The Ladies' Aid society of the M. E. church will hold a meeting next Wednesday afternoon at Mrs. S. C. Caldwell's.

A. Pattie and S. B. Pattie of Phillipsburg, Montana, were in Bend the first of the week looking over the country.

The Goodwillie place has been leased by John Ryan and he and Mrs. Ryan will make their residence there hereafter.

Barney Lewis took a quantity of barbed wire to his homestead two miles west of Bend Monday and will fence a 40-acre tract.

Don't forget to register and register right away so that you do not forget. Election day you may not be able to register your oath.

Work was commenced yesterday morning on a bridge across Pilot Butte canal where it crosses the new road being opened east of town.

Robert Bowser will leave today for Cline Falls, where he has a desert claim. He will remain for an indefinite time working on the claim.

In connection with his fine line of candies, tobaccos, dates and stationery, A. H. Grant also has a stock of vegetables, potatoes, carrots, rutabagas, onions, etc. 49tf

J. O. Fry and family went to their desert claim five miles south of town last Monday and will spend a week or 10 days there. Mr. Fry is doing quite a little clearing on the claim this spring.

Yesterday G. W. Triplett sowed a quantity of white clover seed on the lot surrounding the Baptist church. This will make a nice lawn during the summer and will be quite an improvement.

A few of Miss Violet Reed's intimate friends treated her to a surprise last Wednesday evening when they gathered at her home to help her celebrate her birthday. Games and music helped to pass away the evening very pleasantly.

J. L. McCulloch of Prineville was a Bend visitor Sunday.

Miss Violet Reed left for Prineville this morning for a day's visit.

W. J. McGillivray was in Bend from his ranch seven miles south of town Tuesday.

Mr. and Mrs. John Ryan spent the first of the week in Prineville attending to business matters.

Christian Endeavor topic for next Sunday evening, "The Tongue and the Heart." Reference, Matt. 5:48. Leader, Dr. W. S. Nichol.

Sid Nichol has rented the Mutzig building formerly occupied by the Bend Furniture Co. and has moved his stock of cigars, candies, etc. into it.

The warm, spring-like days of the present week are starting the lawns around town and many of them are taking on a fine green appearance.

A. G. Ely is setting the posts and doing other work necessary to fence his homestead three miles southwest of Bend. He will fence the entire 160-acre tract.

A. H. Grant has purchased the news-stand stock of Dr. Nichol and now has it in his place of business. All the latest and best periodicals for sale. 51tf

Mrs. Elsie Riley and daughter, Mary, were in Bend from their ranch this morning. Mrs. Riley has been quite ill with the la grippe but is now feeling some better.

On and after March 1, the Steele Restaurant will again be opened, when meals will be furnished to the public. Regular meals, 25c. Furnished rooms in connection. 49tf

Professor E. Nelson, who had charge of the experiment farm near Bend last season, will soon leave for Wyoming to take charge of an experiment station just being started by the United States government.

Montell Coe left Bend yesterday morning for San Francisco. He drove to Shaniko where he leaves his team, which will be brought back by H. J. P. McDonald and wife. Mr. and Mrs. McDonald have been visiting her mother at Seattle.

Phillip Francis lost his fine shepherd dog this last week. Francis' partner, Mr. Garrett, had put out some poisoned meat for coyotes and the dog got some of it. Francis counts the dog's death quite a loss and says the dog cared more for him than any man ever did.

W. J. Ward arrived in Bend yesterday morning to continue the work of cruising the timber through this region which he was forced to abandon on account of deep snow some weeks ago. He represents the Brooking Box and Lumber Company of Highlands, Cal.

D. V. Osborn of Edmonton was in Bend Tuesday in company with Frank Glass. He was looking over the D. I. & P. Co's ditch lands and bought 40 acres near Powell Buttes. Wednesday he started south for Silver Lake.

Miss Anne Midiam left yesterday morning for her home in Portland after a year's stay in Bend. She recently resigned her position with the P. B. D. Co. and returns home for a rest. A. L. Goodwillie had some business matters needing attention at Madras and Miss Midiam accompanied him to that place on her homeward trip.

M. W. Richmond of Tacoma, Wash., accompanied by his brother, V. M. Richmond of Nebraska, were guests at the Pilot Butte Inn Tuesday night. M. W. Richmond has a homestead and desert claim in the Christmas Lake country and was on his way there. His brother is taking a trip through the West and accompanied him to get a view of Central Oregon.

Bend's fine new school house looks better every day. The building is practically all sided and Nick Weider is putting on the first coat of priming. A large part of the roof is shingled. The shingles, dipped in a green stain, make a very pleasing appearance as you catch glimpses of the roof through the pine trees. Work on the interior of the building is also going forward.

Miss Iva West writes from Salem that she will not be able to return home until several weeks after commencement in June this year. The director in charge of the school of music at the university is planning a tour through several of the larger towns of the state with a number of his students and will give musical programmes at the different places. Miss West has been chosen as one of the number to make this tour.

Sunday evening eleven of the timber seekers who had passed through Bend a week or 10 days previously, returned from the Silver Lake country. These were successful in filing on claims. When the other six came to file they found that the claims selected by them had already been filed on, and it was necessary for them to take another trip into the woods to make another selection. These are expected here on their homeward journey in a day or two.

