NEWBERG, YAMHILL COUNTY, OREGON, THURSDAY, JULY 6, 1922.

NUMBER 40

FORD CARAVAN IS COMING
FOR THE BERRY FESTIVAL

By a special arrangement with the Newberg Motor Co., the Ford Motor Co. of Portland have agreed to bring out a large caravan of autos, trucks, tractors, etc., to be entered in the Berry Festival parade and to assist in every way possible throughout the Berry Festival. There will be about 35 people with this caravan and besides the showing of the various pieces of equipment, a radio concert will be given and a picture show. This will all be free to the public.

There will be 21 cars, trucks, tractors, etc., in this caravan. J. D. Jordan, assistant manager of the Ford plant in Portland will accompany this caravan as will also C. E. Allison, mechanical director; Chas. Harrison, assistant manager of the Oliver Plow Co.; and William G. Monroe, mechanical engineer of the Standard Oil Co.

Among the various pieces of equipment which will accompany the outfit will be tractors, semi-trailers, a Lincoln chassis, Lincoln car, all styles of Fords, a complete Delco lighting system entered by the Modern Appliance Co., Ersted hoists, Oliver implements of all kinds, the Parsons & Jordan Co. dump bodies and trailers; the Francis Motor Co.'s Hercules truck bodies; commercial bodies, etc.

Demonstrations of the equipment which will be of especial interest to the farmers will be held and will be absolutely free as will everything which the caravan does. The Ford people are turning all of their equipment and people over to the Berrians while here and in addition to the demonstrations they will give a radio concert and motion picture show on the vacant lot across from the Newberg Motor Co. on the corner of First and Edwards streets both Friday and Saturday evenings. This will be free and in addition to educational films there will be some good comedies shown.

The Berrians fully appreciate the cooperation shown by the Ford people in bringing this caravan to Newberg for the Berry Festival and it is understood that the Berrian band will meet them at the edge of town Friday evening to escort them into the city.

ACCIDENT CAUSED ARREST

Quite a bad accident occurred on the highway near Rex last Saturday night at nearly midnight in which one big car is said to have been pretty badly smashed up. As a result of the accident Officer Fred Patterson preferred charges against Lyle O. Parker of McMinnville, charging him with having liquor in his possession and with being intoxicated. A hearing was held before Judge Churchill that same night and Parker's father came down from McMinnville. Parker finally pleaded guilty and was fined \$150.

Patterson stopped six cars at the spot and made a complete search and found some liquor in the Parker car, it is said. No complaint has been filed against any of the other parties at this writing. The car which was smashed belonged to a Mrs. Minnie B. Garthof of Portland and was being driven by her son.

SPECIAL CHAUTAUQUA NOTICE

The attention of all those who have supported chautauqua heretofore is called to the sale of season tickets now in progress. The local committee hopes that all those who have in any way assumed responsibility for the success of this season, either by signing as guarantors or by signing for tickets beforehand, will promptly take up the tickets subscribed for and will do all they can to increase the ticket sale as far as possible. While other towns have sometimes fallen down on their guarantee and the local committee have been obliged to go down into their pockets and make up the deficit, Newberg has always supported chautauqua enthusiastically and has closed each season with at least a small cash balance. In view of the fact that there have been an unusual number of events to divert the attention this year, it is probable that a greater effort will be necessary than ever before.

OBITUARY

Alpha Forkner was born at Richmond, Indiana, September 20, 1862, and died at his home in Newberg, Oregon, on June 29, 1922, aged 59 years, 9 months and 9 days. He was married to Cynthia Buckley at Carlton, Kansas, on March 3, 1887. To this union were born nine children, seven of whom are still living. These are Mrs. H. D. Nichols, Mrs. F. H. Bronne, Mrs. R. C. Patterson, Lester Forkner, Robert Forkner, Carl Forkner, and Thelma Forkner. The deceased was an invalid for six years, suffering from paralysis.

WOOD CUTTING BEE

About thirty-five members and friends of the Christian church met at the ranch of D. B. Putman on Friday last to cut wood for the use of the church. The needed supply was obtained as everyone had a mind to work. While the men cut, and split, the ladies piled the brush. Much enjoyment was mingled with the work, and some of the young ladies had the experience of helping fall a tree or two. A splendid basket dinner was enjoyed by everyone present.

PLANS FOR BERRY FESTIVAL ARE PRACTICALLY COMPLETED—10,000 PEOPLE ARE EXPECTED
ROSARIANS WILL BRING BAND—CHERRIANS AND PRUNARIANS WILL ALSO BE AT FESTIVAL

PICTURES OF FLOAT COMING

Manager Sharpe of the Baker theatre announces that the pictures of the Rose Festival float parade will be shown at his theatre on Saturday next. The picture of the Berrian float is included in this film and Newberg people will have an opportunity for sizing it up in contrast with some of the others at that time. Mr. Sharpe has arranged for a continuous performance from 1 p. m. until 11 p. m. Saturday, and besides the Rose Festival pictures there will be a strong feature, "Fighting Mad" which is a drama of the great outdoors, and also a comedy.

