SENTIMENT IN FAVOR OF PERMANENT FAIR

Meeting Held at McMinnville Favors Holding a Permanent County Fair in this County

(Contributed)

At the Commercial club rooms in McMinnville Saturday was held a most interesting meeting to consider ways and means for establishing permanent fair grounds and the holding of annual fairs in this county. M. F. Corrigan presided and after telling about the two successful state exhibits made this year, he stated the object of the meeting to see whether there was sufficient sentiment to finance a fair on the basis of taxation. He read from replies to a questionnaire sent to the various counties of this valley, as to whether they held annual fairs, owned their grounds, how they financed them, etc., showing that several counties were making a success of their undertaking and in every case financing was through a small millage tax.

Persons present came from various parts of the county. From Newberg came Messrs. Calkins, F. A. Morris, Parrett, Burke, Batcham, Henry Morris, Dolph and Smith; from Dundee Mr. and Mrs. Greer, Mr. Robison and Mrs. Clark Noble; from Lafayette, W. W. Lunger; from Sheridan Mr. Ketch, Mr. Wilkinson and Mr. Duvalian; from Dayton, Mr. Foster and Mr. Stewart; from Yamhill, Mr. Bunn; from McMinnville, Mr. Duncan, Mr. Todd, Mr. Glover, Lee Fletcher, Mr. Corbett, Mr. Link, Mrs. Hamblin and Mr. MacQueen.

There was general participation in the discussion by those present.

It was moved by Smith that the chair appoint a committee to ask the county court to levy one-fourth-mill tax this year and continue for four years more for carrying on the fair project the committee to have full power to do all necessary things to get the matter to going. This was seconded by F. A. Morris. The motion was amended by Link to ask for one-half-mill tax for two years, in order that the fair might be properly housed. The amendment was carried.

Moved by Smith that the chairman present this proposal to the meeting of the federated community clubs to be held at Sheridan on December 5. Motion carried.

Moved by Morris that when we adjourn we meet subject to call of the chairman. Motion carried and adjournment was taken.

GRAND OPERA SINGERS DELIGHT AUDIENCE HERE

The Mary Adel Hays opera singers who gave the opening number on the local lyceum course here last Thursday evening delighted their audience with their splendid singing and playing and also with their versatility. Opening with two acts from the opera Rigoletto, including the famous quartet scene, they gave a program which ranged from that heavier quality to the lighter elements of "A Soldier of the Regiment" and numerous solos. Miss Hayes has a remarkable voice and greatly pleased her audience in numerous selections. Perhaps, outside of her work in the opera, her singing of "Lo, Hear the Gentle Lark" was her best number. Her rendition of "Home Sweet Home" was a revelation. Both gentlemen singers were also fine and the tenor surpassed in one number, "When My Ships Come Sailing Home." Miss Clark played some very pretty piano selections and captivated the audience with her flute playing. The entertainment as a whole was exceptionally fine and those who were not able to attend missed a rare treat.

The local lyceum people announce the securing of another number for their course. This is the Embers male quartet which will appear here in March.

AGED VETERAN PASSES ON

Henry H. Vernon, father of W. H. Vernon of this city, passed away at the Soldiers' Home at Roseburg at 10:30 a.m. last Saturday, death being due to old age. Mr. Vernon came to Oregon about four years ago and located at Newberg with his son. In August of this year he went to Roseburg to be with his old comrades at the soldiers' home. He had been gradually failing for the past two months.

Mr. Vernon was born at West Williamsport, Ohio, on December 21, 1836, and was almost 86 years old at the time of his death. He enlisted in the Sixth Ohio Volunteer Cavalry in 1861 and served for three years and eight months.

He was a member of Shiloh Post at Newberg. He leaves only one son residing at Newberg.

Funeral services were conducted at the Soldiers' Home at Roseburg on Sunday and interment took place in the soldiers' home cemetery following the simple and impressive ceremonies usual there.

MAD FRIVOLITY OF OLD FRENCH COURT IS SCREENED

The locale of Norma Talmadge's elaborate picturization of "The Eternal Flame," adapted from Honore Balzac's "La Duchesse de Langeais," which will be shown at the Baker Theatre on Wednesday and Thursday, December 6 and 7, is France, following Napoleon's defeat at Waterloo, when the second restoration swept Louis XVIII and his court back into a madder frivolity than it had ever known. At that time the Duke de Langeais permitted himself the indulgence of wagering on the stainless faith of his wife, the Duchess, portrayed by Miss Talmadge. Count

Marsay, who boasted his ability to win his way to her heart before the time of her husband's departure on a military mission, was so filled with shame before her nobility of character that he acknowledged his wrong humbly to the Duke, which aroused his suspicions and led him to believe the pair were throwing dust in his eyes. In an ensuing quarrel with the Duchess she learned of the wager, which resulted in a tacit end to their marriage of convenience.

