We think the parties who broke into our toolshed and stole the roll of new barbed wire and other things had very little to do. We don't know what this world is coming to when you can't leave home for a day or so and find things as you left them when you return.

The Sunnycrest ladies' club gave a supper at Paul J. Mier's home last Saturday evening for the club members and their families. They had planned to have a picnic supper in the grove across the road on Hall's place and seats and tables had been erected for that purpose, but the heavy rain on Friday put an end to those plans. But since the ladies are all Oregonians they were not going to permit the rain to spoil their fun, so they moved inside and went ahead with their plans. Supper was served cafeteria style at 7 o'clock and each person was allowed to pile as many goodies on his plate as he could make it hold and also to return a second time if he was not artist enough to make it hold as much as his stomach. It is needless to say that everyone had a good time and all he could eat. Very few of the club members were absent, so the house was filled to capacity.

Hutchens & Hickerson of Newberg have just completed a well for Mr. Holtzmyer. This well is situated on the Red Hills where by some it was thought water is scarce. The well is 121 feet deep, 30 feet of which is in rock. The water stands 55 deep and will give an estimated flow of 450 gallons per hour. We are indeed glad to know that water is so abundant on the hill and all it takes is a little deep going to get it.

Mr. and Mrs. A. A. Parrett were hosts on Thursday evening, August 10, to a number of relatives. The occasion was the celebration of Mr. Parrett's 45th birthday. There were present: Mrs. Elizabeth Parrett, Mr. and Mrs. John Herring and family, Mr. and Mrs. Fred Herring and family, Mr. and Mrs. Paul Groth and baby, Mr. and Mrs. B. Groth, Mr. and Mrs. John Parrett and son, Billy Roy, and Claude Groth. We extend congratulations and wish Mr. Parrett many happy returns of the day.

On Wednesday evening, August 16, the Berrians formally presented to the Dundee women's club the beautiful silver cup won at the Berry Festival. It was an occasion long to be remembered. Our president, Mrs. Holtzmyer, called the meeting to order and introduced Chief Black Cap Butt, who spoke briefly in highest praise of the work of the club, not only as to the showing that was made at the festival but also regarding the spirit displayed in our work, club house, etc. Mr. Allan of Dundee gave a short and well chosen response. Mrs. Hutchinson received the cup in behalf of the club and community. Mrs. Noble gave us a few words concerning the county fair to be held in McMinnville. Mr. Bert Miller sang two very pleasing numbers. The Berrian band furnished music for the evening and needless to say the music was enjoyed very much. At the close of the program dainty refreshments were served to over 200 guests and friends. The evening closed with an informal dance and general visit. We indeed thank the Berrians for the cup and for the very pleasant evening the presentation afforded.

When ironing, if you have no wax take paper, wet common soap, rub on paper and rub on iron. Makes iron nice and smooth and no bad smell of wax. I prefer it to wax.
