## COUNTY NEWS NOTES.

(Continued from page 1.)

ranch was the scene of another pleasant social gathering and dancing was kept up until broad day light with only a short intermission for a jolly midnight supper. Some one will have to buy new dancing pumps soon.

Every one is glad that spring has come at last and the farmers are all busy with their spring work.

It is reported that Mr. Bogue has sold out his store and will retire from business soon. Many old timers will miss him from around the store.

We see F. A. Shonquest has moved into his new house, on his homestead near the stage road, and is busy hauling hay.

Mr. King will erect a ten-room house on his homestead in the near future. Neil Smith will do the carpenter work.

Mrs. Dan Smith and son Earl have returned to their up-river ranch.

Mr. Woods is hauling hay from the Vandeventer place to Bend with two four horse teams.

We don't get time to fish so can't tell you how they are biting, but heard that Mrs. West caught a four pound "dolly."

## Powell Buttes Items.

Seeding well under way. Many are through.

Hugh Mitchell is making fence for Jim Green. C. B. Waterman is helping him.

E. A. Bussett has been drilling grain for the ranches in the old river bed.

Bad case of fever here; and it seems catching—California fever.

Nate Beach and Cliff Ellis went to Prineville Monday.

Arthur Morrell has moved out from Bend on his homestead.

Fine bunch grass around the Buttes now.

Milton Zell is hauling wood from the Buttes to Prineville, Nate Beach doing the cutting, 200 cords in all.

It is reported that construction work will soon begin on the Oregon Central canal. We sincerely hope this is true, but after two years waiting we want to be shown.

If you want a fine homestead get it at Powell Buttes. Some for sale.

We hear railroad talk again. Well, it tickles the ear all right. Sounds good, if it is only a review.

## LAWS FOR TROUT FISHING.
