NEWBERG, YAMHILL COUNTY, OREGON, THURSDAY, OCTOBER 26, 1922

NUMBER 4

COUNTY TO CELEBRATE ARMISTICE DAY HERE

American Legion Community Memorial Building Will Be Dedicated—All Day Program

PARADE AT 10:30 IN MORNING

Lunch at Noon, Football Game in Afternoon and Musical Program in the Evening

Armistice Day, November 11, is to be a big day in Newberg. At this time a general celebration of the day will be held and the new American Legion Community Memorial building will be dedicated. There will be prominent speakers here from other places, including State Legion Commander George Wilbur of Hood River and Walter L. Toose, Jr., of McMinnville. There will be a big parade in the morning with a program following its conclusion. A big football game in the afternoon between the legion and the firemen and a musical program in the evening, followed by a grand ball. This in brief is the schedule for the day. However, it does not include all of the details.

The day's program, giving hours, and in brief is as follows:

- 10:30 a. m.—Parade.
- 10:30 a. m.—Dedication ceremonies.
- 12:30 p. m.—Lunch.
- 2:30 p. m.—Football game.
- 7:30 p. m.—Program.
- 9:30 p. m.—Dedication ball.

It is the intention to have the parade form at 9:30 at the Legion building. This parade will include the band, the various patriotic organizations, visitors, speakers, representatives of other cities, etc.

The dedication ceremonies at 10:30 will include the following, with perhaps some slight changes:

- Selection, Berrian Band.
- Invocation, Rev. Frank James, department chaplain of the department of Oregon.
- Introduction of State Commander by Ex-Post Commander and Chairman Dr. J. S. Rankin.
- Address, State Commander George R. Wilbur of the Department of Oregon.
- Solo, "Christ in Flanders Field," Mrs. Georgiana Babcock.
- Introduction of G. A. R. speaker.
- Address, Albert Loughridge, state patriotic instructor of G. A. R.
- Double male quartet, "Newberg Eight."
- Introduction of Walter L. Toose.
- Address, Walter L. Toose, Jr. of McMinnville, member of state executive committee of American Legion.
- Singing "Star Spangled Banner," Professor Alexander Hull singing verses and leading audience on chorus.

From 12:30 to 2:30 lunch will be served by the Civic Improvement club, the W. R. C., and the American Legion auxiliary at 50c a plate.

At 2:30 p. m. the annual football game between the American Legion and the Newberg fire department teams will be held at the college field. A more extended account of this will be found elsewhere in this issue.

The musical program from 7:30 to 8:30 in the evening at the Legion building promises to be a very fine affair. The opening number will be a selection by Kienle's orchestra. This will be followed by a vocal duet by Miss Eva Hadley and Mrs. Georgiana Babcock. There will be a violin solo by Mr. Sheridan M. DePine. Following this there will be a patriotic drill by a group of the little folks. The double male quartet or "Newberg Eight" will then sing, following which Mrs. Richard Williams will render a solo. The program will close with another selection by Kienle's orchestra.

From 9:30 on will occur the dedication ball which will wind up the day's events and complete the festivities and celebration of Armistice Day and the dedication of the new Legion community memorial building.

It is desired to have all of the near kin of those who gave their lives in the service and whose names appear on the memorial tablets on the building on hand on this occasion and they will be given seats on the platform at the dedication ceremonies. The entire event will be in keeping with the occasion and the public are urged to cooperate in every way to make this a successful affair. The Legion posts from other places in the county and the various cities of the county will be represented and it is planned to make this a county affair in view of the fact that the county furnished funds for the erection of the building and the names of all who paid the supreme sacrifice in this county are placed upon the memorial tablets.

ENDORSES EXPOSITION

The central labor council of Portland and vicinity and the various trade organizations have passed resolutions endorsing the Oregon 1927 exposition. Otto Hartwig, president of the state federation of labor, has organized a special exposition committee to ask organized labor throughout the state to support the exposition measure at the state election November 7.

A Graphic classified will sell it. tt

POLITICAL MEETING

At the new Legion building on Tuesday evening, October 31, at 8 o'clock, W. S. Martin, western divisional secretary of the national religious liberty association of Washington, D. C., said to be an able speaker and well informed on the subject of the compulsory education bill, will deliver an address on this bill which is before the people at the November election. Mr. Martin will ask his audience to decide the question, "Shall I vote Yes, or No?" on its own merits. The public are invited and urged to attend this meeting.

FIRST FOOTBALL GAME AT PACIFIC COLLEGE ON FRIDAY

Friday's game will start the first football season at Pacific College in eight years, when the heavy Pacific College team will meet the Pacific University Freshmen on the Pacific College field, Oct. 27 at 3 p. m.

