NUMBER 34

WHITNEY BOYS' CONCERTS WERE SUCCESS

FRIDAY AND SUNDAY EVENINGS

Boys Direct Encore Numbers and Convulse Audience With Their Funny Mimicry

The Whitney boys chorus sang to a full and appreciative house at the Friends church Friday night and a packed house again on Sunday evening. All of the numbers given were high class and many have reported it as the finest concert ever given in Newberg.

Rev. Carter acted as chairman, introducing the different numbers. He remarked that it was difficult to say what it would have meant to the older ones if when they were boys, they could have taken advantage of such splendid training.

Mr. Whitney directed the first number on the program, which was "O for a Thousand Tongues to Sing" and this was certainly very much enjoyed. One person was heard to say, "I would walk five miles to hear it again." This number was encored with "Hurrah for 1925" which was directed by Herbert VanValin in a very artistic manner.

David Leedy in a reading, "Counting Eggs" was very amusing. He recited the story of how the honest old darkey would count eggs out and then get to talking and get the counting mixed up with the ages and dates in his conversation. The result was that the maid was accused of stealing the eggs when they ran short. He also responded with "Mary's William Goat."

The duet, "Lullaby," by Annabell and Carol Bauer, appealed to the hearts of everyone. Annabell, a little miss of six years, sang soprano and Carol carried the alto part and played an accompaniment on the guitar.

The chorus then sang "Stars and Stripes" which will be used in the parade at the Rose Festival and responded with "Old McDonald's Farm," which convulsed the audience under the direction of Master Burton Frost, whose animal imitations were very funny. Young Frost is to have the honor of directing this piece before the two thousand boys at the June concert in Portland.

Mr. Whitney gave a very enthusiastic and interesting talk on the boy work. He said that the boy of today is living fast and that if he is not going the right way, he is working hard at the wrong.

Jessie See gave a reading, "Cusville Hopp" in darkey dialect which greatly pleased the audience. She was gowned in a fairylike dress and her pleasing manner added much to her reading. To a hearty encore she responded with, "A Little Girl's Complaint."

Mrs. Charles A. Morris was certainly at her best in the two beautiful numbers which she sang, "Queen of the Night" and "Where Dreams Are Made." Miss Eva Moore accompanied her in her usual artistic manner.

The double male quartet, selected from the chorus helpers, certainly showed that some of the finest talent of Newberg is back of the boys. The chorus sang "Beautiful Oregon Rose" by request. This is our accepted state song and it is certainly a beautiful one. Three of the boys, Doris Morris, Herbert VanValin and Miles Shaw, took turns singing the verses.

John See gave a very humorous reading, "The Day and the Shingle," which took many people back to their childhood days. He was very heartily received and responded with the humorous selection, "Johnnie's History Lesson" in which 1492 was the chief date.

The chorus then sang "Come Where the Roses Bloom." This is one of the songs which the boys sing best and the harmony is brought out well showing the training and talent of the boys. To a hearty applause, Master Miles Shaw directed "Today is Monday." Miles shows that he has real talent along this line and is another Newberg boy who is to be honored at the big concert in Portland by being chosen out of all of the choruses in the state as one of the best directors.

Sunday Evening Service
The service on Sunday evening was opened by singing "Onward Christian Soldiers." Prayer was offered by three boys and the scripture was read by Rev. Phillips. A reading was given by Jessie See, "The Seedling," which contained a real sermon in itself. The chorus sang "O How Lovely is Zion."
Rev. Phillips gave a very interesting sermon which showed that he is greatly in earnest and one of our ministers who is thoroughly back of the boy movement.

The talk to the boys by Rev. Sehner appealed to the boys for he asked them questions and told them of the opportunity which the Whitney chorus was giving them and how he wished that he might have had their advantages. Both double male quartets were also very fine.

The reading of John See, "Picnic Times" showed us the funny part of church life and why he wanted to join the various churches. As an encore he gave us "Seeing Things" as a result of being a bad boy.

