Last week the post office at Deschutes was discontinued, and the one at Lava has been out of commission for some time. This extends the territory of the Bend office considerably, the nearest post-office to the south being Rosland.

Saturday Mr. and Mrs. F. O. Minor and son Kenneth, Miss Grace Jones and A. L. Goodwillie moved a camping outfit onto the Tumalo creek near the bridge which spans that creek west of Bend. The ladies will spend many weeks camping in the woods. Messrs. Minor and Goodwillie are dividing the time between their duties in town and the pleasures of camp life.

Two new comers who have recently arrived in Bend with a view of remaining permanently are John C. Wilson and John H. Wenandy, both of Phillipsburg, Mont. These gentlemen are old time acquaintances of Hugh O'Kane, Messrs. Wilson and O'Kane dating their friendship for 18 years or more. Both Messrs. Wilson and Wenandy will invest in property in the vicinity of Bend.

The fishermen are already busy with their hooks and lines tempting the wary trout to bite and procuring a supply for that trout barbecue next Tuesday. Tom and Carlyle Triplett, C. M. Weymouth and Ralph Sheldon went up to Dillon Falls last Monday and Tuesday. They fished eight hours and caught 301 trout. The number was somewhat reduced before reaching town, however, as Sheldon had a very healthful appetite.

The boys of the town who worked so earnestly in preparing the grounds for the picnic dinner did excellent service in a public movement. They carried rock, raked rubbish and worked like Trojans. They have characteristics that make progressive citizens.

Charles Marvin, the man who was injured at the Johnston ranch last week by the sweep of the grubber striking him in the stomach, died Saturday from the effects of the injuries. He was buried Sunday in the Prineville cemetery. He was a brother of Mrs. Karl, living a mile and a half from Prineville.

Nick Weider went to Prineville Sunday and played back-stop for the Redmond boys in the Redmond-Prineville game. From there he started for St. Paul, Minn., where he will remain for several weeks. There are very well founded rumors that Nick will enter the ranks of the benedicts while gone and will bring back a bride to Bend with him.

The school board last week employed R. D. Wickham to bring action on behalf of School district No. 12 against I. D. Jarvis, principal, and John Sisemore and Duncan McMillan, sureties, for the recovery of money which the district has been compelled to pay out by reason of Mr. Jarvis' failure to complete the new school house within the contract price.

It is requested that all the ladies of Bend, whether members of a committee or not, be on hand Tuesday morning to help prepare the tables for the dinner. Committees have been appointed to facilitate matters, but the success of the dinner will depend upon the co-operation of all. Come as early as 10 o'clock, and be sure to come as there will be plenty of work for all.

In order to properly illuminate the A. M. Drake lawn for the governor's reception a large number of lanterns will be needed. Everyone having a lantern of any description should fill it with oil, clean it so it will burn well, and leave it at the P. B. D. office early Monday morning, as the ladies are planning to cover the lanterns with different colored paper. A large number of Japanese lanterns will also be used.

C. A. Chapman returned from Shaniko Saturday, where he had driven with Mrs. Carl Chapman on her way to Grangeville, Idaho. While at Shaniko Mr. Chapman was called to Portland on business. For a while it was feared that the animal would die, but it finally got better and he was able to drive on to Bend.

She will visit in Minnesota for three months and will bring her mother with her when she returns to Bend.

Neil Smith and son were in Bend Tuesday from their up-river ranch, attending to business matters. Mr. Smith is a recent comer from Superior, Wis., and upon his arrival here expressed his intention to start an experiment farm on his ranch. This he has done and now has a great variety of vegetables planted, ranging all the way from radishes to water- and muskmelons. The growth of these has been so promising that Mr. Smith is figuring on a bountiful harvest in the fall. He has faith in the Deschutes valley.

AFTER THE PRIZE.

Miss Ethel Chapman Will Work for Free Trip to Jamestown Exposition.

Another subscription getting contest will soon be started in Oregon, and Miss Ethel Chapman of Bend will enter the list of contestants. This contest is being managed by Philip S. Bates, publisher of agricultural monthly, the Pacific Northwest. The proposition is nothing less than the taking of 33 young ladies, one from each county of the state, to the Jamestown Exposition which will open May 15, 1907, at Jamestown, Virginia. The exposition is to commemorate the first settlement of the English in the United States which took place in 1607. One farmer's daughter from each county in Oregon will be taken by Mr. Bates. She will carry a large amount of advertising literature for general distribution along the lines of travel.

The young lady in each county who secures the largest number of subscriptions will be one of the party to go to the exposition. Miss Chapman will enter the contest with the determination to represent Crook county.