Coach Jones is well pleased with the work of the new team against the lighter high school team in recent scrimmages and expects the men to give a good account of themselves in Friday's game. The line men, although green at the game, for the most part, are heavy and rather fast. The line from tackle to tackle averages around 190 pounds with a couple of 160 pound ends. The backfield is rather light and inexperienced, averaging only 140 pounds. The line-up for Friday's game is likely to include any of the following men: center, D. Haworth; guards, P. Haworth, Parrett, Brown, W. Crozer; tackles, Everest, Terrell, Pierson, D. Woodward; ends, H. Hester, R. Hester, Else, Everest; halfbacks, W. Woodward, Cook, W. Crozer, L. Crozer, Evans, Alfred; quarterback, Cook; Armstrong.

CORN SHOW AT FEED STORE WAS SUCCESS

The corn show contest put on by the Vincent Feed store was a complete success and brought out the fact that even here in this rainy fruit country, some of the finest corn can be grown. The contest was put on by Mr. Vincent to increase interest in growing corn, and it will certainly pay anyone who is at all interested in this subject to call at the Vincent Feed store and see the splendid exhibits. Twenty-two different persons entered ten ears of their favorite corn which they had raised in competition for two prizes—a first prize of \$5 and a second prize of a sack of flour. Professor Kenneth Fendall of the agriculture department of the high school acted as judge.

Milton Gettmann of the Fernwood district carried off first prize on his white dent corn, while C. T. Newman north of Newberg, was awarded second prize on his yellow dent. Other varieties entered included bloody butcher, calico corn, and pride of the north. Some old corn growers from the middle west said that they had never seen finer looking corn in Kansas and Iowa.

LEGION AUXILIARY BAZAAR

Don't forget the legion auxiliary bazaar which is to be held in the new Legion building on next Saturday, October 28. There will be all kinds of things for sale, including good eats, things suitable for Christmas gifts, home comforts, fancy work, etc. It will pay you to visit the bazaar and then too you will be aiding a most worthy local cause.

TO DISCUSS POLITICS

The meeting for the discussion of "men and measures" (mostly measures) will be held Monday evening, October 30, at 7:30 o'clock in the Christian church. President Pennington, Attorney Butt and others will discuss the compulsory education bill. Other good speakers and well informed will present arguments for and against the other measures. It is desired that this shall be a real mass meeting of all citizens desirous of casting an intelligent ballot. Candidates for office of any kind are invited to be present and tell the people why they should vote for them.

N. H. S. WON

Newberg high school defeated Woodburn high here last Friday in a very close game of football, the final score being 6 to 6. Newberg secured their lone touchdown in the first quarter and it looked then as though they were going to make easy work of it. However, Woodburn stiffened and Newberg felt the loss of Hank Thomas who was taken out because of injuries. In the last quarter Woodburn worked the ball down to within three yards of Newberg's goal and here Newberg held for downs and then punted thirty yards to safety. Newberg was good on line plunging but weak on interference for end runs, while Woodburn was especially good on delayed and triple passes.

LEGION-FIREMEN FOOTBALL GAME NOV. 11TH

Both Teams Are Lining Up for This Big Annual Struggle—Firemen to Have Heavy Line

Both the Legion and the fire department are lining up their forces for the coming football game on the Pacific College field on Armistice Day, November 11. Manager Rice of the Legion team and Manager Livingood of the fire department, are both sanguine of the outcome, and both give their reasons for believing that their team will be able to defeat their opponents. Last year the Legion won, but it was a real game and many of the spectators thought that the two teams put up a splendid game.

There will be some changes in the lineup this year on both sides but it is difficult to say what effect these will have upon the outcome. Both teams have some good material and both are training hard for the game. Coach Jones of the college is training the fire department and this will doubtless give them a slight advantage in respect to training.

The Legion will place their confidence in such stars as Wells, Best, Forkner, Crow, Nichols, and others. The firemen will have such noted men in their line as Miller, Sanders, Parrett, Herrington, Hutchison, and others. The fire department are also counting on the weight of their team to help put it over. A few of their heavy weights are: C. M. Collins, 235 pounds; Phillip Haworth, 265 pounds; O. Crabtree, 220 pounds. And then there is Bert Miller, who at latest reports was weighing in at around 250 pounds and who is eating five meals a day to increase his weight for the occasion. Miller was the star of last year's game, and proved so superior to the occasion that he played safely for both teams with apparent ease.

The Legion will rely on fast foot work and trick plays and the public will no doubt be greatly interested to know whether this type of playing can defeat the heavy line plunging of the firemen.

