

NEWBERG GRAPHIC

SCHOOL PAPERS FORM DISTRICT ASSOCIATION

MEETING HELD HERE ON TUESDAY

Representatives of Ten High School and College Papers Attend the First Meeting

Newberg high school and especially the staff of the N. H. S. Echoes were hosts to a gathering of editors, business managers and staff members of the various high school and college papers of this district on Tuesday afternoon and evening of this week. This was probably the first district convention of this sort ever held and was attended by about thirty persons representing Forest Grove, Amity, McMinnville, Woodburn, Sheridan, Willamina, Dayton and Newberg high schools and Pacific College and Linfield College. The meeting was called at 1 p. m. and was held at the local high school building.

Supt. A. C. Stanbrough of the Newberg schools acted as chairman of the meeting and introduced the various speakers. Dean Eric V. Allen of the department of journalism of the U. of O. was the first speaker. Dean Allen is no theorist on the subject of journalism in any of its branches and the talk which he gave to those in attendance was of the most practical type and dealt with many of the daily problems which they have to face. Dean Allen commended the idea of having a district organization and spoke of the difficulty which school publications experience in constantly changing staff, the old members going out just when they have attained a degree of efficiency. He spoke of the state convention which is to be held at Eugene and urged many to attend.

Dean Allen emphasized the fact that the school paper, as a newspaper, is a new thing. He picked up three different school papers and called attention to the fact that all three used the different methods of handling school news, such as the column in the local paper, the mimeograph form, the separate school paper, and the supplement to the local paper, as is used at Baker, Oregon. This last plan he especially recommended. Going into the making of the paper Dean Allen gave many good suggestions as to headings, arrangement of advertising, etc. At the close of his talk he also answered a number of questions for those present.

Robert C. Hall, manager of the University Press, was also present and made a short talk along similar lines as those followed by Dean Allen. Mr. Hall went still further into the mechanical construction of the paper and added some points to Dean Allen's talk.

W. H. Chatten of the Hicks-Chattem company was the next speaker and told the students of the important part which engravings play in the successful production of a good annual. He showed how they could get better engravings by following some different methods in ordering cuts and in getting photographs. He urged the use of larger faces and less background as a big help in getting a better annual and urged students to always get in touch with their printer before taking any other steps. He suggested the importance of having a dummy from which to work in building their annual. Following this talk an adjournment was taken until 5:30, when a splendid dinner was served.

The dinner, which was served in the domestic art room, was prepared and served by Mrs. Waterman and the domestic science girls, and it was a very great success in every way. Everything was delicious and the dinner was an exceptionally well balanced one. Grouped around tables each of which accommodated about eight persons the dinner hour passed all too quickly with pleasant conversation and the pastime of eating.

Supt. Stanbrough acted as toastmaster and introduced Chester A. Dimond as the first speaker of the evening, asking him to give those present something on the practical side of the school paper. Mr. Dimond outlined some of the cardinal principles of proper journalism and made a number of suggestions regarding the handling of the school paper. He urged the importance of fair dealing among the schools in the write-ups and the cooperation of the students and the editorial part of the paper with the merchants who supported them with advertising.

Supt. Stanbrough then called upon the editors of the various school papers which were represented and while none of them spoke at length, practically all were unanimous in proclaiming the gathering a success and some very pertinent remarks were made. Short talks were made by Miss Alice Cameron, editor of the McMinnville McMinnvillian; Virgil Lilly, editor of the Forest Grove Optimist; Harold Bliss, editor of the Linfield College Review; Ralph Farham, editor of the Willamina paper; Miss Esther Long, editor of the Woodburn Wireless; Margaret Stimler, of the Dayton school paper; Carroll Chapman of the Sheridan Runabout; Horace Terrell of the Pacific College Crescent; Robert Brown of the Newberg Echoes; and Hugh Parker, editor of the Lincolnian, the McMinnville high school annual.

