### NEWBERG BOY AWARDED A GOVERNMENT COMPENSATION

Disabled because of service in the world war, Nyrton Bryan of Newberg has been awarded government compensation of \$80.08 a month by the United States veterans' bureau at its Seattle district office. He will receive \$96.52 back compensation.

Announcement was made by officials of the veterans' bureau that plans are being pushed for the establishment of a large hospital in the Pacific northwest to take care of mental cases. A measure now pending in Congress will provide funds for this purpose. The hospital would at first house 250 mental cases and later 500 veterans, according to the plans.

With a total of 2,129 tubercular cases among war veterans in this district of the veterans' bureau, reported to date, tuberculosis among former service men is gaining steadily despite the fact that the war ended more than three years ago, according to L. C. Jessop, of Seattle, district manager. Fifty veterans have been hospitalized in Washington, Oregon and Idaho since January 1. Of the number of cases arrested, 91 ex-service men are now taking vocational training.

### FORMER NEWBERG PASTOR DIED AT WALLA WALLA

The following article from the Walla Walla Bulletin tells of the death and funeral of Rev. Arthur Palmer, who was at one time pastor of the local Presbyterian church and who has many friends here who will learn of his death with deep sorrow. Rev. Palmer was pastor in Newberg in 1913 and 1914:

Funeral services for the Rev. Arthur A. Palmer, who died at his home, 555 Balm street, Monday morning, will be held at 2 o'clock Thursday afternoon, from the First Presbyterian church, Rev. H. S. Reichard officiating.

Rev. Palmer was born at Chatfield, Minn., March, 1873. He obtained his education at McAllister college, St. Paul, and McCormick seminary, Chicago. Upon his graduation, he became a Presbyterian minister, and continued in the work until the time of his illness. He held pastorates at Ballatin, Madella, Moran and Howard Lake, Minn.; Newberg, Ore.; and Colgate Place and Garfield, Wash.

### TILLAMOOK HIGH SCHOOL GETS ANOTHER CHANCE

Supt. A. C. Stanbrough went to Forest Grove on Thursday where he met with Supt. Bott and Prof. Turnbull of Tillamook regarding the district basket ball championship. Word was received from Forest Grove this afternoon that it was decided that if McMinnville is defeated by Tillamook Saturday night, that Newberg will have to play another game with Tillamook on Monday night at McMinnville. We do not know why this arrangement was decided upon and think that Newberg has been given a raw deal, but suppose there is no use to squeal. Newberg usually gets a raw deal anyway and we might as well get used to it. It simply means that it is now up to the Newberg team to play their best brand of ball and beat Tillamook and they can do it too.

### DINNER AND PROGRAM WAS GIVEN AT REX LAST EVE

The smoked sausage dinner and program given at the Advance hall at Rex last evening was a very enjoyable affair. A large crowd attended and filled the big room. Many Newberg people autoed up to our neighboring community center and enjoyed the evening's entertainment, showing the friendly relations which exist between the people of Newberg and the people of the Rex community. Following the dinner, which consisted not only of smoked sausage but all those good things which go with it to make a good dinner, a very interesting program was given. A duet by Chas. A. Morris and Bert Miller was very pleasing, while the Portland post office quartet, composed of Messrs. Brown, Davis, Ackerson and Hoadley, was also good. Miss Evah Hadley sang a solo and was accompanied by Miss Robertson. Miss Rooker gave a reading. A piano solo was given by Mr. Wood and a reading by R. E. Brown. An instrumental duet in which Mary Harmon played piano and May Waterman violin was another good number.

### CHEHALEM MOUNTAIN (Continued from page four)

from Portland, where he and his family have been quite sick with the flu. He says the folks are all well again and the children started in school again Monday morning.

The rain that started in Thursday night was sure welcome to the mountaineers as we've had so much snow this winter, but we talked too quick, as a heavy fall of snow came Friday night and all day and night Saturday.

We are sorry to have missed the Berrian minstrel, but the weather and roads being so bad, we are thankful to get to town once a week with our cream without taking any night trips; but we know we missed a good time.

Mr. and Mrs. Perry Kohl and Mr. and Mrs. Roy McDougall went to Newberg Thursday and went on out to Dayton and took dinner with the James McDougall family. D. A. Honey and Fred Wohlschlagel were also Newberg visitors on Thursday.

Roy McDougall and family spent Sunday at the Henry Versteeg home. We mean the part of the day that wasn't spent in trying to start the Ford. We are afraid Lizzie Ford has something wrong internally and must soon have an operation performed or go to the junk heap forever.

Friday Mr. Frost's horse gave out and he was unable to complete the delivery of the mail. However, he left the mail belonging on the mountain at Mr. Buzan's, so without much trouble we all got our mail. We don't blame the horse for getting discouraged at the awful roads he has to go over every day. We would too.

Mrs. J. P. Jones arrived home Tuesday from Beaver, Oregon. She brought home with her the twin boys who arrived at her daughter's home recently. They had grown so much that a team had to be hitched on to the front of the Ford to help them up the hill. Mr. Lane brought the folks out and returned to his home Wednesday morning.
