

Blinks—They say that there are tens of thousands of faith curists in this country.

Winks—Yes, and there'll be tens of thousands more, if the doctors don't come down in their prices.

How's This?

We offer One Hundred Dollars Reward for any case of Catarrh that cannot be cured by Hall's Catarrh Cure.

Canada's Monopoly of Asbestos.

While asbestos is found pretty much all over the world Canada comes near having a monopoly in its actual production. Twenty-five years ago only 300 tons, valued at \$200,000, was mined in Canada. Now the annual export of asbestos is about 40,000 tons, valued at \$1,000,000, and the industry is still growing. About 85 per cent of the world's product is mined in the vicinity of Richmond, Canada.

To Break in New Shoes.

PISO'S CURE FOR CONSUMPTION

CURE WHERE ALL ELSE FAILS. Best Cough Syrup. Use in time. Sold by Druggists.

English Rolled Pudding.

Boiled pastry should be prepared with chopped and sifted suet instead of lard or butter, but otherwise in the same manner as pie pastry. Roll jam or preserved fruit out into a thin sheet; spread over a thick layer of fruit, and then, commencing at one side, roll carefully until all the fruit is inclosed within the paste; pinch together at the ends, and tie up in a strong cotton cloth, then drop into a pot of boiling water. The cherry is the best for this purpose, or some other fruit possessing acidity. To be served with sweet sauce.

Peanut Candy.

After shelling your peanuts, take the same quantity of granulated sugar that you have of the nuts. Put the sugar into a hot spider over the fire, stirring it briskly all the time, and when it is thoroughly dissolved, take from the fire and immediately stir in the nuts, which have been chopped fine. Pour on a buttered platter and spread out thin. Any kind of nuts may be used in the same way, always measuring before the meats are chopped.

Glaze Nuts.

Make a sirup of a pound of granulated sugar and a gill of water. Boil without stirring until a drop put into cold water becomes immediately brittle. Take the saucepan from the fire and set it in an outer pan of boiling water. Add to the sirup the juice of a quarter of a small lemon. Run a thin skewer or a fine wire through each blanched and dried nut and dip it up and down in this sirup. Spread on waxed paper to dry.

Apple Snow.

Stew a dozen large juicy apples in just enough water to keep them from burning; pass the pulp through a sieve; stir in half a cupful of granulated sugar, and a teaspoonful of extract of lemon. Beat the whites of six eggs to a stiff froth, and then add the apples and beat, adding a little at a time, two cups of powdered sugar; heap the "apple snow" on a large glass dish; add to it bits of high-colored currant or raspberry jelly.

Banana Short-Cake.

Banana shortcake is a very good substitute for strawberry shortcake and is made in exactly the same manner. The cake is baked, cut open and spread with butter. The bananas, sliced and sugared, are put between the layers and over the top if preferred. Like strawberry shortcake, this is much improved if whipped cream is poured over it, but, like strawberry shortcake again, it is delicious without the cream.

Chocolate Layer Cake.

Cream a half-cup of butter with a cup of sugar, add a cup of milk, four beaten eggs and three ounces of grated chocolate dissolved in a gill of cold milk. Beat hard, then add a pint of prepared flour and bake in layer tins. Cover for the first ten minutes with brown paper.

Baked Ice Cream.

Over a firm brick of ice cream spread a stiff meringue in a coating over half an inch thick. Set in a pan and place immediately in an intensely hot oven. It should be so hot that the meringue will brown in a minute. Turn upon a chilled platter and serve at once.

Muffins.

One quart of buttermilk, one teaspoonful of soda, a pinch of salt, flour to make stiff batter, and three tablespoonfuls of sour cream. Bake in gem pans in a hot oven.

Short Suggestions.

Milk will keep sweet longer in a shallow bowl than in a deep jug.

Keep parsley shut up in an air-tight tin and store it in a cool place. It will last much better thus than if put into water.

To clean the silver spoons, etc., in daily use, rub them with a damp cloth dipped in carbonate of soda and polish them with a wash leather.

Cayenne pepper sprinkled on shelves and blown into the cracks of walls in rooms where ants are troublesome will soon effect a clearance of the intruders.

To keep bread and butter fresh and moist put it in a cool place, cover closely with a serviette or clean cloth wrung out of cold water, and many hours after it will be as moist as when cut. Sometimes it will be found convenient to prepare bread and butter for afternoon tea in this way.

The shell of an Edam cheese, if scraped clean, offers a unique dish from which to serve macaroni, which, if washed and dried after each service, can be used more than once. After the macaroni is ready for serving, pour it into the heated shell and sprinkle grated cheese over the top.

NO APPETITE - EMACIATED - NERVOUS.

Many Women During the Spring Months Suffer From Extreme Lassitude, Loss of Appetite and Nervousness---What They Need Is

PE-RU-NA, THE GREAT TONIC.

Miss Bertha M. Rush, 5435 Kincaide street, Pittsburg, Pa., Superintendent Junior Society of Methodist Protestant Church and leading soprano of the choir, writes: "Words cannot describe my thankfulness to you for Peruna. I was a sufferer from systemic catarrh for years and was in a very much run down condition. I was extremely nervous and had the most foolish fears over nothing. I was thin and emaciated.

"My physician advised me to leave this climate but as it was not convenient to do so at this time, I took the advice of a friend to use a bottle of Peruna. I took it faithfully and when the first bottle was gone I felt so much better that I bought six more and took them faithfully, after which I looked like a new woman.

"I gained in flesh, my appetite returned and all my old symptoms had disappeared. I am more than thankful to Peruna."—Miss Bertha M. Rush.

I AM TIRED.

Everybody Is Tired—Spring Weather Does It—Every One Should Be Cautious.

Depression of the nervous system at the approach of spring is the cause. General lassitude, dull, heavy sensations, continual tired feeling, with irregular appetite, and sometimes loss of sleep. Peruna meets every indication and proves itself to be perfectly adapted to all their varied peculiarities. Peruna invigorates the system, rejuvenates the feelings, restores the normal appetite and produces regular sleep.

That tired feeling which is the natural result of the depressing effect of warm weather immediately after the invigorating cold of winter, quietly disappears when Peruna is taken. Thousands are daily testifying to its priceless benefit.

Mrs. H. Kassatt, 1309 W. 13th street, Des Moines, Ia., writes: "I am happy to give my endorsement for your valuable medicine, Peruna, as I consider it a valuable medicine to take when the system is run down from overwork. About two years ago I felt that I must take a long rest as I had been unable to work for over a month and could not regain my strength. I could not sleep at night and was in a very nervous, high strung, condition. I decided to try what Peruna would do to build up my strength, and am pleased to say that I began to improve very shortly, and in less than two months I was able to take up my work, and felt better than I have for years. I take it now twice a year and find that it keeps me in perfect health." Mrs. Kassatt was for over ten years the manager of a plant furnishing ladies' wear and employing hundreds of women.

MISS BERTHA M. RUSH—PITTSBURG. Miss Rush Suffered With Systemic Catarrh—Was Nervous, Had No Appetite, Grew Thin and Emaciated. She Now Looks Like a New Woman After a Course of Pe-ru-na.

Tired, Nervous Women.

There are thousands of them everywhere. A few bottles of Peruna would do them untold benefit. As a tonic and nerve invigorator it has no equal. It builds up the nerves, it gives strength to the circulation and at once restores the appetite and digestion. No feeble woman should be without Peruna.

If you do not receive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

Those that dare lose a day are dangerously prodigal; those that dare mispend it are desperate.—Bishop Hall.