Following these talks Mr. Stan-

NEWBERG VISITED BY HOUSE-BREAKERS SATURDAY NIGHT

Newberg was visited by house-breakers last Saturday night and as a result at least thirteen places have reported being broken into that night. All together the robbers didn't get enough to pay for their trouble and it is probable they will give Newberg a black eye among the "profession" and steer clear of here in the future. It is highly probable that they were a bunch of amateurs for they left many valuables which might have been taken and apparently picked out people living in two-story houses and confined their efforts entirely to the lower floors.

So far as we can learn, no one heard them at any of the places visited and it was not until the next day that word began to come to the city marshal of what had happened. Prof. Kilham lost a typewriter of the portable variety in the raid and one lady lost a gold watch and another a gold-handled umbrella which she prized very highly. Otherwise a dollar here and two or three there, amounting in all to less than \$10 is all that has been reported as taken. Some of the houses visited were: Lynn E. Ferguson, E. C. Baird, Clyde F. Stretcher, Dr. J. S. Rankin, Mrs. Hodgkin, Mr. Kirkley, Prof. O. F. Kilham, E. H. Woodward, L. F. Moore, L. T. Pennington, C. A. Hodson, and the public library.

That same evening Conner Bros. of St. Paul, had a 1921 Ford touring car stolen from College street near the Parker Hardware store and for a time it was thought that parties had come out from Portland stolen this car and used it to make their getaway after robbing the houses around town. However, the car was located at the corner of Eighth and Willamette streets on Monday evening and J. H. Brown, who lives near there, stated that the car had been there since Sunday morning.

A similar raid was made at Hillsboro about a week ago and some time ago one was made at McMinnville. Taking all of the circumstances together it looks as though there was a band of fellows operating out of Portland and visiting the smaller cities at intervals. They are evidently amateurs as no very big hauls are reported at any of these places which they have visited.

DISTRICT GROWERS ELECT

On March 16 the members of the Oregon Growers cooperative association of the Yamhill-McMinnville district met at Yamhill and elected as director to sit on the state board George Zimmerman; and as local advisory committee: Nels Anderson, McMinnville; Louis Turner, Carlton; Louis Fryer, Yamhill; George Clark, Yamhill; and John Blum, Gaston. The annual election of the association will be held at Salem, April 25.

brough called upon those present to express themselves regarding a permanent organization, and as there was an apparent backwardness at first he asked Supt. F. E. Fagan of the Woodburn schools to give his opinion. Mr. Fagan said that he was certainly in favor of anything which brought together people interested in a common cause and that Woodburn would endorse the movement.

A motion was then put that the schools of the district have an association and this motion carried. Following this it was decided to have each school paper's staff elect one person who would serve as a member of a council to have charge of all affairs of the association. Officers were then elected as follows: Robert Brown of Newberg, president; Hugh Parker of McMinnville, vice-president; and Miss Ruth Sherwin of Willamina, secretary. It was decided to have the next meeting of the organization at Newberg on the Tuesday of the fourth week of May. The secretary was also instructed to invite all schools in Yamhill, Washington and the northern part of Marion counties to participate in this meeting. It was voted that all schools which were represented at the first meeting should be considered members of the association and that no limits should be definitely established at present. Robert Brown was also elected as a delegate to attend the state convention of meeting of high school editors at Eugene.

Those present at this first district meeting were: Don Schoolcraft, Delbert Hoage, Carl Broderson, Charles Burlingham and Virgil Lilly of Forest Grove; Donald Woodman of Amity; Hugh Parker, Alice Cameron and Prof. Fisher of McMinnville; Victor Hicks, James W. Dye, Lois Ross, Esther Long, Mrs. Maude McKinney Mochel and Supt. F. E. Fagan of Woodburn; Horace Terrell and Cecil Hinshaw of Pacific College; Cloyce Tatam, Albert Chapman, Vernon C. Byers, Hazel Lackey and Carol Chapman of Sheridan; Ruth Sherwin, Marie Gillespie, Ralph Farham, Clark Myers and Alvin Snedeger of Willamina; Harold Bliss of Linfield College; Hester Hibbert, Margaret Stimler and Tommy Fullam of Dayton; and M. Oran Anderson, Henry Fitzpatrick, Chester Newlin, Horrell E. Vandell, Florence Heater, Anna Deach, Olive Reid, Ferris Ferguson, Jean MacDonald, Lee Ryan, Carl Switzer, Chester A. Dimond, Supt. Stanbrough, Prof. Ross and Miss Anderson of Newberg; besides Dean Allen and Robert C. Hall of the university and W. H. Chatten of Portland.