The service closed with "Wake the Song" and the boys never sang it

LOCAL ORGANIZATIONS WILL OBSERVE DECORATION DAY

The G. A. R. and American Legion are planning a joint observance of Memorial Day this year which should interest the public very generally. The program includes the usual parade to the cemetery and services there as well as formal program at the hall, etc.

The parade will form at the I. O. O. F. hall at 8:30 a. m. and proceed from there to the cemetery. In this parade the G. A. R. and W. R. C., the Spanish-American war veterans, and the American Legion and ladies auxiliary will march in a body, and all patriotic organizations are requested to join in this parade as well as the public in general. The Berrian band will be out to furnish music for the march and at other times during the exercises.

Arriving at the cemetery, fitting services will be held and then the parade will form again and march back to the hall. Here a dinner will be served at noon by the organizations for their members only.

At 2:30 p. m. a formal program, consisting of songs, music, speeches, etc., will be given. J. D. Stevens, a G. A. R. man and public speaker of Portland, will deliver the address of the day at this time.

Of course the decorating of the soldiers' graves and the graves of private citizens by their relatives, will be the real objective of the day and it is fitting that everyone should observe the spirit of this day by turning out to do honor to those who have departed this life, some of whom did so for our protection and happiness.

A special appeal is made to the members of the American Legion to turn out in a body at this time and help do honor to their departed comrades.

BANKS WILL CLOSE

The local banks will close on Tuesday, May 30, it being Memorial Day and a legal holiday.

First National Bank, U. S. National Bank.

The women's auxiliary of Pacific college will meet with Mrs. Stella Pierce at 2:30 p. m. Saturday.

better. Everyone left the church with the feeling that they would do more in the future to help the boys. C. A. Morris, the director, wishes on behalf of the chorus, to thank Kienle & Sons for the use of the piano and also all who helped to make the chorus and concert a success, especially all of the chorus helpers and the Graphic for publicity given.

FUNERAL OF MISS ELLA MACY WAS HELD FROM THE LOCAL FRIENDS CHURCH SATURDAY

The death of Miss Ella Macy, which occurred at the L. M. Parker home Wednesday evening, May 17, was a great shock and surprise to her many friends here as it came so suddenly. Miss Macy came to Newberg in the nineties and about seven years ago returned to Indiana to care for her mother. During those seven years she had visited Newberg for a short period but about seven months ago she returned to Newberg and had been here since that time.

Funeral services were conducted from the Friends church last Saturday afternoon at 2 o'clock. Rev. Fred E. Carter, pastor of that church, and Rev. Crocker of West Chehalis, her former pastor, officiating jointly. The large attendance of friends and the many floral offerings were evidence of the high esteem in which Miss Macy enjoyed in this community. The woman's relief corps attended in a body. A quartet composed of Mr. and Mrs. Frost, Miss Eva Miles and Prof. Lewis, furnished the music. Interment followed in the local Friends cemetery.

The following article regarding Miss Macy's life was written by a close friend:

Ella F. Macy was born in Henry county, Indiana, February 28, 1860. Her early schooling was completed there, finishing high school at Carthage, Indiana, when about sixteen years of age. Later, having moved to Newberg, Oregon, she finished her education at Pacific College, graduating in 1895, one of the first women to receive degrees from that institution. During this time her courage and strength of character, as well as all through her life, were especially evidenced, taking her through difficulties and overcoming handicaps, which to many would have seemed insurmountable.

Following her graduation she immediately took up educational work in which she had been interested from an early age, and devoted almost forty years of her life to broadening the lives of the young people with whom she came into daily contact in the school room. Her faithful and conscientious service was to her a joy and to others an inspiration, bringing into their lives a desire for things clean and right and noble.

Her warm hearted generosity and never failing sympathy gave her a place in the hearts of many and unnumbered friends who cherish tenderly the memory of her faith, cheerfulness and strength of character, as well as all through her life, were especially evidenced, taking her through difficulties and overcoming handicaps, which to many would have seemed insurmountable.

