VOLUME XXXIII

NEWBERG, YAMHILL COUNTY, OREGON, THURSDAY, JULY 13, 1922.

NUMBER 41

## CHAUTAUQUA NUMBERS YET TO COME ARE THE BEST

The numbers which remain on the program at the time of our going to press promise to be the best of the entire season. The play "Turn to the Right," which will be given by the Keighley Broadway players should be a real winner. Everyone who attended the play last year will remember what a fine production it was. This is the same company which put on last year's play and those who have seen both say that this is even better than "It Pays to Advertise," so it must be a mighty fine play.

On Friday afternoon the Baiting-Mahler duo will give a concert and in the evening this same duo will give the prelude following which Chancellor George H. Bradford will give his lecture on the subject, "This Way Up." This is said by some to be the best lecture on this year's program and certainly it is a fine one. Chancellor Bradford is a highly polished gentleman and one whom you will like to hear.

The New York City Concert quartet will give a concert on Saturday afternoon and at this time the Junior chautauqua will give their program, which is a representation of the various peace treaties of this country. In the evening the quartet will give another concert which will occupy the entire evening. This male quartet is composed of artists who are all fine soloists as well as being parts of a quartet. Their program is varied and never fails to please.

Thus it will be seen that the Newberg public who hold season tickets have a real feast of good things awaiting them in the last days of the chautauqua.

## McMINNVILLE TURNED OUT FOR OUR BERRY FESTIVAL

Resides their Elks band, McMinnville sent twenty-five or thirty cars of her citizens over here to attend our Berry Festival and most of them took part in the parade. Among those noted in the line were the following:

Mayor W. S. Houck and wife, Chester Campbell, Henry Booth, M. F. Corrigan, Dr. J. H. Cook, Kelton Peery and family, C. B. Wilson and family, Dr. Tammie and family, Elks band led by D. W. Feely, Barney Garrett, secretary of the Commercial club, H. W. Herring, county surveyor, and wife, Harry White, Mark Hanna, W. S. Fender and family, Mrs. R. E. McDonald, Irl S. McSherry, editor Telephone Register, W. J. Lillequist and family, H. L. Toney and family, Mr. and Mrs. Wm. Gunnung, county commissioner, D. R. Livengood, S. P. agent, J. G. Eckman, Dr. William Stryker and family, D. M. Nyberger, Arthur McPhillips, Mr. Humphrey, deputy assessor, R. C. Henry and family, Geo. Londerhausen, Kenneth Hartzell, Earl Wardle and wife, N. W. Frisbie, Mr. Conlett and wife, Prof. F. H. Buchanan and family, H. H. Hall of Standard oil station, Glen DeHaven and family, J. W. Hillbrant and family, P. P. Olds, and Gilbert Tibury and wife. This list is not complete but is as nearly so as we could get it.

In addition to these W. W. Lungert and wife and Job Cary of Lafayette, and Oscar Haines of Yamhill, bonus appraisers, were Newberg visitors on that day.

## KENNETH D. FENDALL WILL SUCCEED OLIVER F. KILHAM

The following clipping from the News Item, the official organ of the Oregon state board for vocational education, will be of interest to our readers:

"O. F. Kilham caught the California epidemic and has registered in the summer school at Davis. He took all his books and other intellectual dufl along in his car and has joined the Lotus Eaters. Kilham has given Newberg high school and community three years of mighty efficient service, and he will not soon be forgotten. He was the oldest instructor in length of service on the Oregon list, and his department was characteristic of his personality and methods as an instructor. The California school that secures him can be assured of a successful department, and the community in which he locates will discover without delay that they have a new booster in their midst. Kenneth D. Fendall, of the 1922 class of O. A. C., will succeed Mr. Kilham next year. He is a former graduate of Newberg high and his home is not far distant. He will step into a well organized department and is highly qualified for the position."

## WILEY-THOMPSON NUPTIALS

On Wednesday, July 12, occurred the wedding of Nate Wiley of Rex, Oregon, and Mrs. Hattie Thompson, of Salem, Oregon, at the home of her daughter, Mrs. Dean Schoemaker at 995 Spruce street, Salem, Oregon.