BIG PARADE WILL START AT 10 A. M. SHARP—LINE OF MARCH

Queen Evah Will Be Crowned With Elaborate and Impressive Ceremonies
—H. W. Kent, Executive Secretary of Rose Festival,
Will Make Address of the Day

The final meeting of all committees to outline plans for the second annual Berry Festival which will be given Saturday, July 8, was held at the Commercial club rooms Wednesday evening. The chairmen of the various committees were all present as well as many others and the reports given showed that plans are well under way. If there was any

Exhibits

All exhibits for the Berry Festival should be left at the Calkins garage Friday evening if possible and not later than early Saturday morning. The committee has made their call very broad and will accept anything which anyone wishes to enter for exhibit. The exhibits should be and probably will be one of the real at-

IN HONOR OF OUR VISITORS

Let the citizens of Newberg show their appreciation during the parade by loud applause of those visiting organizations—that they may feel welcome to our city in their effort to make our Berry Festival a success.

R. A. BUTT,
Chief Black Cap.

WHITNEY BOYS' NOTICE

Chas. A. Morris asks us to state that the Whitney Boys will be in the parade Saturday and asks the boys to meet at the public school by 9:30 sharp.

1922 Berrian float which won first prize in Rose Festival parade and which will be redecorated for Berry Festival.

WORKERS WANTED TO
HELP DECORATE FLOAT

The coronation committee are calling for workers to help in the decoration of the queen's float. The float which was used in the Rose Festival parade this year is to be used for this purpose and an entirely different covering will be given it in the use of vine maple, Indian arrowwood or ocean spray and foxglove and fern. Workers are wanted between 10 and 12 o'clock Friday morning to receive flowers and pack them in water. Other workers, fully 25 at least, are wanted commencing at 6 o'clock that evening, probably working until 9 o'clock, to complete the decoration of the float. This is not a big task when handled by a large crew of workers and the appeal should find a ready response, especially as the greater amount of the work may be done in the evening. The decoration will take place at Dawson's shop in the rear of the Newberg Motor company. Workers will please report their willingness to help to Dr. R. W. Van Vallen.

BERRIAN BAND CONCERT
PROGRAM TO BE GIVEN FREE

The Berrian band will give a special concert on Saturday evening from 7:30 to 8:30 on the street near the Graphic office. A splendid program will be rendered at this time and the public will be sure of a rare treat. This concert, like nearly all of the features connected with the Berry Festival, will be free of charge. The program as outlined will be as follows:

1. March, "Invercargill" (Lithgow).
2. Overture, "Lustspiel" (Kella Bella).
3. Serenade, "Waves of Memory" (Blanchard).
4. Selection, "Gems from Faust" (Gounoud).
5. Reverie, "Twilight Shadows" (King); (b) March, "Our Defenders" (Seltz).
6. Overture, "Festival" (Haynee).
7. Selection, "The Enchantress" (Daisy).
8. Valse, "Flowers of the Wildwood" (Barnard).
9. Selection, "America."
10. March "Let's Go." (Lindsay).

The membership of the Berrian band is as follows:
Hal L. Campbell, conductor.
Cornets: Klenle, Cummings, Adolph, Marr, Williams, Pierce, Breidenbecker, Cummings Jr., Clarinets, Wohlgenuth, Farrell, Lange.
Saxophone, Agee.
Alto, Hodson, Robertson, T. Parrish, Evans.
Trombones, Kersey, L. Parrish, Riddle, Best, Bauer, Livengood, Marnick, Bruckell.
Baritone, Gould, Chenevert.
Bass, A. Parrish, Hartley, Bamfield.
Drums, Patterson, Bush, Parrish.
Drum major, Sears.

doubt in the minds of those who attended this meeting prior to that time, it was surely dispelled. The second annual berry festival will so far eclipse the first one as to make it seem like a tame affair by comparison. There are several reasons for this, but the most important one is that Newberg is rapidly acquiring a reputation on the outside which is proving a great help in securing the cooperation of others.