MRS. MARY HUTZEN PASSED AWAY LAST THURSDAY-FUNERAL HELD SUNDAY AFTERNOON

Mary Elizabeth Graham was born June 19, 1845, in Brady's Bend, Armstrong county, Pennsylvania, and departed this life at her home 700 Sheridan street, Newberg, Oregon, May 8, 1922, at the age of 76 years, 10 months and 18 days. She was united in marriage to John Hutzen on March 9, 1866, and to them nine children were born. Her husband and three children preceded her to the heavenly home. Their place of residence was for many years in Pittsburgh, Pennsylvania, from there going to Riverside, California and 11 years ago moving to Newberg, Oregon. Our sister gave her heart to God in early life. Her loving, unswerving loyalty to the cause of Christ and the coming of His kingdom only deepened and intensified as the years passed by.

Her untiring devotion to her family, even in the light of mother love, was marvelous. Her heart's desire was that every one of her dear children should meet her in heaven. Shortly before leaving she said, "I have been praying and I know my children will be saved." Her many friends and neighbors, one and all, bear testimony to the sterling worth of her excellent christian character as she went in and out among them. Almost without exception when in her company she would direct the conversation to God and things eternal. The memory of her quiet unassuming life given in loving service is an inspiration and benediction to all who knew her, the influence of which will only be revealed when the "Books" are opened.

Truly for our dear sister it can be said as of one of old, "She hath wrought a good work," and from henceforth there is laid up for her a crown of righteousness.

"And when I stand above the bier and see
The seal of death on this loved face,
I think one more to welcome me,
When I shall cross the intervening space,
Between this land and that one over there;
One more to make the strange
Beyond seem fair."

"And so for me there is no sting to death;
And so the grave has lost its victory;
It is but crossing, with abated breath,
And white set face, a little strip of shore,
To find beloved ones waiting on the shore."

PARENT-TEACHERS FIELD DAY WILL BE JUNE SECOND

The Parent-Teachers association will hold their annual field day event at the high school on June 2. The events will commence at 1 p. m. and will consist of drills, songs, contests and games for the grammar school pupils, both boys and girls. Ribbons will be awarded to the winners in the various events and it is expected that there will be some keen rivalry among the boys and girls this year. Last year this proved to be a very pleasant affair and it is expected that this year's meet will be even more so.

The athletic events will be under the management of Prof. E. H. Ross of the local high school and Meade Elliott, and a more complete program of events will be given next week.

More beautiful, more precious than before."

Those left to mourn her loss are Margaret G. Hale of Braddock, Pennsylvania; Lucretia G. Pfisterer, Chicago, Ill.; Sadie E. Stewart, Lillie Hutzen, George Hutzen, and Earl Hutzen, all of Newberg; eight grand-children and two great grand-children; one sister, Mrs. M. W. Bennett, Braddock, Pennsylvania; two brothers, H. CARD OF THANKS

Words are inadequate to express our heartfelt gratitude for the many kindnesses shown our precious mother during her illness. May the Heavenly Father richly reward all those who have by sympathy and kind acts sought to alleviate the sorrow of those who are left to mourn the irreparable loss of a loving mother.

Mrs. Hutzen's Children.

HIGH SCHOOL PLAY

The annual Junior play of the High School will be given on June 6 in Wood-Mar Hall at 8 o'clock.

The play, "And Home Came Ted," is a three act comedy of mystery. The action of the comedy occurs at the Rip Van Winkle Inn in the Catskill Mountains and the plot has to do with the struggle for supremacy in a furniture factory between Ted, the rightful heir, and Ira Stone who is trying to gain control of the business.

Ted is assisted by Mollie Macklin, the little housekeeper of the Inn. Complications come fast and furious during the play making it the best of the high school plays given this year. With this comedy of mystery supported by a good cast the Junior class will give the public a real treat. The music of the evening will be furnished by the Willamette Orchestra.

Tickets will be on sale at Grammas Drug Store Saturday May 27, also the auditorium plat will be there for reservations. Admission is \$5.00 for adults and \$2.50 for children. Seats are reserved free.