DRIVE FOR MEMORIAL BUILDING FUND IS ON

OVER \$7,500.00 IS NOW RAISED

Everyone Should Deem It An Honor To Help in the Erection of This Memorial Structure

The drive for funds for the new American Legion Community Memorial building is starting off very satisfactorily and some districts have accomplished remarkable showings already. Of course the amount raised is not anywhere near the necessary total yet, but when it is considered that the drive really only started on Monday morning of this week, although some work was done last Friday, and that very little solicitation work has been done in the residence section of Newberg, the results are quite encouraging. The committees, however, face hard and intensive work in order to bring the total amount in before the close of the drive.

At the time of going to press \$7582 had been reported to Chairman S. L. Parrett. This is, of course, incomplete even of what has been raised for some have not reported in full as we go to press. This is well over one-third of what will be needed and shows that the people realize the need for the building and want to do real honor to our boys. The Dundas district deserves special mention for the splendid showing they have made in the drive. Committeeman Allan reports practically a 100 per cent subscription on the part of the people of that district and the fact that they have subscribed a total of practically \$800 to date speaks very well for the generosity of her people. Doubtless other districts will also make good showings before the drive is closed, but many have only made a small start and in some practically no work has been done.

There are three points that should be borne in mind in considering this proposition. The first of these is our obligation or rather our desire to erect a fitting memorial to those who sacrificed their all for us in the world war. The second is the wish to provide quarters and show our appreciation for those who offered their all, but who were spared to return, some of them broken in health and with shattered nerves. The third is the great need of this building not only on the part of Newberg as a city but for the entire community surrounding Newberg.

Regardless of anyone's opinion of war, its essentialness or its righteousness, there is surely no one in this entire community who does not feel that our boys who went through the perils of war and faced indescribable misery and suffering and who made the supreme sacrifice in the protection of our country and her future happiness and prosperity should be remembered. Three short years have passed and yet much of the patriotic fervor which was manifested three years ago is already gone. Time has erased from our memory even the names of those who lay in graves on foreign soil where they died heroically in the service of our country. We cannot afford to wait longer to erect this suitable memorial to them lest we lose our enthusiasm to such an extent that it may be impossible to accomplish it at all. Doubtless it will be difficult even at this short period to be sure that no name is omitted from the memorial tablet. Do we forget our feelings of loyalty, to country and our pride in the splendid achievement of our boys over there so soon, then what may we expect from them and others should another such occasion ever arise. Out of hearts of full gratitude we can do no less than give towards this memorial generously.

And the same holds true with respect to those who are still alive. They were just as willing to go and just as willing to sacrifice and even though they were able to return. They are asking for a memorial for their departed comrades and also quarters for their own organization. We cannot say no to this request. All that they ask is a loan from us to help them erect this building which will provide them with a Legion home. A place where they can go for recreation and rest; where their meetings may be held, where they can entertain their friends and where they can give their entertainments. Then for a very selfish end, we cannot fail to do our best to see that this building is erected, for Newberg has needed just this kind of a community structure for so long that we need not argue that need here. Nor is it alone the people living in Newberg who need this community building. It will provide a place where such large gatherings as comprise not only citizens of Newberg but of all the surrounding territory may meet. It will give Newberg a banquet hall which would accommodate such a banquet as that which the firemen wished to give on their trophy presentation day or such a one as the Berriens or Commercial club might want to give, or some organization such as the Farm Bureau. Many attractions of a high class type which we have been unable to accommodate heretofore would then be able to come here. In fact it is a real vital community necessity.

