PREPAREDNESS

Is the watchword of today. For thirty two years it has been the policy of the management of this bank to observe this watchword in financial matters. To this conservatism, together with careful and conscientious service we attribute our continued success.

CALKINS' GARAGE

"It's a Gift"

It really is, this art of looking cool and nifty, these hot summer days. But it's easily acquired.

It's quite likely that if you ask one of these spick-and-span fellows how he does it you'll find that he's wearing shirts and collars which we have professionally **LAUNDERED**—not merely washed and ironed.

His linen has had the benefit of a process of ours which closes the pores of the fabric, strengthens the fibres, and protects from grit and grime.

**BOYS WORK COLUMN****Pitchers' Contest**

The much discussed boys baseball pitchers' contest is scheduled to start this coming week and be held on the public school grounds. The contestants will be divided in three classes determined by age; the contest for the first class open to boys under twelve years of age will be staged next Tuesday evening; the second class for the boys over twelve and under fourteen years is scheduled for Wednesday, and the third group of those over fourteen and under sixteen, Thursday evening.

The prizes that are to be given cannot be definitely given out, but those working on the contest are hoping to be able to announce trips to see a Coast League game at Portland for the winners in the different classes.

Bicycle Run

A bicycle run to Oregon City is being planned by the members of the boys bicycle club for next Saturday. The group plan to leave Newberg at an early hour, crossing the river and stopping at Champsoog on the way down, spending the middle of the day at or near Oregon City and returning home the latter part of the afternoon.

This is the first long trip planned by the club and only seasoned bicyclists will be taken, as the distance to be covered is between fifty and sixty miles.

Any boys not already members of the club and wishing to join can get information concerning it from Dave Ellis, who is president, or Meade Elliott, club advisor.

Red Hills Hike

Last Friday evening fourteen boys shouldered their packs and struck out along the Dundee road on the trail of crisp bacon and other overnight hike luxuries. Thanks to the kindness of a friendly lady with big car, the blanket rolls were hauled from Dundee to the top of the hill west and Oh! boy! did we appreciate it? I'll say we did.

Camp was pitched in and near an old barn, thanks to Mr. L. C. Noble. Snapper, games, a campfire and stories filled up the evening. Bedtime saw the gang rolled in among the straws and mules, but not to sleep, thanks to the vocal efforts of some, blanket sniping abilities of others, etc. Sleep finally prevailed and was boss until about 4:15, when breakfast activities started.

A trip over the top of the hills to Chehalem valley, lunch and then a long hot tramp down the south valley road put the gang into town about 3:30, hot, dusty and clear tired out, but "rarin' to go again."

Boys making the trip were John Lewis, Harold Haman, George Lee, Gordon Manion, Clarence Meyers, Lloyd McVey, Delmar Olds, Fred Rucker, Burton Waterman, Paul Jones, Frank Brooks, Eldon Dorton, "Bus" Hall and Walter Vincent.

Junior League Baseball

In the Junior League, dope has suffered some severe upsets this past week, the H. S. freshmen giving it the first jolt by defeating the H. S. sophomores 4-1, last Friday. The upper classmen had been slated for a win in a fairly close game but the yearlings took advantage of a wobbly streak in the sophs' pitching staff and put over the winning runs early in the game.

The second spill for the dope bucket came in the defeat of the Academy freshmen by the Academic second year team. Followers of the two nines had the beginners listed for an easy win, but a decided knack of meeting the mound offerings with safe hits and the losers backing up a skyrocketing pitcher by nothing but errors gave the sophs an unquestioned victory with a 12 to 6 score.

Tuesday afternoon the H. S. sophs and Grammar school teams crossed bats but the final score had not come in as this went to press. Friday the Academy and H. S. freshmen are scheduled to clash on the college diamond. In an earlier game the N. H. S. supporters were victorious and the Academic bat swingers are vowing to even the score if possible this time.