GIVE YOUR BUNDLE

If for any reason you did not get your bundle of clothing to either of the churches (Friends or Presbyterian) or city library, Wednesday, May 24, you may send it any time until June 1st.

Mrs. C. B. Simmons of Portland, state chairman, asks that we put in thread, buttons and patches, so the women there can have something to work with. Have the clothing clean but it need not be mended. Marjorie K. Evans.

BERRIANS PLAN FOR FLOAT AND FESTIVAL

WILL TAKE IN WHITNEY BOYS

Queen Contest Will Start About June First—Public Is Urged to Help in Procuring Flowers

Plans for the Berrians participation in the Rose Festival this year are being pushed locally and it is probable that a much stronger participation will result than that of last year. A design for the float has been decided upon and C. E. Dawson is engaged in making a color drawing which will soon be on display locally. The construction of this float will be under the direction of chief black cap.

The queen contest which will precede all other activities will be in charge of Dr. R. W. VanValin again this year and the committee which is composed of Mrs. W. T. Anderson, Mrs. VanValin and Chester A. Diamond, will meet this week to complete plans for the contest. The contest will commence about the first of June and will close about the 10th in order to give the successful candidate time to arrange her equipage and other details.

It is estimated that about 200 people will be entered in the Rose Festival parade from Newberg. This includes about 125 Whitney Boy Junior Berrians, 30 members of the band, and 50 members of the drill team, besides the queen and her attendants. The Junior Berrians will be uniformed in their regular Whitney boy outfits with the addition of Berrian hats which have been ordered and funds for which were raised at the recent concert given by the boys.

The drill team is practicing regularly each week and is under the leadership and instruction of Alfred Allan, while the band under the direction of Hal Campbell of Portland, will march under the leadership of Jeff Sears as drum major.

The first prize of \$10 for the best float drawing submitted in the recent float contest was awarded to Miss Helen Stanbrough, daughter of Supt. A. C. Stanbrough. Miss Stanbrough's drawing was a real work of art and would have made a very beautiful float just as it was drawn. The main feature of her design was a large seashell which was so placed at the back of the float as to serve as a canopy for the queen's seat. Flowers and design features were both intricate and artistically arranged.

The float committee wants an abundance of red and white flowers for this year's float. They are asking for such flowers as roses, sweet-peas, pinks and marigolds.

It has been voted to hold a berry festival again this year and to discourage any effort at a Fourth of July celebration so that all effort can be devoted towards the berry festival.

A pep meeting of the Berrians will be held about two weeks before the festival at which time the Whitney Boys chorus will be officially taken into the Berrians as Junior Berrians. The drilling of the Junior Berrians will be under the leadership of Chandos Chase.

FAIR STORE OPENS

The Fair store opened their doors to the public in their new building adjoining the postoffice today (Thursday) and are ready for business although Mr. Wallace says that things are far from completed and in order. The new store is a great improvement over their previous quarters and makes it possible for them to display their goods to much better advantage and thus serve the public better. New goods are still arriving and all of the painting, etc., has not been completed but the store has opened and every effort will be made to satisfy the public.

CLUB HELD PICNIC

The Wednesday club held the annual picnic for its members and their families on Tuesday evening, May 23, in the beautiful grove on the Asa Sutton farm north of town.

A bountiful lunch, consisting of hot waffles and coffee, buttered beans, baked beans, potato salad and ice cream was served cafeteria style and eaten around a huge camp fire. About 70 were present and thoroughly enjoyed the occasion.

PAVING WORK STARTED

The Oregon Contract Co. commenced paving on the Lafayette section of the West Side Pacific Highway, which runs from W. Dayton to St. Joe. The company is trying to employ local labor entirely and are advertising in this week's Graphic for more help. This is the company which has taken the contract for paving River street in this city and they expect to commence work on that contract in about thirty days. This delay is occasioned by the city having to lay water mains on this street before the paving work can be started. Mr. Assenz of the Oregon Contract Co. was in Newberg last Thursday and says that work on the highway paving is proceeding very satisfactorily and that they expect to be able to finish that contract in about sixty days.
