LAND OFFICE APPOINTMENTS

Last Friday President Roosevelt appointed W. C. Bristol of Portland to be U. S. district attorney for Oregon, vice F. J. Heney, resigned. Mr Heney will conduct the remaining land fraud trials as assistant attorney general.

B. L. Eddy of Tillamook was at the same time appointed register, and J. M. Lawrence of Bend receiver, of the Roseburg land office.

All these appointments, made in recess, were sent to the senate Tuesday.

The Portland Oregonian seems surprised that the Prineville papers should not give the news about the assault of the town marshal upon a Williamson-Gesner, Biggs prosecut Tuesday, coming with a load of citizen he did not like. The Orei tion for land frand, and Harrington gonian is painfully green. It should know that the Prineville, papers do not exist for any such purpose. But let a decent citizen plaint of Bony Lytle, Crain's uncle, invoke the law for protection against any variety of scoundrelthen see the Prineville papers shine! Any resistence or criticism of vice the Prineville papers resent as a personal insult.
