

Catarrh

Invites Consumption

It weakens the delicate lung tissues, deranges the digestive organs, and breaks down the general health.

It often causes headache and dizziness, impairs the taste, smell and hearing, and affects the voice.

Being a constitutional disease it requires a constitutional remedy.

Hood's Sarsaparilla

Radically and permanently cures catarrh of the nose, throat, stomach, bowels, and more delicate organs.

Hood's Sarsaparilla promises to cure and keeps the promise.

"I wonder if the angels ever smoke?" queried Bateman, as he filled his trusty meerschaum and applied a match.

"No, I think not," replied Mrs. Bateman, "but according to tradition the other fellows do."

Best in the World.

Cream, Ark., Nov. 7 (Special).—After eighteen months suffering from Epilepsy, Backache and Kidney Complaint, Mr. W. H. Smith of this place is a well man again and those who have watched his return to health unhesitatingly give all the credit to Dodd's Kidney Pills. In an interview regarding his cure, Mr. Smith says:

"I had been low for eighteen months with my back and kidneys and also Epilepsy. I had taken everything I knew of and nothing seemed to do me any good till a friend of mine got me to send for Dodd's Kidney Pills. I find that they are the greatest medicine in the world, for now I am able to work and am in fact as stout an strong as before I took sick."

Dodd's Kidney Pills cure the Kidneys. Cured Kidneys cleanse the blood of all impurities. Pure blood means good health.

CHRONIC SORES

Wheeling, W. Va., May 25, 1903.

Some years ago while at work, I fell over a truck and severely injured both of my shins. My blood became poisoned as a result, and the doctor told me I would have running sores for life, and that if they were healed up the result would be fatal. Under this discouraging report I left off their treatment and resorted to the use of S. S. S. Its effects were prompt and gratifying. It took only a short while for the medicine to entirely cure up the sores, and I am not dead as the doctors intimated, nor have the sores ever broke out again. Some 12 years have elapsed since what I have described occurred. Having been so signally benefited by its use I can heartily recommend it as the one great blood purifier.

JOHN W. FUNDIA,

Care Schmulback Brewing Co.

Chronic sores start often from a pimple, scratch, bruise or boil, and while salves, washes and powders are beneficial, the unhealthy matter in the blood must be driven out or the sore will continue to eat and spread. S. S. S. reaches these old sores through the blood, removes all impurities and poisons, builds up the entire system and strengthens the circulation. S. S. S. is a blood purifier and tonic combined. Contains no mineral whatever but is guaranteed purely vegetable. If you have an old sore write us and our physicians will advise without charge. Book on diseases of the Blood free.

FARMING BY INOCULATION.

Full Instructions Sent by Government with Every Package of Germs.

A portion of inoculating material as it is mailed to the farmer by the government consists of three different packages. Package No. 2 contains the cotton with its millions of dried germs. Packages 1 and 3 are the media or food by means of which the farmer can multiply the germs. The department incloses explicit instructions how to use the bacteria, as follows:

DIRECTIONS FOR USING INOCULATING MATERIAL.

(Method patented in order to guarantee the privilege of use by the public. Letters Patent No. 755,519 granted March 22, 1904.)

Put one gallon of clean water (preferably rain water) in a clean tub or bucket and add No. 1 of the inclosed package of salts (containing granulated sugar, potassium phosphate and magnesium sulphate). Stir occasionally until all is dissolved.

Carefully open package No. 2 (containing bacteria) and drop the inclosed cotton into the solution. Cover the tub with a paper to protect from dust, and set aside in a warm place for twenty-four hours. Do not heat the solution or you will kill the bacteria—it should never be warmer than blood heat.

After twenty-four hours add the contents of package No. 3 (containing ammonium phosphate). Within twenty hours more the solution will have a cloudy appearance, and is ready for use. To Inoculate Seed:

Take just enough of the solution to thoroughly moisten the seed. Stir thoroughly so that all the seeds are touched by the solution. Spread out the seeds in a shady place until they are perfectly dry, and plant at the usual time just as you would untreated seed. The dry cultures as sent from the laboratory will keep for several months. Do not prepare the liquid culture more than two or three days previous to the time when the seeds are to be treated, as the solution once made up must usually be used at the end of forty-eight hours.

To Inoculate Soil:

Take enough dry earth so that the solution will merely moisten it. Mix thoroughly, so that all the particles of soil are moistened. Thoroughly mix this earth with four or five times as much, say half a wagonload. Spread this inoculated soil thinly and evenly over the field exactly as if spreading fertilizer. This should be done just

An Opinion of Lawyers.

"Now, Jimmie, when you're on the witness stand be sure and tell the truth," said the father to his son, before the trial.

"But, father—" began the boy, who saw conviction staring them in the face if the truth was told.

"But nothing, my boy," broke in the parent; "you tell the truth, I say! The lawyer will do lying enough for all of us!"—Yonkers Statesman.

"That's where you go lame," rejoined the politician. "During the political campaign a well-filled bar'l talks the loudest. See?"

Catarrh Cannot be Cured

with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must treat internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quick medicine. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. It is composed of the best medicines known, combined with the best blood purifiers, acting directly on the mucous surface. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrh. Send for testimonials free. P. J. HENRY & CO., Props., Toledo, O. Son of a Samurai.

Admiral Togo was third son of Togo Kichizemon, an admiral of the clan of Satsuma, and the father gave him the name of Heihachiro. He was born at Kogoshima on the 14th day of the 10th moon of the year of grace 1857. The gracious period of Meiji (which by interpretation means the era of enlightened reign) began in 1858 A. D. That was also the birth date of the new Nippon. After the sacred tradition of a samurai family, his mother took him to the shrine of a guardian deity and placed him upon the altar as the offering to his country and to the sword, that he might defend the land of the gods. Like many another boy of a samurai family, his military training dates back far beyond his memory.—Century.

W. L. DOUGLAS
\$3.50 SHOES
W. L. Douglas makes and sells more men's \$3.50 shoes than any other manufacturer in the world.
The reason W. L. Douglas \$3.50 shoes are the greatest sellers in the world is because of their excellent fit, easy fitting and superior wearing qualities. If I could show you the difference between the shoes made in my factory and those of other makes and the high-grade leather used, you would understand why W. L. Douglas \$3.50 shoes cost more to make, why they hold their shape, fit better, wear longer, and are of greater intrinsic value than any other \$3.50 shoe on the market to-day, and why the sales for the year ending July 1, 1904, were \$41,041,140.00.
W. L. Douglas guarantees their value by stamping his name and price on the bottom. Look for it—take no substitute—sold by shoe dealers everywhere.
SUPERIOR IN FIT, COMFORT AND WEAR.
I have worn W. L. Douglas \$3.50 shoes for the last twelve years with absolute satisfaction. I find them superior in fit, comfort and wear to shoes costing from \$10 to \$20.—S. B. McVIE, Dept. Col. U. S. Inf., Revenue, Richmond, Va.