One of the big features of the day's program will be the parade. The parade committee requests that all entrants observe the following rules for lining up:

Form on Sheridan street between Howard and Meridian, heading west, in about the following order: Grand marshal; American Legion color guard and firing squad; official Berrian cars and distinguished guests; Berrian band and drill team; Queen Evah and attendants; Junior Berrians; Hillsboro Goddess of Liberty float; Hillsboro Booster club; decorated floats and cars; community floats and cars; Rotarians of McMinnville; Cherrians; Prunarians; Rosarians band and drill team; Newberg fire department, etc.; Ford caravan of twenty cars, trucks and tractors, trade and advertising floats and cars. It is also requested by the committee that entrants do not park their cars on Sheridan street but apply to the marshals for position. Forming should be completed by 9:30 and the parade will start at 10 o'clock sharp.

Line of March

Parade will form on Sheridan and approaching streets, between Meridian and Howard streets. Move west to Main, south to First, east to Center, north to Hancock, east to River, north to Sheridan, west to Meridian, south to First, west to Main, south to Second, east to Howard, south to City Park.

It is very pleasing to the Berrians to see the fine spirit of cooperation on the part of the Rosarians and other organizations this year. The Rosarians are not only bringing their drill team but they are bringing their band and their executive board. The Cherrians are coming over in full force and will be in the parade and will also participate in the tug of war. The Prunarians will also be here and will exhibit some of their pep which won them such a host of friends in Newberg last year.

Coronation and Address

Immediately following the parade will come the coronation of Queen Evah the first. As the parade draws up at the park grounds the various booster organizations will form in two lines through which the queen will pass to her seat in the grandstand. Then will follow the elaborate coronation ceremonies. After this Hon. H. W. Kent, executive secretary of the Portland Rose Festival association, will make the address of the day.

tractions of the festival. Many persons have already signified their intention of bringing in some displays and some of the communities are working on community exhibits which will add greatly to the interest in exhibits this year. It is not too late yet to get a community exhibit together and by hard work it is possible to make up a splendid exhibit from your community and one of which you will be proud. It is worth striving for. Ribbons will be awarded to the winners in the various classes.

Dinner and Free Berries

At noon a dinner will be served by the ladies auxiliary of the American Legion to the various booster organizations, special guests, representatives of other cities, bands, etc. It is expected that there will be about 200 persons at this dinner. A program is being arranged for this occasion and good fellowship will be the keynote of this dinner.

Music

The Berrian band will furnish music throughout the day. This should insure good music for the occasion. Newberg is proud of her band and already they are getting a reputation outside for their excellent playing. Under the leadership of Mr. Hal Campbell the band has made some great strides during the past few months. They played a concert for the Oregonian's radio broadcasting service just before the Rose Festival; then during the Rose Festival they played in the parade, on the Fourth they played at Grand Ronde. In all of these cases they came off with honors and made a splendid impression with their playing. Orchestra music will be furnished at the American Legion dance in the evening and vocal numbers will probably be rendered at the banquet which will be served at noon to the various booster organizations and other distinguished visitors.

The Baseball Game

At 3:00 p. m. will occur the baseball game between the Salem Senators and the St. Paul-Newberg team. This promises to be a very exciting and hard fought game. Earlier in the season a five game series was signed up by these two teams. The Salem Senators succeeded in winning the first two games. Then the St. Paul team won the next two and now the game here Saturday will settle the series. Both teams are out to win with a vengeance, and it is anybody's guess which team will be able to put over the winning runs. Manager Smith of the St. Paul team feels confident that his players will win but the Senators feel equally confident of being able to turn the trick. An admission price of 50c is being charged for this game. This is necessary because of the heavy expense of getting these two teams to play at Newberg. The public is urged to turn out in force and help assure the financial success of this part of the day's program and everyone may go with the assurance of seeing a good close game.

The Tug of War

Those who saw the Salem Cherrians and the Newberg Berrians strain themselves and a big rope last year in an effort to make their opponents take to the waters of the Lily pond at the city canyon park, went away with the feeling that both teams put up a good pull and everyone had lots of fun out of it. This year the Cherrians are coming down to get revenge for their loss of the decision last year. And they may get it too. At any rate this will be an exciting and interesting feature of the day's program.

Berries and Cream

And don't forget to secure your dish of free berries and cream. Last year about 5,000 dishes were served and it is expected that there will be a larger crowd this year in attendance at the festival. Everyone is invited to partake of the free berries and cream, but it is hoped that none will take advantage of this generosity and try to get more than one dish. Arrangements are being made to care for any such emergencies this year and any such gluttons and hogs will be very much ashamed of themselves if they try to put anything over on the committee.

Legion Dance

Newberg's big auditorium will be opened for the first time on the evening of the Berry Festival when the Legion will give a big dance. The floor has all been roped off, seats have been installed, and the dance will be conducted on the jitney plan. The Imperial orchestra will play for the occasion and one of the biggest crowds which ever attended a dance in Newberg is expected to be here at that time.