The line-up of the teams will be somewhat as follows, although the firemen have not definitely decided upon their team:

Legion—Right end, Brandy Elliott; left end, G. W. Wells; fullback, Bob Forkner; left halfback, Red Rice; right halfback, Oswald Best; quarterback, Don Crow; right tackle, Harold Nichols; left tackle, Bill Allen; center, Chas. VanBlaricom; right guard, Billy Heater; left guard, Archie Abdill.

Firemen—Ends, George Hodges, Garland Hayes and Earl Hutchison; fullback, Frank Harding; halfbacks, Bert Miller, W. T. Sanders and Vern Herrington; quarterbacks, Bert Miller and W. T. Sanders; tackles, Zimri Ellis and Spud Everest; guards, O. Crabtree, Phillip Haworth, C. M. Collins, Fred Hutchens, and Clifton Parrett; center, G. W. Cornelius and Herrington.

Orville Livingood, it is said, has gone to Medford, Oregon, where he will take some special training and study some trick plays for the use of the firemen.

At any rate, whatever the outcome may be, it is almost certain to be a very interesting game and one that will keep the crowd on their toes all of the time. The public are urged to attend and help the boys. The proceeds of the game will be split fifty-fifty after paying expenses and the firemen will use their part of the gate receipts to help pay for the electric fire alarm, while the legion will use their part towards paying off the indebtedness on their new building.

CHICKEN PIE SUPPER

The Ladies' Aid society of the Presbyterian church will give a chicken pie supper in the basement of the church Tuesday evening, October 31. Supper to begin at 5:30. Admission, adults, 50c; children under 10, 30c.

NOTED PEOPLE VISITED NEWBERG LAST WEEK

Mr. Abernathy of British Columbia, prominent logger and lumberman, C. McCormick of Chicago, and H. M. Johnson, western representative of the Miami corporation, made a brief stop at Newberg, last Thursday, where they were shown through the local sawmill by H. C. Spaulding, who later accompanied them to New Grand Ronde. There they were met by Charles K. Spaulding and all made a two-day inspection tour of the camps and general operations at that place.

Mr. Abernathy is seeking an insight into Oregon logging methods. Mr. McCormick is a nephew of Harold McCormick of the International Harvester company and a cousin of Mathilde McCormick.

Satisfaction is a big word, and it's a big thing to be able to give the buying public along with their purchases. We're selling satisfaction as well as printing. Are you satisfied? If not, you are not getting your printing here. tt

TEACHERS' RECEPTION HELD TUESDAY NIGHT

Teachers of Grammar and High School and Pacific College Given Social at Club Rooms

The Ladies' Civic Improvement club and the Parent-Teachers' association held a reception for the teachers of the grammar and high school and the college at the Commercial club rooms on Tuesday evening of this week. The large club rooms were completely filled and a very pleasant social evening was enjoyed by the large crowd. Mrs. Lyle Palmer acted as chairman of the evening and introduced the program. Mrs. E. E. Goff, on behalf of the Civic Improvement club, and Mrs. Ben Evans on behalf of the Parent-Teachers' association welcomed the teachers. Rev. George H. Lee also made a very happy speech as a representative of the school board. Mrs. Richard Williams sang a double number and responded with a very pretty encore. Little Jessie See and Helen Stanbrough each gave two readings of a humorous nature in a captivating manner. The teachers were taken in groups, first the grammar school teachers, the high school teachers and then the college teachers and asked to line up and introduce themselves as individuals to the assembly. Each one told what their name was, what they teach, and where they were from. We were glad to note that our native state—Minnesota—was well in the lead.

Short speeches were then made by Prof. VanWormer of the grammar school, Supt. A. C. Stanbrough and President L. T. Pennington. After this a social hour, in which everyone mixed up and proceeded to get acquainted, was enjoyed and refreshments of punch and wafers were served.

One could not help but be impressed by the fact that Newberg has a very fine corps of teachers in its various schools and college and the occasion offered opportunity for many of the parents to meet those who have the destiny of their children in hand.

CLUBBING OFFER ALMOST OVER

The special clubbing offer of the Graphic and Oregonian and Telegram will close on Tuesday, October 31. By this special offer subscribers are offered the opportunity to save quite a considerable sum over the regular subscription price of the two papers, if taken separately. This saving comes as the result of a specially reduced price on the Portland papers and the giving to our subscribers the commission which these papers offer us for securing subscriptions for them. By this arrangement you can obtain the Graphic and the daily Telegram for \$5 a year or the Graphic and daily Oregonian for \$5.50 a year. The Graphic and daily and Sunday Oregonian will cost \$7.40 a year. The Oregonian comes by mail only, but by special arrangement with Mr. Martin, the Telegram will be delivered under this bargain clubbing offer. Don't put off sending in your subscription for the offer closes next Tuesday, October 31. If you are at present a subscriber to either of these papers, you may have your subscription extended for a year under this offer.