The innocent young wife, humiliated and in despair, suffered a consequent change of heart and another season found her the reigning court beauty and coquette, with General Armand de Montreuil at her feet.

The romance that follows and the subsequent death of the Duke de Langeais combine to make one of the most gripping as well as colorful photodramas ever produced.

One of the best numbers on the program was one given by Ray Amy and Dewey See, who sang coon songs in make up. They were forced to respond again and again to encores. The last number on the program was the latest song hits by Hawaiians in costume. This was given by Dr. VanValin, S. P. Timberlake, Herbert VanValin, Florence Heater and Helen Robertson and was very good.

The hundred dollars which the association hoped to raise was exceeded and so everyone is well pleased over the outcome.

BENEFIT ENTERTAINMENT WAS SPLENDID

Large Crowd Well Pleased with Programme Offered at Entertainment Friday Evening

One of the largest crowds that ever attended a benefit entertainment in Newberg turned out for the program given for the benefit of the county health association work at the Legion building last Friday evening. It was an appreciative audience as was demonstrated by the applause which greeted the various numbers. The program throughout was splendid and offered a very pleasing variety as well.

The first number was, by the Klenke orchestra and they were well received as they always are. Mrs. Richard Williams then sang a double number in her usual pleasing manner. The song, "My Own United States," by some thirty school children was very fine.

Jessie See took down the house with a group of readings. She gave "The Flowers' Ball" with a piano accompaniment by Miss Harriet Baldwin. She then gave "The Wood Ticks" and was forced to respond with an encore and gave "Emmy." Jessie, who is taking instruction in this line of work under Mrs. Chas. A. Morris, is developing into a very popular entertainer.

The next number was the impersonation of various movie actors by a number of school boys. This was a fine number and the imitations were excellent.

Mrs. E. D. M. Fowle of Portland gave the next number which was a vocal solo, and was forced to respond with an encore. In addition to being a fine singer, Mrs. Fowle completely won her audience with her pleasing personality.

The song, "Why Mr. Gobbler Changed His Tune," by another group of school children was also very good.

Mrs. Chas. A. Morris gave a group of readings. Her first number was "Why? At Sleepy Time." She followed this with "A Bewitching Sin" and responded to a hearty encore with "I'm Goin' to Bust a Winner" which took down the house.

A group of Campfire girls in a very pretty setting sang "Mamy Moon" and "Boogaman."

The stage show which was put on by a group of girls under the direction of Miss Jessie Britt was both novel and entertaining. While it was largely in the nature of a take-off, it was very heartily received.

One of the best numbers on the program was one given by Ray Amy and Dewey See, who sang coon songs in make up. They were forced to respond again to encores.

The last number on the program was the latest song hits by Hawaiians in costume. This was given by Dr. VanValin, S. P. Timberlake, Herbert VanValin, Florence Heater and Helen Robertson and was very good.

The hundred dollars which the association hoped to raise was exceeded and so everyone is well pleased over the outcome.

DENTISTS OBJECT TO ARTICLE IN GRAPHIC

Says Code of Ethics as Taken From Capital Journal Is Misleading
—Real Code Is Given

Because an article published in the Graphic last week is deemed unfair by some and misleading, the Graphic publishes this explanation and further comment. The article referred to was that pertaining to the dismissal of the two Dr. Utters from the Marion-Polk-Yamhill Dental Association. Some of the dentists have informed us that this dismissal was not made on quite the grounds as published in our last issue. They say that the accusation was not simply that of advertising but pertained to the character of the advertising, which they state is misleading. At their request, in view of the former article dealing with the Code of Ethics as taken from the Salem Capital Journal, we publish the Code of Ethics of the American Dental Association as follows:

Code of Ethics

Section 1. In his dealings with patients and with the profession, the conduct of the dentist should be in accordance with the Golden Rule, both in its letter and in its spirit.

Section 2. It is unprofessional for a dentist to advertise by handbills, posters, circulars, cards, signs or in newspapers or other publications, calling attention to special methods of practice or claiming excellence over other practitioners or to use display advertisements of any kind. It is also unprofessional to publish reports of cases on certificates in the public prints. This does not exclude practitioner from using professional cards of suitable size with name, titles, address and telephone number, printed in modest type, nor having the same character of card in a newspaper. Neither does it prevent a practitioner who confines himself to a specialty from announcing his specialty on his professional card.

Section 3. It