Every person in the entire community in and around Newberg is

DEATH CLAIMS HIGHLY RESPECTED CITIZEN

JOHN J. GILBERT CALLED "HOME"

Funeral Held from Friends Church at 10:30 A. M. Wednesday—Interment Here

John J. Gilbert, who has been a resident of Newberg for the past 14 years, passed away at the home of his daughter, Mrs. E. M. Binford, in this city on Sunday of this week, death being largely due to his advanced age. Mr. Gilbert had been in failing health for some months and had been quite sick for the past five weeks, but was a patient sufferer through all. Funeral services were conducted from the Friends church at 10:30 a. m. on Wednesday. President L. T. Pennington of Pacific College and Rev. Fred E. Carter, pastor of the local Friends church officiating. Rev. Rounds also led in prayer. The services were beautiful. President Pennington paid a very high tribute to the life of the deceased. Special musical numbers were rendered as follows: Solo, "It Was for Me," Mr. Clifton Young of Portland; solo, "The Tolls of the Road Shall Be Nothing," Mrs. F. D. Frost; and duet, "I Shall Be Satisfied." This latter song was one which Mr. Gilbert had heard at Moody's meetings. Interment followed the services and was at the local cemetery.

The deceased leaves a widow, Mrs. Mary L. Gilbert, who is living with her daughter, Mrs. E. M. Binford, at this place; four daughters and three sons, as follows: J. G. Gilbert of Damascus, Ohio; Mrs. J. C. Pinkerton and Mrs. Robert L. Finlay of Los Angeles, California; L. M. Gilbert of Salem, Oregon; and D. J. Gilbert, Mrs. M. P. Elliott and Mrs. E. M. Binford of Newberg. The first three named were unable to attend the funeral, all of the rest being present.

John J. Gilbert was born in Henry county, Indiana, second month, 12th, 1837, in the Friends neighborhood on Hopewell near Straughn, and departed this life third month, 19th, 1922, at Newberg, Oregon, aged 85 years, 1 month, and 7 days.

He was married four daughters, thirteen grandchildren and one elder brother survive him. Born of Friends parentage, his long and useful life was ever influenced by the faith of his fathers, and their principles of right living were deeply embedded in his heart.

Sixty years ago, the 21st of next May, he was married to Mary Lamb, and during all these years they have been active in the work of the Friends church. Given to hospitality, their home was always open to the needy, to young people, to ministers, to all who needed a word of sympathy or encouragement.

They were vitally interested and untiring workers for the cause of universal peace, the temperance question, the educational interest, the missionary enterprises and the revival movements of the church.

His life both as a christian and as a citizen has been characterized by the utmost fidelity to the trusts reposed in him, being always careful in all the details of public and private business.

In his home life he was a loving devoted husband and father. He was a man who had many friends. His fine spirit and gentle kindly ways won for him the confidence and love of those associated with him.

He and his wife have always been loyal to their beloved church, for 46 years they have helped to build up the work of the church and of good citizenship in their community near Lewisville, Indiana. Then they counted it a privilege to be given a part in the newer work of the Master in Newberg, Oregon, where they have lived the past 14 years.

To the close of life he maintained a great interest in the work of the church and the events of the day. Having served his generation faithfully during a long and useful life, he has entered into his reward.

"Blessed are they that die in the Lord; they rest from their labors and their works do follow them."

PARENT-TEACHERS' PROGRAM FOR FRIDAY, MARCH 31

The parent-teachers' benefit program, which will be given at Wood-Mar Hall on Friday evening, March 31, promises to be a very enjoyable and interesting entertainment. The entertainment is given by the school children and of course all of the parents will want to go to see and hear their children. There will be a play and miscellaneous program and the public are not only invited but are urged to come and assist the parent-teachers' association in their splendid work. The entertainment will start at 8 p. m. Admission prices have been set at 25c and 35c.

A Graphic classified will sell it.

urged to do his or her best for all of these reasons to see that this drive does not fail and that this building may be an accomplished fact. If you are not solicited, see some of the committeemen and donate anyhow.

HAVE WE FORGOTTEN THOSE WHO GAVE LIVES IN LATE WAR?

After the lapse of three short years the committee is having great difficulty in compiling a list of those who made the supreme sacrifice in the late war, so that their names may be engraved upon the tablet to be placed in the wall of our memorial building.

Are we keeping our promise to keep their memories sacred, when we have forgotten their names in three years? Unless we erect a memorial to them within ten years we will have forgotten the sacrifices they made. Can we as a patriotic community afford this insult to their memories? No.