M. AND O. CLUB MET

The M. and O. club met at the home of Mrs. Ralph Butt last Friday afternoon and spent a very enjoyable afternoon. Mrs. George Kelly, Mrs. E. E. Goff and Mrs. Bert Miller were special guests. The hostess served delicious refreshments. Those present besides the hostess and special guests were Mesdames Harry Miller, Carl Miller, R. A. Olmsted, H. C. Spaulding, Chester A. Dimond, and Russell Parker.

HOWARD-MARTIN NUPTIALS

Miss Iva Martin and Mr. Verne Howard were married on Thursday, June 28, at Vancouver, Washington. They left by auto for a trip through California, with intentions of locating if satisfactory. Word has been received by their parents at points along the line telling of a pleasant trip. These young people have lived in Newberg most of their lives and their friends join in wishing them the long journey before them.

A Graphic classified will sell it.

FIRE CHIEFS ASSOCIATION MET
AT MARSHFIELD LAST WEEK

The third annual session of the Oregon Fire Chiefs' association was held at Marshfield from Thursday, June 29 to Saturday, July 1, inclusive. From the opening session to the last thing Saturday night, it was a crowded program says Chief Sherlock of the Newberg Fire Department, who with City Fire Marshal Russell Parker attended from this city. Mr. Sherlock was re-elected treasurer of the organization and Paul Overend, a former Newberg man, was also re-elected secretary.

A sea food dinner was served at the beach on Saturday and other entertainment features were provided by the Marshfield people. Bend was chosen as the place for next year's meeting.

Several very important matters were taken up. One thing which should prove very good was the matter of having uniform telephone numbers in each city. In this way a person moving into a new community would not have to hunt up the number in the directory as he would know that the same number prevailed everywhere in the state.

Paul Overend read a paper on the Uses of Dynamite which was very interesting. The subject of standard threads for hose connections was taken up and favorable action looking toward legislation along this line was taken. The matter of old buildings which are a fire menace to other structures was also considered and legislation will probably be introduced relative to this subject.

FEDERATION TO MEET
AT CARLTON TUESDAY

The Yamhill county federation of community clubs will meet at Carlton for their July meeting Tuesday evening, July 11. There are some important reports to come up and it is hoped that matters concerning a county fair may receive some definite action. There will be proposed at this meeting under the head of new business, an amendment to the By-Laws, providing for the creation of a new committee and a movement that is designed to create a struggle among the farmers in every section of Yamhill county. Every city will be affected and every commercial club should have its representatives present.

This meeting at Carlton should be well attended as it is in a central location and has good roads connecting it with all parts of the county.

JENNINGS-CORBETT

The wedding of Miss Ruth Corbett at her mother's home in Corvallis to Mr. Roy Jennings of Eugene, took place on Saturday, June 24. Mr. Lee of Newberg was asked to officiate because he officiated at the wedding of the bride's mother in 1886. Rev. Mr. Clyde, pastor of the Corvallis Congregational church assisted. After a beautiful solo by the bride's brother, the wedding march of Lohengrin was played, and the bridal procession moved through the beautifully decorated rooms, out upon the front veranda that had been specially prepared for the occasion, as an arch of flowers.

The groom was accompanied by Mr. Philip Corbett, brother of the bride, and the bride by Miss Mabel Rush of Newberg, as bridesmaid, preceded by the beautiful little flower girl.

After the ceremony and the kindly greetings of the little company, the tables were set and the wedding supper partaken of by all. The bride and groom, Mr. and Mrs. Jennings, will reside in Eugene.

FORKNER-JONES NUPTIALS

A very quiet wedding was solemnized at the M. E. church last Saturday at high noon, the contracting parties being Miss Ethel Jones, daughter of Mr. and Mrs. Clifford Jones of Fourth and Chehalis streets, and Mr. Carl Forkner, son of Mrs. C. Forkner of Hancock and Edwards streets. The newly married couple left that afternoon by auto for Tillamook where a short honeymoon was spent. Mr. Forkner is employed as a mechanic by the Irwin-Hodson Company of Portland and they will make their home in that city. They returned from Tillamook Tuesday evening.

NEILL-COWGILL NUPTIALS

A wedding of local interest occurred at Vancouver, Wash., on Tuesday of last week, when Miss Ruth Cowgill, daughter of Mr. and Mrs. Lucas Cowgill, was married to Mr. Robert Merle Neill. Mr. Neill is a conductor on the Southern Pacific electric which runs through Newberg. For the present they will make their home in Portland, but later Mr. Neill will be transferred to the Ogden division and they will move to Nevada.

The Anderson Motor Company are getting in one of their new Durant four cars this week and will probably have it in the parade. This is a new car in Newberg and will no doubt attract considerable interest among the motoring public. Mr. Anderson states that the Durant is one of the best cars in its class and invites the public to inspect this new model.