ADVERTISING IN THE TELEPHONE DIRECTORY

The Graphic is again publishing the semi-annual telephone directory for the Newberg Telephone company and is open for advertising in this new directory. This applies to advertising both in the main directory and in the classified section. Any persons desiring to place advertising in the directory should notify the Graphic at once. Those having open accounts with the Graphic need not pay in advance, but persons unknown in a business way should pay for advertising in advance.

OREGON HEALTH EXPOSITION OCTOBER 26 TO NOVEMBER 11

State, city and county officers from all parts of Oregon will be in attendance on the opening day of the Oregon Health exposition which opens in the municipal auditorium at Portland October 26, and continues until November 4.

An impressive pageant, featuring Hygeia, goddess of health, will mark the formal opening of the exposition, at 2 o'clock next Thursday afternoon. Governor Olcott, Mayor Baker, state and city functionaries have been invited, and indications, according to those in charge, are that a large attendance will be the result.

Over 100 health and charitable organizations and approximately 60 commercial firms will have exhibits at the exposition. Over 100,000 people are expected to participate in the exposition, according to State Health Officer Stricker, who, with City Health Officer Parrish of Portland, are tirelessly working to make the big health show a success such as has never before been consummated in the state. Clinics, educational booths, and literature, will be at the disposal of all attending, while instructive exhibits will demonstrate clearly the advantages to be obtained from con-

MUSIC RECITAL

The public is cordially invited to attend a free recital given by Mrs. Hull's younger pupils at Wood-Mar Hall, Monday, October 30, at 7:45 p. m.

Plans are in progress for a free concert to be given November 6 in conjunction with Portland's music week. A splendid program of songs, piano numbers, readings and orchestra selections has been arranged, of which further notice will appear next week.

Make known your wants through a Graphic classified. tt

COLLEGE FOLK WILL HAVE A VERY WIERD EVENING

Ghosts will squeak and gibber, witches will brew their brews; all manner of uncouth and wondrous shapes ne'er seen by human eye before will assemble beneath weird and druidic oaks on the verge of the eerie canyon.

They will forthwith present at the entrance of the college gym, yellow admission tickets for which they have paid four cents in good American copper. They will then be eligible to win the prize for the most striking costume worn by faculty member or student at the hallowe'en football benefit and will be privileged to squander the coppers with which they are heavily armed on the that charmed country whose gate is the gym door.

All this will enliven the evening hours of Friday, October 27. The result of it all will be a great deal of fun, increased friendship among the fun sharers, and a substantial increase in the assets of the football team. Only a few outsiders, those who hold complimentary tickets, will witness the mystic rites.

THE KENSINGTON CLUB MET WITH MRS. S. J. MADSON

The Kensington club was entertained at a Hallowe'en party, Wednesday afternoon at the home of Mrs. S. J. Madson on Harrison street. The annual election of officers resulted in the following being elected: President, Mrs. L. F. Moore; vice president, Mrs. Z. L. Chamberlain; secretary, Mrs. Aggie Ginn Gould; treasurer, Mrs. Edmund Harvey. A social time was had and Mrs. G. W. Darr proved herself equal to the occasion by giving a ghost story and a live ghost appeared in the midst of the company.

The dining table was beautiful with lighted candles, hand-painted place cards and nut cups. Thirteen guests were served to a two course luncheon by the hostess, Mrs. J. E. Sturvey, Mrs. Clarence Kienle and Mrs. C. E. Wilson were the guests of the afternoon.

HOOVER FOR EXPOSITION

Herbert Hoover, secretary of commerce, is an advocate of the Oregon 1927 exposition. In a letter on the subject, he says:

"I have a high appreciation of the value of specialized exposition, not only for the spread of knowledge but for the advancement of the arts themselves, and I believe that the forthcoming exposition at Portland will be a distinct contribution to the entire country."

WILLAMINA BRICK PLANT IS BEING KEPT BUSY

Sheridan, Ore., Oct. 23.—The Willamina brick plant is now operating with about forty men on the payroll. The daily capacity for bricks has been increased and orders are being received faster than it is possible to obtain cars from the railroad. The press capacity of the plant is 40,000 brick and the kiln will hold 25,000.—Telegram.

