If your wife isn't away somewhere, you are very much out of fashion these days. The restaurants are getting a good run of business as a result. In fact the question seems to be, "Is she going, gone, or coming back?" Judging by the weebegone looks of some, they have concluded that she's not coming back.

SLIPPERS For Your Eyes

The eye is the most delicate motor apparatus of the human body, yet you abuse it to a degree that you would not inflict even upon your feet. After a wearisome day you put slippers on your feet and a lounging robe about you to secure comfort. Our glasses are slippers and lounging robes to your eyes and will give you comfort and rest.

A dispatch to the Portland Journal from New York City is authority for the statement that 72 persons were killed and 607 injured in auto accidents in twenty-two cities during one week. Sixteen persons were killed in Chicago alone. It happened to be an unusually poor week in Portland for there were none killed and only three injured, which is probably a record for that city.

Curtis Odinberg, a young man about 22 years old, who is employed on the S. P. bridge gang which is working near here fell off from the trestle on the main line just north of town Tuesday afternoon and sustained injuries the extent of which are unknown at this writing. Young Odinberg was tightening nuts on bolts and it is thought that the wrench slipped letting him fall. He struck on a truss and apparently injured his back and kidneys. It is understood that Odinberg's home is at Albany.

A coroner's inquest regarding the death of L. M. Parker was held before Judge Churchill on Monday morning and a jury heard the evidence as introduced and then brought in the following verdict: "We, the coroner's jury in the case of the death of L. M. Parker and the evidence in the case shows that Mr. Parker met the cause of his death from being struck and drug by a car driven by John Rasmussen on the 22nd day of July, 1922, at the intersection of Second and Edwards streets in the city of Newberg, Oregon. But as to whether said Rasmussen was guilty of a crime we do not find evidence sufficient to determine." N. C. Christensen, Henry Crow, S. F. Wallace, C. R. Duer, A. S. Fogg and W. W. Nelson.
