as to the proportionate share to be assumed by the state organization and the local organizations. It was decided to hold a meeting at McMinnville on Friday night, and attend to the accounts of the various locals. The question of the share of the funds and method of handling same was laid on the table until next meeting.

Col. Aird presented a constitution to be adopted by the county federation. After some consideration it was decided to present this at meetings of the local organizations for their approval or disapproval.

The question of county manager was brought before the meeting. No decision was reached in the selection of a man but the kind of a man needed and his duties were talked over. Action was postponed until the next meeting, which is to be held next Saturday at the same time and place. It is hoped at this coming meeting to perfect an organization that will be able to carry on the business of the farm bureau federation in Yamhill county as it is carried on in other counties of Oregon and other states. In the meantime there are to be meetings of the several locals to express their opinions and desires that the delegates may represent the entire membership.

DISTRICT SUNDAY SCHOOL INSTITUTE HELD FRIDAY

The district Sunday school institute which was held at the Christian church was fairly well attended last Friday afternoon and evening. A basket supper was held at 6 o'clock and is reported to have been a very pleasant affair.

The principal speakers were Rev. A. J. Ware of Oregon City and Miss Georgia Parker, from the state Sunday school association in Portland. Department conferences were held covering Sunday school work in the various departments.

In the evening Rev. Ware gave an address on the text "What is that in thy hand?" Rev. Ware brought out the value of utilizing the things which one has at hand rather than always looking for something new. Miss Parker also gave a short talk covering the various lines of Sunday school work.

FEDERATION MEETING

The Yamhill county community federation will meet in its regular monthly meeting in the Pleasantdale school house March 7, 1922, at 8 p. m.

This is a country point and a community center. They are making preparations for your entertainment and are expecting a large attendance. A program is being arranged of local talent together with two speakers from Salem who will deal with interesting subjects. Be sure to avail yourself of this pleasant evening and reward this community for its endeavor by your coming.

Come to Dayton, then drive three miles south on the "river road" to the first school house, Yamhill County Community Federation, L. L. Thornton, secretary.

C. M. Ryan spent last Friday in Portland.

NEWBERG HIGH WON GAME FROM MAC HERE

THE FINAL SCORE WAS 20 TO 15

Both Teams Played Good Games, But Newberg Was Superior on the Defense and Shooting

With the slogan "Get Mac's Goat" Newberg went after McMinnville's natty last Tuesday night at the local high school gymnasium with such good effect that they carried off the long end of a 20 to 15 score. It was a mighty good game from start to finish and was certainly no walk away for the local boys even though they did win by a safe margin. The largest crowd which probably ever witnessed a local high school basketball game was in attendance and as a result the high school probably took in about \$250 on the game, 40 per cent of which went to the McMinnville team. A large crowd of rooters came down from McMinnville and this was augmented by an unusually large turnout of both students and townspeople from Newberg.

Bill Reinhart of the University of Oregon, whose home is at Salem, refereed the game and while there was some criticism because he held the teams down too close and some thought he favored the McMinnville team, on the whole we think he did a pretty good job of refereeing and considering the bitter rivalry spirit which exists between these two teams, it was probably wise to hold them down closely.

From the first whistle to the very close it was a real fight and both teams were on their mettle. McMinnville drew first blood when they scored one point on a foul shot and Newberg went them one better almost immediately by throwing a field basket, netting them two points. Carson made six field goals for Newberg in the first half and converted two fouls, making a total of 14 points for Newberg, while Jones and Shipley each got one field basket and Shipley converted six fouls for McMinnville in the first half, making them ten points. Both teams played a splendid game of ball. Newberg was especially strong on defense and played some excellent team work. Their greatest weakness seemed to be

some last repeated attempts in long shots for field baskets which in most cases resulted in McMinnville recovering the ball. McMinnville was strong on team passing, and time after time passed the ball all over the floor, but they seemed unable to find the basket, and often lost the ball before they could get a chance to throw.

In the second half both teams tightened up their defense and as a result the score in this half was very small. Newberg making 6 and McMinnville 5 points. Carson made two field goals and Mainwaring one for Newberg, bringing their total score up to 20, and Agee and Robbins each made a field goal and Shipley converted one foul in this half for McMinnville, bringing their total up to 15.

Some idea of the close way in which the referee was holding the boys down may be seen from the fact that Newberg was credited with making eight fouls and McMinnville with nine. Of these fouls Carson was charged with one, Nelson with three, Carlisle with one and Mainwaring two. While on the McMinnville team Agee, Robbins and Jones were each charged with three. It will be seen that McMinnville made only four field baskets during the game while Newberg made nine. However, McMinnville converted seven out of eight of their foul shots, while Newberg only converted two out of a possible nine.

Newberg's defense in this game was the outstanding feature, but no one should get the idea that McMinnville did not play good ball themselves for they seemed to be on the jump all of the time and kept Newberg hustling to beat them. At one time in the second half McMinnville was one point ahead and many Newberg people were on the anxious seat for a short time, but the Newberg boys soon came back with a couple of field baskets and turned the tide again. Everyone who saw this game agrees that they got the worth of their money, for it was certainly a fine game from the spectator's standpoint and of course the fact that the home team won added to the enjoyment of the occasion.

Newberg's line-up was: Right forward, Carson; left forward, Wayne Nelson; center, Carlisle; right guard, Mainwaring; and left guard, Cronin. McMinnville's line-up was: Right forward, Agee; left forward, Robbins; center, Jones; right guard, Shipley; left guard, Olmsted.

This was the first of a two game series which is supposed to decide the championship of this district. Up to this game McMinnville had not been defeated this season, while while Newberg had only lost one game to Tillamook, which team has not played Mac so far. McMinnville says that she is going to beat Newberg in the return game at McMinnville on Friday night of this week, but the local boys opine differently and this promises to be an even more exciting contest than the one here Tuesday night.