## NEWBERG'S SECOND ANNUAL BERRY FESTIVAL WAS A GREAT SUCCESS AND GUESTS FROM OTHER CITIES PROCLAIMED THE BERRIANS EXCELLENT HOSTS AND FINE ENTERTAINERS

### FINEST PARADE EVER HELD IN NEWBERG PARTICIPATED IN BY McMINNVILLE, HILLSBORO, PRUNARIANS, CHERRIANS AND ROSARIANS

Cool Day Added Greatly to Enjoyment by the Large Crowd—Coronation Ceremonies Were Elaborate and Addresses Excellent—Luncheon at Noon—St. Paul Won Loose Ball Game—Band Gave Fine Concert—Legion Dance Drew Crowded House and Everything Went Off in Fine Shape with No Disturbances to Mar Pleasure

We have yet to find the man who would say that taken as a whole the second annual Berry Festival was not a complete success. Of course there were some parts which did not appeal to all with equal force, but in its total it was a much better festival than last year.

Commencing with the parade and closing with the big American Legion dance in the evening, there was something doing all of the time and the crowd was never left without something to interest and amuse them.

The morning dawned cool and clear, at least we suppose one with a poetic instinct would so describe it. We are certain that it dawned for we were up before old Sol designed to show his face over Parret mountain and with some dozen others were busily employed in decorating the queen's float. The cool day added much to the pleasure of the large crowd and in fact everything seemed to combine for the good of the festival.

**The Parade**  
At about 10:30 the sound of the band focused the attention of the crowds along First street upon the approach of the big parade. And it was a big parade too. First came the color guard and string squad of the American Legion. The appearance of the old flag with the boys who had fought to defend it was just the proper opener and awakened a spirit of patriotism and loyalty in the crowds. Following these came the official cars containing guests and Berrian officials. The first car was driven by R. A. Butt and following him came cars driven by Clifford Calkins, Lynn Ferguson, Lisle Palmer, and Earl Hutzen. Then came the Berrian band followed by the Berrian drill team.

After this came the redecorated float containing Queen Evah I. The same body and design used in the Rose Festival parade was used for this float but vine maple, Indian arrowroot, red berries and ferns were used in its decoration in a loose and artistic manner, which many proclaimed to be even more beautiful than the original float. We believe that everyone would say that it was a beautiful float.

The queen's attendants followed her in cars driven by Miss Aubrey Lemon and W. T. Anderson. Then came the Newberg Whitney Junior Berrians dressed in the knickerbockers, white shirts, red ties and red caps.

One of the very pretty floats of the parade was that entered by Dundee and drive by Mrs. R. A. Olmsted. This was decorated in Shasta daisies and ferns and was loaded with little "daisies" from the Dundee district. The Newberg Telephone company had two cars in the parade. These were very dainty in their trimming of crepe paper streamers and flower chains. The "central" girls occupied the cars which were driven by Mr. E. E. Goff and Miss Helen Scott.

One of the best features of the parade was the splendid cooperation of other cities and prominent among these was Hillsboro which sent their Goddess of Liberty, float, and three cars over to participate in our festival. Miss Cecil Emmett of Hillsboro was the Goddess of Liberty and she made a very attractive and altogether pleasing one. She rode on a specially constructed float and was accompanied by a bevy of pretty attendants. Accompanying the float were three cars containing Mayor Shute and other Hillsboro citizens and each bearing a sign "Hillsboro Commercial Club."

But the real surprise of the parade for Newberg and the Berrians was the entrance of McMinnville with their Elks band and fully twenty autos each of which carried a large sign with the inscription, "Your Sister City, McMinnville." This spirit of cooperation is too greatly appreciated for words to express. Coming without previous arrangement or publicity, it meant just what the inscription indicated a spirit of more than mere friendship, a spirit of sisterhood. Newberg feels deeply in debt to McMinnville and on every hand were to be heard words of commendation. Such a manifestation did more to overcome any feeling of rivalry which may have previously existed than any other thing which could have been done. Newberg will certainly reciprocate when opportunity offers.

Then came the cars entered by the U. S. National bank and the First National bank, and both were very pretty.

Another pleasing part of the parade was the participation of the marching organizations from other cities. Among these were the Cherrians from Salem, the Prunarians from Vancouver, Wash., and the Rosarians from Portland. The Rosarians brought their splendid band with them also. Newberg must feel

very kindly towards these older marching organizations which have been so ready to help us in our affairs. In view of the fact that they all represent much larger cities than ours, it is very fine that they thus recognize our efforts along booster lines and come to our assistance in these festivals. We should feel doubly grateful to the Prunarians and the Cherrians who have assisted us in this way both last year and this and we should also feel greatly appreciative of the Rosarian's participation in view of the fact that they do not ordinarily engage in this sort of outside work.

