

I Coughed

"I had a most stubborn cough for many years. It deprived me of sleep and I grew very thin. I then tried Ayer's Cherry Pectoral, and was quickly cured."
R. N. Mann, Fall Mills, Tenn.

Sixty years of cures and such testimony as the above have taught us what Ayer's Cherry Pectoral will do.

We know it's the greatest cough remedy ever made. And you will say so, too, after you try it. There's cure in every drop.

Three sizes: 25c., 50c., \$1. All druggists.
Consult your doctor. If he says take it, then do as he says. If he tells you not to take it, then don't take it. He knows. Leave it with him. We are willing.

CONSTIPATION

"I have gone 14 days at a time without a movement of the bowels, not being able to move them except by using hot water injections. Chronic constipation for seven years placed me in this terrible condition; during that time I did everything I heard of but never found any relief, such was my case until I began using CASCARETS. I now have from one to three passages a day, and if I was rich I would give \$100.00 for each movement; it is such a relief."

OLD FAVORITES

A Sea Song.
A wet sheet and a flowing roe,
And a wind that follows fast,
And fills the white and rustling sail,
And bends the gallant mast, my boys,
While, like the eagle free,
Away the good ship flies, and leaves
Old England on the lee.

O, for a soft and gentle wind!
I heard a fair one cry;
But give to me the soothing breeze
And white waves heaving high;
And white waves heaving high, my boys,
The good ship tight and free—
The world of waters is our home,
And merry men are we.

There's tempest in yon horned moon,
And lightning in yon cloud;
And bark the music, mariners!
The wind is piping loud;
The wind is piping loud, my boys,
The lightning flashing free—
While the hollow oak our palace is,
Our heritage the sea.
—Allan Cunningham.

Tramp! Tramp! Tramp!
In the prison cell I sit
Thinking, mother dear, of you,
And the bright and happy home so far away,
And the tears they fill my eyes
Spite of all that I can do,
Tho' I try to cheer my comrades and be gay.

Tramp, tramp, tramp, the boys are marching,
Cheer up, comrades, they will come,
And beneath the starry flag
We shall breathe the air again
Of the free land in our own beloved home.

In the battle front we stood
When their fierce charge was made,
And they swept us off, a hundred men or more,
But before we reach'd their lines,
They were beaten back dismayed,
And we heard the cry of vict'ry 'er and o'er.

So within the prison cell
We are waiting for the day
That shall come to open wide the iron door,
And the hollow eye grows bright,
And the poor heart almost gay,
As we think of seeing home and friends
once more.
—George F. Root.

MORQUE OF DEAD BOTTLES.

Druggist Criticizes People Who Leave Medicines Uncalled For.

The woman left the prescription and said she would call for the medicine in half an hour.
"I'll bet \$5 she won't," said the clerk.
"She just looks like the kind that gets medicine put up for the fun of the thing."

"I didn't know there was anybody foolish enough to take their fun that way," remarked the next customer.
"Oh, yes, there are such people—lots of them," said the clerk. "Seldom a week passes that we do not put up a prescription that is never called for. Why in the world the people who thus neglect their remedies after ordering them compounded will go to the trouble and expense of consulting a doctor is more than I can figure out. If they don't want to take the stuff prescribed they certainly don't have to, but they might at least have the grace to come and take it home after we have gone to the trouble to prepare it, and not throw it back a dead loss on our hands. Why, I've got a regular morque back there for the repose of uncalled-for bottles of medicine. I keep the stuff indefinitely, hoping that in case the customer has not been carried off by sudden death she will show up again some time and ask for the bottle. If I happen to know the delinquent's address I send it around C. O. D., but people who make a practice of ordering medicine that they never intend to take are not apt to leave their cards with the druggist."

"Most of these nuisances in the drug business are women, and many of their prescriptions have been written by out-of-town doctors several months, or, in some cases years ago. In such cases the customer probably has no intention of coming back for the medicine, but merely wishes it compounded through some freakish fancy. In order to guard against loss through such crazy whims we ought by rights to demand a deposit on all prescriptions to be called for later on, but such an innovation would undoubtedly bring out a mighty howl, and we have never had the courage to suggest it."—New York Press.

Medical Bubbles.

Doctors have invented a new form of bubbles. Neuralgia, sciatica and umbago are known to be affections of the ends of the nerves which lie just under the skin of the painful region. It has been discovered that by injecting air under the skin the ends of the nerves are lengthened and the pain relieved. The bubble of air is pressed by the fingers and caused to move about until all parts are relieved. In dislocations, fractures and bruises the same treatment has given relief.—London Globe.

DISGUISED CATARRH

A Stealthy, Insidious, Weakening Enemy to Women—Many Thousands and Women Suffer Needlessly From This Cause.

