A B.V.D. Correction In a recent advertisement of "Topkis" union suits we described them as being "made similar to B.V.D." This was an error, as "B.V.D." is the registered trade mark of the B.V.D. Company which should not have been used to describe goods that were not the product of the B. V. D. Company.

Having no desire to infringe in any way on the B. V. D. Company's trade mark rights, we will, in the future, only refer to the trade mark "B.V.D." in connection with the sale of the product of the B. V. D. Company bearing the red woven "B.V.D." label.

Everyone is rejoicing about the excellent prune weather of the last week. The prunes are ripening rapidly and in good condition so far. Keeping sufficient help seems to be the greatest problem.

Frank DeVore and family, who formerly lived where Eugene Hubbard now lives, were visitors to the Sunnycrest neighborhood the first of the week. They drove their car through from Texas.

Mrs. Adell of Olympia, Wash., came for a visit with her parents, Mr. and Mrs. Dillinger, and sisters, Mrs. Parks and Mrs. Eugene Hubbard. Everyone was so busy in the prunes that she also caught the prune germ and went out to the orchard with the Parks family.

John Dahlquist had the misfortune to lose his Ford truck Monday evening. He was returning from Portland on his daily trip when about three miles from Tualatin it caught on fire from the exhaust pipe. He had on a load of milk cans, egg crates, one box of bread, ice cream and two cases of soda pop. He saved the ice cream and some cans, one front wheel and the two hind wheels and a few other articles. As he had no insurance it was a total loss.

Dundee sent a creditable exhibit to the county fair at McMinnville, but owing to prune harvest and lack of time in preparation no special booth for this district was attempted. The separate exhibits were scattered and entered under the various heads for general exhibition.