Pacific College had a very pretty decorated car, driven by W. W. Silver and containing President Pennington and other college people wearing the cap and gown of their rank.

The various communities had some nice cars in line. Among these was a car from Sunnycrest decorated in ferns and roses, one from Springbrook driven by Fred Kincald, and a Fernwood car with a sign "Fernwood Berrians."

E. C. Baird entered a decorated auto which was very dainty.

There were several commercial cars in the parade, among them being Doyle's Tire Shop, Wells' Battery Service, M. P. Elliott & Sons, Hull & Sutherland, and the Ford Caravan, entered by the Newberg Motor Co. St. Paul also had a car in the line and the Newberg Fire department entered the fire truck and had it decorated with flags.

Henry Morris was grand marshal of the day and he was assisted by Chandos Chase, Russell Parker, Monte Brickell and Walter Wilson, each of whom rode fine mounts in the parade.

V. A. Vincent, Mrs. D. A. Hart and Joe Hollingsworth were the parade judges and they selected the following as winners: Dundee, first; U. S. Bank, second; Springbrook, third; and Hillsboro, fourth. The first prize was a silver cup which must be won twice in succession to become the permanent property of the winner. The second prize was a ribbon.

The committee which arranged and handled this parade are certain to be congratulated. They worked hard and have the satisfaction of feeling that this was the largest and probably the best parade ever held in Newberg. The parade committee was composed of the following: E. E. Goff, Chandos Chase and Dean Calkins.

If there is any regrettable feature in connection with the parade it would be that more of the business houses and more of the surrounding rural communities did not participate. However, this was partly due to the busy season and partly to the short time given in which to prepare for the festival.

### Coronation Ceremonies

The parade wound up at the city tourist park and here the elaborate coronation ceremony took place and the formal program including the address of the day was given. As the parade drew up at the park the various booster organizations marched up on to the platform and were seated. The Rosarian band and the Berrian band took their places on either side of the grand stand and the Berrian officials and distinguished guests took seats on the platform. At this point in the proceedings the Royal Rosarian Band of Portland gave the musical feature of the day. A beautiful slide trombone solo was rendered, with perfect accompaniment by the band, and it will be many a day before the music lovers of the gathering will forget the enjoyment afforded by this number.

Then to the strains of a processional march by the Berrian band, Queen Evah, preceded by her little fairy attendants, accompanied by Chief Black Cap R. A. Butt and followed by her court of attendants filed down the aisle and mounted the platform, the little tots carpeting the path with rose petals as they proceeded. Arriving on the platform, Mayor S. M. Calkins proceeded to crown Miss Hadley as Queen of the Berrians and then presented her with the key to the city. This she in turn presented to J. Addison Bennett of the Oregonian staff, who represented the city's guests in its acceptance.

The arrival of further notables was presaged by the sound of rolling drums and a boy scout messenger, accompanied by two drummers, appeared and presented Chief Black Cap with a message from Mayor Shute of Hillsboro. Chief Black Cap then read the message, which follows:

A. C. Shute, mayor of the City of Hillsboro, to R. A. Butt, Chief Black Cap of the Newberg Berrians. Greetings:

"Persistent rumors throughout the year have reached our ears concern-

ing the activities of the Berrians, their splendid participation in the Portland Rose Festival, and the hospitality of the City of Newberg.

"We have heard of your elaborate preparations for this, your second annual Berry Festival, also of the fame of your fair ruler, her majesty, Queen Evah the First,

"And desiring to learn more about your organization and to participate in the festivities of this day, and wishing to extend to you the congratulations and the good will of the people of Hillsboro,

"We have therefore, sent to you Cecil Emmett, our Goddess of Liberty, together with her maids, who even now are at the gates of your city desiring admittance.

(Signed) A. C. Shute, Mayor of the City of Hillsboro."