Monday night, Dr. Nichol's people had a narrow escape from a serious fire caused by an exploding lamp. A lighted lamp had been left in the living rooms and turned down low. When Mrs. Nichol returned to the room she found it full of smoke and the lamp blazing. She seized the lamp and hurried to the door, throwing it down the outside stairway. The lamp exploded after it left her hand and before striking the stairs, which shows how close Mrs. Nichol came to having a serious accident. The explosion set fire to the stairs and side of the building but this was easily put out.

Notice to the Public.

I have now a complete line of Gents' and Boys' Suits, fresh and clean, just arrived from the East. Also hats, caps and a full line of shoes. In fact everything to wear from head to foot. Come in and see them at PINE TREE STORE.

A BAD WOUND.

Mrs. L. D. Miller of Sisters Cuts Hand with Fruit Jar.

SISTERS, March 6.—Mrs. L. D. Miller, while attempting to turn the top off of a fruit jar, was badly injured by the top of the jar breaking, cutting her hand and severing the tendons in the wrist. At last report the wound was doing nicely.

J. B. Fryrear jr., who has but recently returned from Burns, is visiting in town today.

N. J. Lambert and Bell Buskirk made a flying trip to Sisters recently.

Walt Henriche is up from the desert, a guest at Sisters hotel.

T. M. Booth was in town recently attending to business.

The dance given by the dancing master, F. West, was quite a success both socially and financially. Mr. West surely is an artist in the dancing line.

There will be a ball given at the Sisters Hall on the evening of the 16th. All are cordially invited. Music by Miller's orchestra.

D. N. Riggs was up from his garden ranch on lower Metopolis on a business trip.

John R. Fryrear sr., was in town getting his horses shod and discussing politics.

Ben Folsom, an employe of Badyfelt & Allingham spent two days in Sisters, a guest at Sisters hotel.

Alva Templeton was in getting one of those new patent grubbing hoes, which

Allen & Miller, the Sisters blacksmiths, are putting out. Any one intending to clear land would do well to see them as they are light, durable and the handiest grubbing hoe made.

Arthur Clothier, who left a few days ago, returned accompanied by Dr. Newson of Laidlaw who came over to examine applicants to the Massachusetts Mutual Life Insurance Co., of which Mr. Clothier is agent. The doctor was called to the home of Marcelous Thomas to treat their little son, who has been very ill, but is improving.

Mr. Hammer, one of the democratic nominees for county clerk, has been in Sisters and neighborhood, campaigning and winning the people with his pleasant smiles and cigars. The firm of Smith, Wilt & Co. have dissolved partnership, Smith and Wilt retaining the business. Mr. Denison will stock his furniture store at the same old stand.

SURVEYORS REACH ROSLAND.

Oregon Eastern Engineers Have Again Moved Camp.

ROSLAND, March 8.—The railroad surveyors moved to Rosland Tuesday and expect to be here about three weeks. From here they will go to William Mayfield's.

Lively times in Rosland now.

D. A. Pindley has moved his cattle from Hay Stack to desert. He reports three dead, but the rest doing nicely.

The stage still makes late time on account of the roads being so bad and we only have two and three Shaniko mails a week.

Lee Caldwell is talking of taking his cattle to the desert for a short time. Mr. Caldwell has a nice fat band of cattle.

The Rosland school will start about the first of April.

George Bogue has been quite sick the last two weeks with a bad cold.

Redmond News Notes.

REDMOND, March 5.—F. S. Stanley, of the D. I. & P. Co., in company with Mr. and Mrs. F. C. Rowlee, left here this morning for Shaniko in the automobile. Mr. Stanley is going to Portland. Mrs. Rowlee is going to California for the benefit of her baby's health. He has been quite sick but is much better now.

Charles Reed and wife, of the Johnston ranch, were visitors here today.

There was quite a party of visitors here this week from Portland and Seattle on their way to Silver Lake, where they go to file on timber claims.

There was a fine dance at the Redmond Hotel last Saturday. It was a grand success, Mr. Edwards understands his business.

F. C. Rowlee has leased the Hotel Redmond and bars to J. H. Edwards of Sisters. Mr. Edwards is an old hotel manager and will surely make a success of it. We wish him luck.

Coming Back to Bend Soon.

Word has been received from Idaho, from Jack Sheridan that he will soon return to his homestead near Bend.

America's Greatest Weekly

THE TOLEDO BLADE TOLEDO, OHIO.

The Best Known Newspaper in the United States Circulation 185,000 Popular in Every State

The Toledo Blade is now installed in its new building, with a modern plant and equipment, and facilities equal to any publication between New York and Chicago. It is the only weekly newspaper edited expressly for every state and territory. The News of the World so arranged that busy people can more easily comprehend, than by reading cumbersome columns of dullness. All current topics made plain in each issue by special editorial matter written from inception down to date. The only paper published especially for people who do or do not read daily newspapers, and yet thirst for plain facts. That this kind of a newspaper is popular, is proven by the fact that the Weekly Blade now has over 185,000 yearly subscribers, and is circulated in all parts of the U. S. In addition to the news, the Blade publishes short and serial stories, and many departments of matter suited to every member of the family. Only one dollar a year. Write for free specimen copy. Dollars are what most men are after. We want them that we may purchase those things in life which we most desire.

There are many ways to obtain dollars—

One good way is to advertise the goods you have for sale—

Let the people know you are in business—

Show them you are alive—

Advertise in The Bulletin.

A ranch for sale, stock, wagons, household goods, or anything you wish to dispose of should be advertised in The Bulletin.

Why? Because it will sell your goods and bring a better price. Do it now.
