America's Greatest Weekly

THE TOLEDO BLADE

TOLEDO, OHIO.

The Best Known Newspaper in the United States

Circulation 185,000

Popular in Every State

In many respects the TOLEDO BLADE is the most remarkable weekly newspaper published in the United States. It is the only newspaper especially edited for National circulation. It has had the largest circulation for more years than any newspaper printed in America. It is the only paper in the world, as well as the cheapest newspaper in the world, which will write up terms. The News of the World so arranged that busy people can more easily comprehend them by reading comparatively short stories. All current topics made plain in each issue by special editorial matter written from inception down to date. The only paper published especially for people who do or do not read daily newspapers, and yet there is no plan for this. That this kind of a newspaper is popular is proven by the fact that the Weekly Blade now has over 150,000 yearly subscribers, and is circulated in all parts of the United States. In addition to the news, the Blade publishes short and serial stories, and many departments of matter suited to every member of the family. Only one dollar a year.