FEDERATION MEETING

The regular meeting of the Federated Clubs of Yamhill county will be held on the evening of October 31, 1922 at 8 p. m. at the Commercial club rooms, city of Yamhill.

Among other important matters to be discussed at this meeting and to be acted upon are:

First: Resolution asking the county court to employ a competent Road Master for the county.

Second: Resolution endorsing the Income Tax measure now on the ballot.

Third: Last meeting before election to which all candidates are invited. J. U. Smith Acting Secretary.

CARD OF THANKS

We desire to express our gratitude to friends and kind neighbors for their sympathy and beautiful floral offerings in memory of our beloved husband and father.

Mrs. Hulda Gustin and Maude, Francis L. Gustin and family, George T. Brickell and family, George Y. Hughes and family, Quentin M. Kielsing and family.

Constructive study of health doctrines. Statistics showing the enormous loss each year to the state from preventable diseases will be presented, and motion pictures vividly portraying the result of carelessness in health conditions will be shown and demonstrated. Dr. George Parrish, vice chairman.

A YAMHILL COUNTY MAN ON GOOD ROADS

W. B. Dennis of Carlton Makes Fine Address at Meeting at Missoula, Montana, Recently

URGES OREGON LICENSE SYSTEM

Gives Many Facts and Figures on the Automobile Industry in the United States

The following article from the Montana Missoulian will probably have considerable interest to our readers not only because it is the account of a speech made by a Yamhill county man, but also because it goes very definitely into the highway construction and maintenance problem from the standpoint of an engineer who has made an intensive study of this subject.

More than 300 good roads enthusiasts from all parts of the state met last evening in the Tavern to consider means of improving Montana's \$7,000-mile highway system and to outline a means by which the state could secure funds to match the federal highway appropriation of a million dollars, which will be lost to Montana unless some steps are taken before July 1, 1923.

The banquet, which was under the auspices of the Missoula chamber of commerce, was an enthusiastic one. At the close of a talk by W. B. Dennis, Oregon highway expert, a motion was made by Sid Coffey of Missoula, that a committee of three be appointed to investigate the situation. C. H. McLeod and A. W. Miles of Livingston were chosen to act with Eugene Carroll of Butte, chairman of the meeting.

Adoption of the Oregon schedule of motor vehicle license fees, which run from \$15 to \$62.50, an average of \$28 per car, was one of the methods advocated by Mr. Dennis as a remedy of Montana's highway ills, because it would produce an estimated annual revenue of \$1,560,000, based on the present registration of 60,000 cars. A gasoline tax of two cents per gallon, part of which would go to the roads, should produce an additional \$500,000, he estimated, making a total annual revenue in Montana of \$2,060,000 paid directly by the motor vehicle which would be available for matching federal funds or for other road purposes.

Problem to Get Good Roads

"The real problem, however, is not whether we shall have good roads or do without them; but how we can get them," Mr. Dennis declared, which is another way of asking how they can be financed upon sound business principles. The motor vehicle, with its demand for good roads, has come upon us with such suddenness that it has found us unprepared to meet the situation.

"Here in Montana, you collect a gasoline tax, which is divided among the general fund and the school fund. I understand that even one half the revenue of your motor vehicle license fees goes to the general fund of the counties, leaving your highway department with only sufficient funds to cover administration expenses with nothing left to administer. It is positively immoral to divert any of the revenues from the motor vehicle to any other purpose than roads."

Adoption of a state system of highways to be state owned, state improved, and state maintained. Mr. Dennis considers "a primary necessity for the successful management and financing of the road systems of any state."

Mr. Dennis favors for Montana a system somewhat similar to that in use in Oregon. His plans would include:

The selection of those state roads arterial in character and their conversion into a state transportation system. Selection would be made under the principles of classification laid down by the federal bureau of roads and would be made by a body as non-political in character as is possible to have.

No effort should be made to construct more roads than can be built and financed within a reasonable time. Such action, Mr. Dennis says, will result in a patchwork of units of only limited value and may lay the state highway commission open to a political pressure from those who wish better roads in sparsely settled districts. He urged the complete separation of county and state highway systems.

Autos Expensive Here

Mr. Dennis declared that it costs more to own an automobile in Montana than in Oregon, though our license schedule is one of the lowest in the union, declaring that additional taxes levied after the license has been issued bring the total yearly cost to approximately \$89 in this state as compared to about \$47 in Oregon, which secures most of the funds for highway construction and maintenance through the issuance of bonds, no levy being placed on real estate for state expenditures on roads.

He attacked the system of basing motor vehicle license fees on horsepower as being an "unjust and inequitable schedule." He declared he

(Continued on page twelve)
