ing machinery has been lying along the Deschutes ever since the work there was discontinued and everything is in readiness to complete the grading and build the road as soon as the officials can make the necessary arrangements.

### Railroad Rumor.

A fresh railroad report is that on Monday the Corvallis & Eastern will be in the hands of J. J. Hill instead of Harriman and that the road will be pushed into Eastern Oregon. That sounds good.—Albany Democrat.

### More Indication of Increased Work.

Another large crew of railroad surveyors has been added to the work in this section this week, under a Mr. Stacey as chief. The party has been working in the Malheur canyon but have been transferred to the west, camping in this city Wednesday night.—Burns Times-Herald.

### M. E. Church News.

The third quarterly conference of the M. E. church held at Bend last Monday evening was very satisfactory. Our members responded royally to their obligations and paid their presiding elder and pastor in full. Words fail to express the pastor's heartfelt thanks and appreciation for such a ready response.

The theme for the sermons next Sunday will be: "The Christian Sabbath" by Rev. Tavenor; "Christian Perfection" by Rev. Ridenour.

CAMPBELL TAVENOR, Pastor.

### Pearls in Oysters.

Mrs. Dr. Thom found 26 pearls in one oyster one day recently and has saved them so that those who

doubt may see for themselves. The largest one is about one-fourth the size of a pea.—Silver Lake Oregonian.
