

## All Humors

Are impure matters which the skin, liver, kidneys and other organs can not take care of without help, there is such an accumulation of them.

They litter the whole system.

Pimples, boils, eczema and other eruptions, loss of appetite, that tired feeling, bilious turns, fits of indigestion, dull headaches and many other troubles are due to them.

### Hood's Sarsaparilla and Pills

Remove all humors, overcome all their effects, strengthen, tone and invigorate the whole system.

"I had salt rheum on my hands so that I could not work. I took Hood's Sarsaparilla and it drove out the humor. I continued its use till the sores disappeared." Mrs. Isa O. Brown, Rumford Falls, Me.

Hood's Sarsaparilla promises to cure and keeps the promise.

#### Queer Place for a Magazine.

An American traveler who explored the northern part of Siberia states that he found in the hut of a Korak peasant a picture of Mayor Dix cut out of a copy of Harper's Magazine. The Mayor's picture was enthroned on a wooden shrine, and adored by the Korak and his family as their household deity.

This is probably the most extreme case on record of veneration for a magazine page. But fifty years ago in this country it was not uncommon to find a single copy of a magazine being read by fifteen or twenty families every month, and regarded by all as an infallible authority.

It is said that when the Shah of Persia visited England several years ago it was one of his chief delights to buy a dozen magazines and "read the pictures." As there are only about 3,000 people in Persia who can read and write, his amazement at the number of magazines is not surprising.—Woman's Home Companion.

#### Sure Cure at Last.

Monticello, Miss., Oct. 3 (Special).—Lawrence county is in almost daily receipt of fresh evidence that a sure cure for all Kidney Troubles has at last been found, and that cure is Dodd's Kidney Pills.

Among those who have reason to bless the Great American Kidney Remedy is Mrs. L. E. Baggett of this place. Mrs. Baggett had Dropsy. Dodd's Kidney Pills cured her.

"I was troubled with my kidneys," Mrs. Baggett says in recommending Dodd's Kidney Pills to her friends, "my urine would hardly pass. The doctors said I had Dropsy. I have taken Dodd's Kidney Pills as directed and am now a well woman."

Dodd's Kidney Pills cure the kidneys. Cured Kidneys strain all the impurities out of the blood. This means pure blood and a sound energetic body. Dodd's Kidney Pills are the greatest tonic the world has ever known.

#### Hereditary.

Binks—Speaking of heredity, do you remember Forrester, who bought some wild land and turned it into a farm?

Winks—Yes; he was the inventor of a very effective stump puller.

Binks—Just so. Well, his son is a very successful dentist.

## TORMENTING RHEUMATISM

Columbus, Ohio, May 20, 1903.

Six years ago I had a severe attack of Inflammatory Rheumatism. I was laid up in bed for six months, and the doctors I had did me no good. They changed medicines every week and nothing they prescribed seemed to help me. Finally I began the use of S. S. S. My knee and elbow joints were swollen terribly, and at one time my joints were so swollen and painful that I could not close them when opened. I was so bad that I could not move knee or foot. I was getting discouraged, you may be sure, when I began S. S. S., but as I saw it was helping me I continued it, and to-day I am a sound well man and have never had a return of the disease. S. S. S. purified my blood and cured me of this severe case of Rheumatism after everything else had failed. I have recommended it to others with good results.

R. H. CHAPMAN.

1355 Mt. Vernon Ave.

The poisonous acids that produce the inflammation and pain are absorbed into the blood and Rheumatism can never be conquered till these are neutralized and filtered out of the blood and system. S. S. S. goes directly into the circulation and attacks the disease itself. It purifies and restores the blood to a healthy, vigorous condition. It contains no potash, alkali or other strong minerals, but is guaranteed entirely vegetable. Write us and our physicians will advise without any charge whatever. Our book on Rheumatism sent free.

## Wild Grape Jelly.

Strip the fruit from the stem, wash and put in a pan or jar set in a larger vessel of hot water. Cook until the grapes are broken; then strain. Measure the juice, and for every pint allow a pound of sugar in shallow pans in the oven, where it will heat but not turn yellow. Cook the juice twenty minutes, skimming all impurities from it; add the sugar; stir until dissolved, remove the spoon, cook a moment or two longer until the liquid jellies when dropped on a cold plate; pour into jelly glasses and cover with cold.

#### Corn Soup.

Three cupsful of finely grated corn, one quart of water, one quart of rich milk, the yolks of two eggs, one teaspoonful each of salt and sugar, one-half teaspoonful of pepper, one tablespoonful each of butter and flour. Boil the corn in the water one-half hour. Strain and pour over the corn, cook twelve minutes, add the milk, the seasoning and the flour and butter well rubbed together, cook for three minutes longer, watching well that it does not burn. Now remove the saucpan from the stove and add the egg yolk, well beaten.