Help us build this memorial building. Help us complete the sacred list of names by turning in the full names and address of next to kin.

Mrs. Marie K. Evans of Newberg, Oregon, has been appointed to compile this list so please report names and address to her. Committee.

CITY WINS THROUGH NEW SUPREME COURT DECISION

Wednesday's Oregonian is authority for the information that the supreme court of the state of Oregon has overruled Judge Belt of the circuit court in the case of Catherine Platt vs. the City of Newberg and ordered it remanded. Mrs. Platt, it will be remembered, claimed injuries sustained when she was walking on Willamette street between Eighth and Ninth streets with her daughter. This accident happened in July, 1919. A board broke, causing her to trip and fall and injuring her arm. Judge Belt found in favor of the plaintiff and she was awarded damages in the amount of \$3,000. The city appealed from this decision and the case was argued before the supreme court on July 14, 1921. It was ordered re-argued by the court on January 25, 1922. Attorneys E. A. Kliks of McMinnville and Latour-ette of Oregon City appeared for the plaintiff, while City Attorney Chapin and Attorney Wilbur of Portland appeared for the city. The point involved seems to have been as to the constitutionality of the city charter in limiting the liability of the city to \$100 in such a case. The decision of the supreme court has not been received here directly as yet and until it is, the exact effect will not be known. At least the city were winners in this appeal.

Marion Miller, who has been living near Seventh and River streets, was brought in to Judge Churchill's court on Saturday of last week on a warrant charging him with forgery. It seems that Mrs. Miller had an account in a local bank and her balance on Friday of last week amounted to \$197.25. About a week prior to this she had gone to Portland and on Friday drew a check there for the amount of her balance. This check came through the other local bank and was presented for payment and paid. That same day Mr. Miller called at the bank and asked for Mrs. Miller's balance. He later returned with a check for the full amount and was given cash for it. When officials of the bank consulted over the matter they called the city marshal and were advised to issue a warrant for Miller's arrest which they did, believing his check to be a forgery. A hearing was held on Saturday at which Mrs. Miller declared that she had never signed the check and Mr. Miller declared that she had. The case was finally compromised between the two, Mrs. Miller accepting \$150 and Mr. Miller taking the \$47.25 and agreeing to pay all costs. The forgery charge has not been pressed further.

DRAW BALANCE FROM BANK TWICE—DIVIDE IN COURT

On Friday Pendleton defeated North Bend 44 to 26, Eugene defeated Joseph 65 to 8, Ashland won from Redmond 54 to 19 and Astoria defeated Salem 24 to 18. This left Pendleton, Eugene, Ashland and Astoria in the race. On Saturday Pendleton eliminated Eugene by a score of 35 to 21 and Ashland won from Astoria by a score of 28 to 27. The Oregonian says that game was evenly matched with Ashland getting the breaks. In fact, it is said that when the whistle blew, the ball was in the air, and that had it been delayed a second or two, Astoria would have won instead of Ashland. This left only Pendleton and Ashland to play in the finals and in this game Ashland won by a score of 45 to 22.

BIRTHDAY WAS CELEBRATED THREE TIMES IN ONE DAY

Mrs. W. W. Nelson of this city and Mrs. Rasmussen of Sherwood were joint hostesses to the O. E. S. Secretaries club of Portland of which both ladies are members, at the home of Mrs. Nelson at a noon luncheon on Wednesday of this week. Eleven of the Portland ladies were present and a very delightful occasion was enjoyed.

This day was Mrs. Nelson's birthday and in the afternoon some of the members of the Past Matrons' club of Newberg called in and surprised her and presented her with a beautiful floral offering. Mrs. Nelson is the president of this club. The second surprise of the day came when in the evening the T. P. S. club came in and added further pleasant memories to a full day of birthday remembrance and celebration.

PATRICK

Harriett M. Patrick, mother of Mrs. Joe Bixby of this city, passed away at the home of her daughter Sunday, March 19. Funeral services were held near Salem on Tuesday. Rev. Long of Salem officiating. The interment took place near the old Patrick home where the husband had already been laid to rest. The deceased was over ninety years old at the time of her death. One son and two daughters are left, they being Mrs. Joe Bixby of Newberg, A. M. Patrick of Salem, and Mrs. Gibson of Salem.

