Miles and son, Orval, of Oretown spent last Friday with Mr. and Mra. H. V. Follett. Mrs. N. P. Nelson is still teaching

in Ewing Young primary room for

Miss Yergen whose many friends are hoping for a speedy recovery. A splendid dinner was enjoyed by friends and relatives at the home of Mrs. Helen Follett and Miss Mary Follett. Four generations were represented: Mrs. Helen Follett, Miss Mary Follett, the daughter, Clair, Frank and Harold Follett, grandsons and their families; Mrs. D. C. Miles,

Rev. Paul Lewis of Newberg, who has been preaching in Chehalem organized a sewing club with Lucy Center, with his wife and baby girl were West Cehalem church visitors Everett Morgan and Bennie Shires from Chehalem Center visited at the home of J. R. Hornbeck Sunday afternoon last Sunday. Upon invitation Mr. day school at ten every Sunday.

# DUNDEE

Mrs. Tourville and her two daughers spent the week end in Portland. Miss Meade Warner and Mrs. Joseph Hollingsworth and Mrs. H. F. Cutting were Portland visitors last

Miss Grace Smith and George Washburn of Portland visited relatives at the Smith home on Sunday. Mrs. Snyder, formerly Miss Belle Kelley a teacher in our primary room and her little son spent Thanksgiving with Mr. and Mrs. E. U. Marr.

Mr. and Mrs. E. S. Greer visited in Portland from Friday to Sunday. While there they had the pleasure of hearing the lecture at Lincoln high school by Will Irwin.

Newton W. Bailey spent last week in northwestern Washington and brought the cold wave they were experiencing home with him. He is earnestly requested to return it at once as no one in the Willame:te valley appreciates such weather.

An interesting joint meeting of the Dundee Women's club board of directors and the executive board of George Wenger has quite a sore the Commercial club was held at time for many months.

hand caused from running a briar the residence of Mrs. Henry Holtzmeyer on Tuesday. Plans for making Community Hall still more of a community center were discussed.

An interesting meeting of the Commercial club was held at the club rooms on Tuesday evening. Arrangements for entertaining the clubs of the county at the meeting in Dundee on Tuesday the 19th were completed. Several new members joined the club and are ready to boost for Dundee and vicinity.

A very full attendance at the meeting of the Dundee Women's club on Thursday was especially gratifying as plans for the annual rummage sale and supper used the time usually devoted to a program. The event is set for this Saturday, the 16th and a general strike of Dunder housewives is announced for that evening as a hot supper will be served at the hall on that evening from five until seven-thirty or eight. The rummage sale will be opened at 8, no articles reserved, and a regular bargain counter rush is expected. Miss Beck and a corps of able assistants will have charge of this part of the evening's fun and Mrs. Marr

and her assistants promise such a side show as was never seen in Dundee and probably will never be seen again. Mrs. Bland Herring and her attraction will satisfy the younger children and of course the Sweetie booth will be up to the usual stan-dard. This is the first big event of the year in Dundee and is causing much pleasurable anticipation.

#### REX

Mrs. Frank Johnson is on the sick list this week.

Mrs. Perry Macy was a Portland

visitor on Saturday.

Will Schaad was a caller at the Rex school on Tuesday.

The Ladies' Aid met at the home of Mrs. Frank Johnson last Thursday. Miss Alice Hodson visited at the ome of Perry Macy and family Fri-

## HEALTH TALK-NO. 5 **HOW ABOUT YOUR CHILD?**

One of the leading monthly magazines of the country is responsible for the statement that among children, one out of every three is below normal regarding Health. This means that out of a total of Thirty Million, Ten Million are sub-normal. How about your child? Lose no time. Act now. Go at once to your Chiropractor, get him to make a Spinal Analysis, and if there is any defect have it adjusted at once. You owe this duty to your offspring. Chiropractic will make your child normal and will, if persisted in, keep the child normal.