There are a multitude of women, especially housewives, and all other women obliged to be on their feet constantly, who are wretched beyond description, simply because their strength and vitality is sapped away by catarrhal discharges from the pelvic organs. These women get up in the morning tired, drag themselves through their daily duties tired, only to go to bed at night as tired as before.

Mrs. Eva Bartho, 133 East 12th Street, N. Y. City, N. Y., writes: "I suffered for three years with what is generally known as leucorrhoea, in connection with ulceration of the womb. The doctors advocated an operation which I dreaded very much, and strongly objected to go under it. Reading of the value of Peruna, I thought it best to give this well known remedy a trial, so I bought three bottles of it at once. Now I am a changed woman. Peruna cured me. It took nine bottles, but I felt so much improved I kept taking it, as I dreaded an operation so much. I am today in perfect health, and have not felt so well for fifteen years."
Mrs. Eva Bartho.

MISS LOUISE MAHON.

Miss Louise Mahon, 3 Glen Hall Street, Toronto, Ont., Canada, Secretary of the Kings Daughters and Secretary of Lady Macabess, writes: "If all women knew of the benefits to be derived from taking Peruna we would have many happier and more healthy women. My health has never been so robust, and I am easily fatigued and can not stand much. About a year ago I was run down that I had to take to my bed, and became weaker and weaker. A friend advised me to try Peruna, and I have great reason to be grateful for in two weeks I was out of bed and in a month I was perfectly well, and now find that my health is much more robust than formerly, so that I take Peruna once or twice a month and keep well."
Louise Mahon.

Peruna is such a perfect specific for each case that when patients have once used it they can never be induced to quit it until they are permanently cured. It begins to relieve the disagreeable symptoms at once. The backache ceases, the trembling knees are strengthened, the appetite restored, the digestion made perfect, the dull headache is stopped and the weakening drains are gradually cured. These results certainly follow a course of treatment with Peruna. Barbara Alberty, corner Seventh and Walnut streets, Appleton, Wis., writes as follows in regard to Peruna: "For years I have suffered with backache and severe pains in the side. I dreaded so much that I became discouraged. A school friend told me how very much Peruna had benefited her and I sent out for a bottle, which did more to relieve me than all the other medicine I have ever taken."

Marriage of Domestic Servants.

In Paris male domestic servants are encouraged to marry, as they are observed to be more settled and attentive to their duty than when bachelors. In London such marriages are discouraged, as rendering servants more attentive to their families than to those of their masters.

MRS. EVA BARTHO.

MRS. ANNA MARTIN.

I used it faithfully for two weeks and it completely cured me. I have not had any pain since, any more, but feel like a new woman. I am truly thankful for what Peruna has done for me.—Barbara Alberty.

Mrs. Kate Mann, 806 Bathurst Street, Toronto, Ont., Can., Vice President of the Ladies Aid Society, writes: "I am pleased to give praise to Peruna for the blessed relief I found through its use. I suffered for years with backache and dragging down pains and often had to go to bed and stay there when I was so busy that I could not be spared. It was therefore a stroke of good fortune to me when Peruna was brought to my notice. Every drop seemed to give me new life, and every dose made me feel much better, and I promised myself that if I found that it cured me I would advocate it so that other suffering women should know of it. I have been in perfect health for one year, I now work and pleasure as in such fine health, and no trouble seems too heavy to bear when you are in good health. Peruna has truly been a household blessing, and I never will be without it again."—Mrs. Kate Mann.

MRS. KATE MANN.

Mrs. Anna Martin, 47 Hoyt St., Brooklyn, N. Y., writes: "Peruna did so much for me that I feel it my duty to recommend it to others who may be similarly afflicted. About a year ago my health was completely broken down, had backache, dizziness and irregularities, and life seemed dark indeed. We had used for Peruna in our home as a tonic, and for colds and coughs, and I decided to try it for my trouble. In less than three months I became regular, my pains had entirely disappeared, and I am now perfectly well."—Mrs. Anna Martin.

Mrs. Wm. Hendrick Kennard, Washington county, Neb., writes: "I am fifty-six years old and have not felt well since the Change of Life began ten years ago. I was in misery somewhere most of the time, my back was very weak, and my flesh so tender it hurt me to lean against the back of a chair. I had pain under my shoulder blades, in the small of my back and hips. I sometimes wished myself out of this world. Had hot and cold spells, dizziness and trembling of the limbs, and was losing flesh all the time. After following your directions and taking Peruna I now feel like a different person."
—Mrs. Wm. Hendrick.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis. Peruna can be purchased for \$1 per bottle at all first class drug stores. Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.