#### Loaf Devil's Food.

Half a cup of grated chocolate, a gill of milk, a half cup of brown sugar. Boil these together until as thick as cream and let them cool. Mix well together a cup of brown sugar, a half cup of butter, two beaten eggs, two-thirds of a cup of milk and vanilla flavoring. Into this beat the boiled mixture and add two cups of flour that have been well sifted with a heaping teaspoonful of baking powder. Bake in a loaf tin. Cover with a chocolate icing.

#### Chocolate Pudding.

This makes another delightful variation. Mix half a cupful of sugar with six ounces of grated chocolate. Pour over this one cupful of boiling water and stir over the boiling teakettle until thick and smooth. Then let it get cold. Flavor with vanilla. Stir this into three cupfuls of cold boiled custard, and chill on ice. Serve with rich stewed strawberries or with whipped cream.

#### Sweet Potatoes.

After sweet potatoes have been parboiled and sliced lengthwise they should be sprinkled lightly with white pepper, given a dash of salt and placed in the oven for a few moments. Then they are to have a dressing of egg and bread crumbs poured over them and put below the flame of a gas range, where they can broil. Minced parsley is to be strewn over them just before they are sent to the table.

#### Beach Butter.

Into three quarts of cider slice enough peeled peaches to thicken it and boil steadily until the fruit is reduced to a pulp. While cooking stir frequently. Take from the fire, set aside until cold, return to the fire and stew for an hour longer or until brown and thick. Pack down in a stone crock.

#### Baked Bananas.

Add one-half cupful of maple syrup to one cupful of boiling water, also a tablespoonful of cornstarch blended with a little milk. Add the juice of a lemon and boil thick. Butter a baking dish and slice five bananas in it; pour over the sauce, cover the top with buttered bread crumbs and bake until brown. Serve immediately.

#### Potatoes Baked in Cream.

Boil the potatoes, and when cold cut them in very small pieces. Put them in a sauce pan over the fire, moisten well with cream, add pepper and salt to taste, and when hot turn into a baking dish. Have the dish full, level it off, sprinkle bits of butter and some grated cheese over the top and brown in a hot oven.

#### Corn Omelet.

Beat four eggs well, add four tablespoonfuls of cream and cook in a buttered frying pan until set. Before folding sprinkle with salt and pepper and spread with grated corn from four boiled ears. The corn should be slightly heated before spreading on the omelet. Fold and serve at once.

#### Popcorn Pudding.

Pop some corn nicely, then roll it as fine as you can. One pint of the corn to one quart of sweet milk; add a small piece of butter, one teaspoonful of salt, beat two eggs with enough sugar to sweeten the milk; mix all together. Bake twenty minutes.

#### Whipped Cream Frosting.

Whip a plate of cream very stiff, add to it enough powdered sugar to sweeten to taste. When stiff enough to stand alone spread quickly and lightly on the cake and serve at once.

#### Titles of Doubtful Origin.

Continental titles save of the highest sort have been viewed with suspicion in this country, but those of England have been accepted with almost as implicit faith as Bank of England notes inspire. Yet the herald's college lately made the remarkable assertion that many persons are using bogus titles in England and that others are using titles to which they have not established their claim and probably could not bring any satisfactory proofs. And the editor of Dod's Peerage admits that there are between fifty-six and sixty baronets whose claims would not bear too close scrutiny.

For example, an ambitious and retired business man named Smith may find in some secluded part of the country some lands formerly owned by some extinct family of Smiths who had possessed a title. He buys the property, quietly claims descent and coolly assumes the title. In London such a course would probably be exposed, but in the country people are less suspicious. Nor is such imposture, it seems, contrary to English law. It appears also that many of the titles which enjoy long standing were assumed in some such way, perhaps centuries ago, and owe whatever validity they have to long use. A general scrutiny of English titles might be a very painful thing.—Springfield (Mass.) Republican.

#### New York's Classic Cities.

New York State is full of cities and towns of classic nomenclature. There must have been a wave of Graeco-Roman lore when the christening of municipalities took place, with a by-product of Asianism as a seasoning. There are such names as Rome, Troy, Athens, Cairo, Syracuse, Ithaca, Sparta, Italy, Greece, Egypt, Tyre, Memphis, Venice, Florence, Corinth, Parma, Milan, Naples, Hector, Ovid, Delhi, Delphi, Diana, Paris, Pompey, Ilion, Palmyra, Palermo, Marathon, Mycenae, Napoli, Nineveh, Babylon, Honolulu, Sileam, Smyrna, Utica, Virgil, Homer, Cicero, Ceres, etc.

#### Condon's Head Music.