Turning to Queen Evah and asking what was her pleasure, Chief Black Cap was told to order her two loyal subjects, Sub-Chief Mungler C. C. Ferguson and Gold Dollar Keeper of the Patch W. H. Woodworth to go and escort the Goddess into her court. The pretty little Goddess, accompanied by her young lady attendants, was greeted by Queen Evah and the Goddess was given a seat beside the queen. Seated thus the court presented a very pretty appearance and the setting thus provided added no small part to the beauty and splendor of the program which followed.

Little Beatrice Beryl Buckley, daughter of Mrs. Susie Buckley of Portland and a niece of Mrs. Wesley Boyes, then gave a solo dance which was very artistic and much appreciated by the audience.

### Whitney Boys Sing

The next number on the program was that ever popular chorus, "Beautiful Oregon Rose," given by the Newberg Whitney Boys Junior Berrians. They also responded to a hearty encore with "Old MacDonald's Farm" which was directed by Bairton Frost. Frost completely convulsed his audience with his realistic mimicry of the animals on the farm. The audience were so well pleased that they insisted on a second encore and the chorus responded with "Soup." This was directed by Herbert VanValin and no one would have known that it was his first time in directing this piece for he did so well.

### Mr. Kent's Address

Following the making of announcements Chief Black Cap then introduced the speaker of the day, Hon. H. W. Kent, executive secretary of the Portland Rose Festival association. Mr. Kent was very appreciative of what Newberg had done in participating in the Rose Festival both this year and last and pointed to her achievements as a goal for others to work to. He said that as a representative of the Rose Festival board he wished to express appreciation for the wonderful participation of Newberg in the floral parade. He also gave a pretty tribute to Queen Evah. Before calling upon W. P. Merry, Mr. Kent presented a cup to Queen Evah as the representative of the Berrians for the participation in the regatta. Probably few people know anything about that part of the Berrian's participation. A motor boat was placed at the Berrians' disposal and was decorated by its owner, Three Newberg ladies constituted themselves as representatives of the Berrians and rode in this boat. The prize of this silver cup was given the Berrians because of this boat having won first place in the regatta.

### Other Speakers

Mr. Kent then introduced W. P. Merry, chairman of outside participation in the Rose Festival parade. Mr. Merry stated that he had been at The Dalles on the previous Sunday when a celebration of the completion of the Columbia river highway was held. He said that speakers took up the various phases of the state's development, speaking of power, scenery, highways, etc., but Mr. Merry said that he could not help but contrast the lack of spirit shown by the audience as compared with the splendid spirit shown by the Newberg people. Mr. Merry then presented Queen Evah with the Berrian's check for \$100 as the first prize which they won with their float in the floral parade.

Mr. Kent then rose again and spoke of the cooperation of Salem and told of King Bing's having given him some Kopecs which he presumed was advance payment for something which he might say. A call for King Bing brought him forth reluctantly and he spoke of the pleasure which the Cherrians had in being present. The Big Prize was called for but would not make a speech. Judge Morrow of Portland then responded to an insistent call and made a very nice

talk in which he said that as a citizen of Oregon he was proud of Newberg and wished that he could belong to the wonderful Berrian organization.

This concluded the program, but before leaving this part of the story we wish to give further credit to Queen Evah. She was most charming and gracefully possessed all of those qualities which entitled her to represent the Berrians. Her winning smile and pleasing manner won her the applause and commendation of everyone.

### Noon Luncheon

A splendid luncheon was served at the I. O. O. F. hall by the ladies' auxiliary of the American Legion to the visiting booster organizations, distinguished guests and others, and this proved to be another high spot in the day's program. We are unable to give the details of the program but understand it was very excellent. A Mr. Jenkins of Portland took charge of the singing and proved to be a "pep" promoter of the highest order.

### The Exhibits

At one o'clock came the judging of the exhibits at the Calkins garage. The exhibits were probably not so extensive as last year but there were some splendid displays made and a small idea could be obtained from these of what this section can do in growing berries and other fruits. It is really too bad that the exhibits were not more extensive as they should have been the big feature of the day. There are no finer berries raised anywhere in the country than are grown right around Newberg. We had hoped to see this demonstrated to the visitors by large exhibits which would crowd the display space. Of course the farmers were very busy just at this time, but we believe that the effort would have been well repaid had they taken a little time off to enter some of their best berries and other fruits to show the outsiders what they can raise. However, we do not blame the farmers and growers entirely for this lack of exhibits. Doubtless the short time which was given for arousing interest in the festival was somewhat to blame for the lack of interest shown in the exhibits. Too little was known of the plans by the public at large and they felt a lack of definite information as to what was wanted of them. Certainly no blame can attach to F. A. Morris who had the exhibits in charge. Mr. Morris did all that could be done to promote this part of the festival.