NEWBERG LOST FIRST GAME IN TOURNAMENT

ASTORIA WON BY BUT SIX POINTS

Then Lost to Ashland by One Point—Ashland High School Are Now State Champions

Nearly everyone in Newberg was greatly interested in the outcome of the state high school basketball tournament in which Newberg high school was slated to play the Astoria high school in the opening game. Newberg went into the tournament with splendid chances for coming out winners but were out of luck in being chosen to play against one of the best teams in the state in the very first game. No team goes into a tournament of this kind without a feeling of stage fright which keeps them from doing their best. Then too the breaks of the game were not with the local team, but in spite of all this, we believe it is fair to say that they came within seven points of the state championship, for Astoria only beat Newberg in the first game by six points and Ashland only beat Astoria by one point.

The following account of the Newberg-Astoria game is taken from the Oregonian and is we believe a fairly impartial account of that game. It will be seen that Newberg was ahead at the end of the first half, but lost out and were really beaten in the last few minutes of the game.

Newberg-Astoria Game

Willamette University, Salem, Or., March 16.—Astoria took the first game of the state high school tournament here this afternoon by defeating Newberg high, 27 to 21. The game was rough and hard fought, especially in the last half, when several personal fouls were called on the Newberg quintet.

The first half ended 12 to 10 in favor of Newberg, but in the second round, by fast passing and superior teamwork, Astoria overtook its heavier opponents and in the last few minutes of play easily outdistanced them.

Carson for Newberg was high point man, scoring 15 points, 12 of these being field goals. Anderson of Astoria succeeded in caging seven out of nine fouls, making 13 points as a total.

The lineup:
Astoria (Dis. 9) Newberg (Dis. 8)
Westergren (6) F. . . . (15) Carson
Klimink (4) . . . F. . . . (2) Nelson
Diamond (2) . . . C. . . . (4) Carlisle
Anderson (13) . . . G. . . . Cronin
Luoto (2) . . . G. . . . Mainwaring
No substitutes.
Referee—Ralph Coleman.

Local people, who saw the game, say that Coleman gave Astoria all of the best of it on calling fouls, etc.

This defeat of course eliminated Newberg from the rest of the tournament, but the results of the various contests may be of interest to local people as it shows how near Newberg really came to getting away with the championship.

Jefferson Would Play Ashland

On Friday Pendleton defeated North Bend 44 to 26, Eugene defeated Joseph 65 to 8, Ashland won from Redmond 54 to 19 and Astoria defeated Salem 24 to 18. This left Pendleton, Eugene, Ashland and Astoria in the race.

On Saturday Pendleton eliminated Eugene by a score of 35 to 21 and Ashland won from Astoria by a score of 28 to 27. The Oregonian says that game was evenly matched with Ashland getting the breaks. In fact, it is said that when the whistle blew, the ball was in the air, and that had it been delayed a second or two, Astoria would have won instead of Ashland. This left only Pendleton and Ashland to play in the finals and in this game Ashland won by a score of 45 to 22.

Following the tournament the Jefferson high school of Portland, which was barred from entering the tournament, has challenged the Ashland team to play them, claiming that Ashland cannot pose as the champions of the state unless they defeat Jefferson. Coach Quigley of the Jefferson high school says: "For three years a Portland high school has carried home the bacon. Although Portland is not eligible to participate in the tournament on the ground that the schools are not members of the Oregon high school athletic association, it looks as if that is not the real reason." Coach Quigley then goes on to say "The Jefferson students are of the opinion that inasmuch as we defeated Columbia early in the season by an overwhelming score and Columbia defeated every team it played in the high school athletic association, the schools of the association are afraid to play us."

But Newberg Beat Columbia

Coach Quigley perhaps does not know that Newberg defeated Columbia by a large score and that Tillamook also defeated Columbia. From every angle that one can take observations of the state tournament and comparative scores, it looks as if Newberg lost the state championship simply because she did not play up to form against Astoria.

In discussing the tournament with
