ST. PAUL LOST GAME AT SALEM ON SUNDAY

The St. Paul-Newberg baseball team met defeat last Sunday when they went up against the Salem Senators at Salem, the final score being 10 to 9. Owing to the fact that Carson had to pitch for the Mt. Angel team the following day, he was not used in this game and Pillette occupied the mound with Baird on the receiving end. St. Paul started off strong and piled up a three to nothing lead in the first canto. In the third they added two more and another in the fourth and it looked as though they had the game on ice, as the Senators had not annexed a single run up to that time. In the fourth, however, they secured two runs and in the fifth five more. In the seventh inning St. Paul tied the score again but in the eighth Salem secured their eighth run. In the first half of the ninth St. Paul got two more runs giving them the lead again, but in the last half Salem won out by scoring two more runs. Conner and Adolph both secured home runs during the game, and each side got ten hits. Bishop and Duffy were the battery for Salem. St. Paul should have won this game but made several errors which probably cost them the game. These two teams will play again next Sunday at St.

Paul and this time Carson will pitch for St. Paul and it is expected that St. Paul will win. The Senators are a very heavy hitting team and have three O. A. C. players in their lineup. The St. Paul team has been playing a good brand of ball this year and will make any other team hump themselves to beat them. The game next Sunday afternoon should be one of the best of the entire season. Billy Sullivan, the former White Sox first string catcher, will umpire this game.

WATER REGULATIONS

Sprinkling hours between 6:00 and 8:00 o'clock in the evening only.

Be sure to take out permit before beginning to use water for lawn or garden.

A sprinkling permit at 50c is cheaper than a fine at \$5.00.

Examine all plumbing fixtures and see that there are no leaks whatsoever.

Those having water meters may sprinkle any time and all they want to.

No use of hose for less than a month after June 1st.

Water wasted and stolen is what makes a shortage later on.

Water that runs away through leaky fixtures does nobody any good.

LETTER PRAISES NEWBERG LADY AT THE STATE NORMAL

Mrs. Ethel Morris Johnston of Newberg, who is attending the Oregon State Normal school at Monmouth, is making good as is evidenced by the following letter from Thomas H. Gentle, director of training and head of the department of education at the Normal:

Miss Ida May Smith,
Critic of the Primary School.

Dear Miss Smith:
I am writing you this note to express my hearty agreement with you regarding the excellent record in teaching made by Mrs. Ethel Morris Johnston. She does expert work. I am suggesting to her that she now take a short course in education in a higher institution of learning with the idea of accepting a critic position in this normal. In my own class work Mrs. Johnston won a grade of 1 on the University score card of 1, 2, 3, 4, 5. Cordially,

Thomas H. Gentle,
Director of training and head of department of education, O. N. S.
May 8, 1932.

GIRLS' RESERVE MET

The girls' reserve of the high school held its installation service at the home of Mrs. Chester A. Dimond Thursday evening, May 25.

The candle light service was used and each new officer solemnly pledged to assume the responsibility of her office. Those installed were: President, Thelma Parrish; vice president, Marie Krohn; secretary, Helen Evans, and treasurer, Agnes Monson. After the service the evening was spent in playing games, and at 10 o'clock the social committee with the assistance of Mrs. Dimond, served lunch. All report a splendid time, and wish to thank the hostess, Mrs. Dimond.

EMPLOYMENT SITUATION IS GROWING BETTER

Based on returns received by the United States employment service, conditions of employment in the United States in April were the best of any month for over a year. The returns show a decrease of 33 percent in unemployment since January 31. The returns cover reports from principal cities in 34 states.
