N. H. S. LOST TO CARLTON

HERE LAST FRIDAY, 4 TO 3

The Newberg high school baseball season was opened last Friday afternoon with a game with Carlton, which the local boys lost by a score of 4 to 3.

As a special opening event W. H. Woodworth of the First National Bank and Supt. A. C. Stanbrough acted as a battery and Mayor Calkins batted.

Mr. Woodworth seemed to have difficulty in locating the plate, and when he did the mayor showed his baseball ability by lamming the pill out for a safe bingle.

The game was not as interesting from the spectators' viewpoint as it might have been, owing to the fact that neither team seemed to be in very good trim and numerous errors were made.

Winters pitched for the Newberg boys and proved to have a mighty swift ball but seemed unable to control it. He was easily able to prevent the Carlton boys from hitting him much, but on the other hand he not only hit them but allowed quite a number of walks and some of these when they counted for scores.

Jones for Carlton was hit more freely by the local boys but seemed to hold them when they needed the hits to make runs count.

For the first three innings the game progressed without a score and then in the first half of the fourth Carlton got two men across.

In the last half of the fifth Newberg tied the score and in the seventh secured their third tally. In the eighth inning Carlton got two more runs.

Hank Thomas, who caught for Newberg, seemed to have trouble in holding the ball and several times men got safely to first after really having been fanned by Winters, simply because the catcher let the third strike get away from him.

Newberg got quite a few good hits, but several times with men on third, they went down in one, two, three order, and let them die on base.

Newberg should have won this game and would have, but for the errors.

FIREMEN WILL PLAY BALL MONDAY AFTERNOON

Next Monday will be campus day at the college and besides spending the most of the day in cleaning up the campus, etc., a big baseball game has been scheduled between the college team and the Newberg fire department at the college diamond for that day. This game will be called at 2:30 p. m. and should prove a highly interesting one. The admission charge will be 25c and all of this money will go to the fire department to help pay for the electric siren. The line up for the department will probably be Chris Smith, pitcher; Howard Sherlock, catcher; L. C. Kramien, 1st base; Fred Hutchens, 2nd base; Bob Faulkner, 3rd base; Orval Livengood, shortstop; and Frank Swart, Elgin Van Blaricom, George Nichols, and the rest of the fire department in the outfield. Oh yes, and we almost forgot, Russell Parker official water carrier. The firemen are very anxious to see a large turnout of the business people and citizens of the community in general as they want to clear up a nice sum to pay on the siren. The firemen are constantly helping the public and they think they deserve support on an occasion like this.
