SUNNYCREST

Mr. and Mrs. Remillard were visitors at the L. H. Gable home Sunday. Mr. Hubble and Tom Sutton sold their potatoes last week and are busy sorting and sacking. Mr. Goodrich, Mrs. Al Namitz's father, was a visitor at the Namitz home Sunday and Monday. Earl Etzweiler and family were visitors with Henry Etzweiler, his father, the first part of the week. Mr. and Mrs. Winchester took advantage of the nice weather Sunday and paid short visits to Sunnycrest friends and enjoyed the beautiful view. C. W. Graves and Mr. and Mrs. Hobson were Isaac Walton disciples last Sunday. We think the most that was the trouble, however, was plain "spring fever."

Last Saturday the neighborhood added a new family to the population. Mr. Lovine, who bought five acres from L. F. Hall, moved his family into the new home.

Last Saturday in two hours and thirteen minutes, thirteen of the Sunnycrest neighbors removed thirteen hundred and thirteen pieces of cross-lay from the road that had been offering thirteen thrills per yard for the past thirteen years. But it looks now as if one would have to drive over the road thirteen times to notice the thirteenth part of one bump that had been bettered. But we do not believe the number thirteen unlucky, so as soon as the sun shines again we hope to see Mr. Alen over with the tractor and grader.

The Sunny Crest Ladies Club is planning a program next Saturday. They have been preparing some time and expect to offer everyone an enjoyable evening. They have rented the barn loft at the C. A. Crater place and expect to make it a "barn storming" you might say. They expect to charge a small admission fee and sell home made candy after the program. What proceeds are raised are going to be donated to the building fund for the Memorial Building in Newberg. So leave your hammer at home, loosen the old purse strings, come and have a good time. As entertainers the ladies are there. Be there promptly at 8 o'clock or you will miss something and there is only one performance. Be sure and bring your sweet tooth for some of the ladies are experts at candy making.