The judges and awards were as follows:

The tug of war which was to have taken place between the Salem Cherrians and the Newberg Berrians was forfeited by the latter and the blue ribbon was awarded to the Cherrians.

### Baseball Game

The baseball game between the Salem Senators and the St. Paul team proved to be more or less of a farce much to the surprise of everyone. A close and exciting game was anticipated in view of the fact that both teams had previously won two games each in a five game series, but the Senators did not seem to be able to deliver the goods in this game and St. Paul won in a walk, the final score being 11 to 3. ## SIDELIGHTS OF THE BERRY FESTIVAL SEEN AFTERWARDS

Some say that the early bird gets the worms. The early birds last Saturday morning got to help decorate the float.

Mayor Calkins proved himself a good sport by helping from early morning Saturday until everything was cleaned up after the festival. He was always on the job and also enlisted a number of the members of his family besides.

Evidently the Berrians were afraid that the Cherrians would make good their threat to pull them into the water, for they backed down on their challenge to the tug of war and gave the Cherrians the ribbon without a contest.

The Whitney boys made a splendid appearance both in the parade and at the coronation program.

J. Addison Bennett who was present as a representative of the Oregonian certainly proved himself a good friend of Newberg in the write-up which he gave our festival. We hope Mr. Bennett will be able to attend many more of our festivals. He is a real booster for Oregon and has by his writings done much for the state's advancement.

Henry Morris came clear back from the hot springs to act as grand marshal and he made a good one.

We had always supposed that Dick Thurston was a Newberg man until we saw him riding in a McMinnville car Saturday.

Why didn't the band follow Bert? Ask Bert, we had troubles of our own.

There was practically no disturbance during the day, which is a thing of which Newberg may well be proud. One man was arrested on a charge of selling cigarettes to minors and was fined \$25. This was the only violation of the law of which we have heard.

The programs were given out free this year and there were many expressions of appreciation heard from those receiving copies. The programs made a very fine souvenir and some people are sending them to friends at a distance. The Graphic has a few left which we will give out as long as they last.

The Ford demonstration drew large crowds all day and also during the evening. The Ford people did some marvellous things in the way of showing motion pictures on the wall of a building, lighting their lot, etc.

Hon. H. W. Kent, who was our special guest, was as genial as usual and won a host of friends among Newberg people, who will be glad to welcome him to our midst both again and often.

Newberg's queen and Hillsboro's goddess were both quite charming and demonstrated that Portland and the larger cities have no monopoly on beautiful young ladies.

## CHERRIANS REPORT HAVING BRILLIANT TIME IN NEWBERG

A score of Cherrians visited Newberg, Saturday, for the celebration of Berry day. They left Salem in time to get to their destination for the big parade at 10 o'clock, and added their own immaculate white uniforms and red cherry badges and smiling faces to the big show.

They report that the neighbor towns of Hillsboro and McMinnville were especially lavish in floats and general parade features. The Prunarians of Vancouver, the Rosarians of Portland, the Cherrians of Salem, the Berrians of Newberg and the Maryannes from all over the valley were there to grace the parade and make it a joyful occasion. At noon the Berrians fed the uniformed men and other distinguished-looking visitors with a lavish spread of all the good things they have been keeping for a whole year. It was a feed to founder anyone but a trained trencherman.

In the afternoon, the tug-of-war team agreed to talk it off instead of trying to drag each other and his snowy uniform through the mill race and the dust. They hadn't provided a change of raiment—so the tug-of-war was passed as a bad bet.

The visiting Cherrians say that the way the Newbergians have of making their guests feel at home is worth going across a state to see. The affability and genius of their local chairman is mentioned as one talks about a diamond the size of a turnip, or the first sweetheart, the first grand child of the family, a topic to be dwelt on, lovingly, everlastingly. The Newberg Berrians have made a new record for hospitality that the Cherrians want to spread wherever there are good fellows who haven't learned the fine art of showing guests a good time. The Salem delegation returned early Saturday evening, voting it a wonderful day.—Salem Statesman.
