Mrs. Bland was given charge of the silver cup which we keep till next Berry Festival.

Several interesting facts were brought out at this meeting. One thing is that our club has been organized a little over nine years and has done well. We now have our hall and have it all paid for, a good parking place fixed and a well equipped kitchen, beside several minor improvements. We have several very faithful members, among whom is our ex-president, Mrs. Bertha Shanahan, who has not missed a meeting in over five years. This is a record we are all proud of and Mrs. Shanahan is to be congratulated.
