JOB PRINTING

Are you particular about your stationery? Do you like neat, clean, up-to-date business printing on the very best stock made? Don't you think it a good idea to make these things a part of your business?

The supplying of this class of work is a part of our business that receives particular attention. The materials we use and the type faces and workmanship we put into the jobs we turn out give you a product that cannot fail to give satisfaction.

Our equipment is second to none in the interior of Oregon. When you bring us a piece of work you may know first of all that every line in it will be in the latest type styles—we haven't an old type face in the shop.

Done Promptly

There is no delay in getting your work. It is a point with us to get the finished job in the hands of the customer with reasonable dispatch.

Reasonable Prices

Another satisfactory feature in our job business is that we do not in any instance ask a hold-up price. All we ask is a profit compatible with successful business. Your printing will not look as if a blacksmith had done it when done by
